PUBLIC HEARINGS

COMBINED PUBLIC HEARING ON COUNTY BUDGET ITEMS

Councilmembers held a combined public hearing on AB2025-707, AB2025-719, AB2025-721, AB2025-723, and AB2025-725. See minutes under AB2025-707.

Galloway read items 1-5 under this header into the record.

1. [AB2025-707](#) Ordinance amending the 2026 Whatcom County Budget, request no. 1, in the amount of \$20,970,606

Kayla Schott-Bresler, Executive's Office, stated she was available to answer questions.

Scanlon read from the suggested amendments (on file as "Substitute Councilmember Amendments") about his suggestions to use \$200,000 of the Community Priorities Fund to create a strategic plan and metrics for the county, and to add a note after Exhibit A regarding including funding and staffing levels necessary to complete the Community Health Assessment.

Byrd stated he thinks those amendments would be substantive changes to the budget document that was noticed for public comment. He does not think they should be going over proposed changes at this time since they are not included in the document that is in front of them.

Kimberly Thulin, Prosecuting Attorney's Office, stated if the plan is just to advise those who are here to make comments, just so they are aware and so they have the opportunity to come back and comment if there is a proposal that is substantive, then it is procedurally fine.

Councilmembers and Thulin discussed that the plan is to hold the public hearing open because they will be taking final action on the budget on December 2nd, and that they could present the proposed amendments so the public can speak to them.

Elenbaas spoke about his proposal that they cut contracts for third-party facilitators for boards and commissions and move those funds to other budget areas in order to not have to raise taxes.

Stremmer spoke about his proposal to cut \$244,000 from the Parks & Recreation Department budget in the General Fund, currently allocated for extra help for parks facilities and Lake Whatcom forest lands, and add \$244,000 for the Whatcom County Food Bank Network.

Donovan spoke about his proposal to move \$500,000 from the Community Priorities Fund (capital reserves) to fund the Whatcom County Food Bank Network, and he spoke about the budget in general.

Galloway opened the combined Public Hearing and the following people spoke:

- Adam Bellinger
- John Westerfield
- Lauren Carlson (and mother)
- RobRoy Graham
- Amy Steele
- Daniel Burdick
- James Hallet
- Rosa Figueroa
- Krisinda Plenkovich
- Ralph Weiche
- Sarah VanWoerden
- Brian Atkins (on behalf of Dave Zoeller)
- Hannah Ordos
- Lyle Sorenson
- Henry Fisher
- Hannah Palm

Galloway did not close the hearing.

Councilmembers then considered each public hearing agenda bill separately. See below under **SEPARATE CONSIDERATION OF PUBLIC HEARING ITEMS**.

SEPARATE CONSIDERATION OF PUBLIC HEARING ITEMS

1. [AB2025-707](#) Ordinance amending the 2026 Whatcom County Budget, request no. 1, in the amount of \$20,970,606

Donovan moved and Elenbaas seconded to hold AB2025-707 and keep the public hearing open, to be continued on December 2nd, and to place this item in Committee of the Whole on November 18th for discussion.

Councilmembers discussed the item with the following people:

- Kimberly Thulin, Prosecuting Attorney's Office
- Aly Pennucci, Executive's Office

Councilmembers and the speakers discussed whether any of the proposed councilmember amendments are substantive and what constitutes a substantive change, if they can take action on proposed amendments if the intention is to hold the agenda items, how they can give staff time to make adjustments to the budget documents after voting on amendments, and

maybe starting Committee of the Whole in the morning on November 18th as opposed to the afternoon to prioritize the budget discussion.

Donovan's motion carried by the following vote:

Aye: 7 - Buchanan, Byrd, Donovan, Elenbaas, Galloway, Scanlon, and Stremmer

Nay: 0

Enactment No: ORD 2025-055

Motion approved 7-0 to hold AB2025-707 and keep the public hearing open, to be continued on December 2nd, and to place this item in Committee of the Whole on November 18th for discussion.

2. [AB2025-719](#) Ordinance authorizing the levy of taxes for Conservation Futures purposes for 2026

Donovan moved and Galloway seconded that the ordinance be ADOPTED.

Cathy Halka, Clerk of the Council, answered whether they have to approve all of these budget-related ordinances and resolutions at the same time, and stated nothing requires that they approve them as a group.

Aly Pennucci, Executive's Office, answered whether Conservation Futures was part of the executive's amendments presented today. She stated it was part of the technical amendments, but she believes that the state law requires, because we do budget-based levies, that Council has to adopt the budget before they adopt any tax levies. So that is why they all run together, because they approve the expenses and then they approve the revenues.

Donovan withdrew his motion.

Elenbaas stated he would prefer to adopt them (individually) at the same time anyway so that the impact to the taxpayer is taken into account as a whole.

Councilmembers discussed that the only separate budget is the Flood Control Zone District.

Galloway moved and Donovan seconded to hold AB2025-719 and keep the public hearing open, to be continued on December 2nd, and to place this item in Committee of the Whole on November 18th for discussion. The motion carried by the following vote:

3. [AB2025-721](#) Ordinance authorizing the levy of taxes for County Road purposes for 2026

Councilmembers discussed the motion.

Galloway's motion to hold AB2025-711 and keep the public hearing open, to be continued on December 2nd, and to place this item in Committee of the Whole on November 18th for discussion carried by the following vote:

OTHER PUBLIC HEARINGS

8. [AB2025-676](#) Resolution adopting the 2026-2031 Six-Year Water Resources Improvement Program (WRIP) (Council acting as the Whatcom County Flood Control Zone District Board of Supervisors)

Galloway opened the Public Hearing and hearing no one, closed the Public Hearing.

Buchanan moved and Scanlon seconded that the Resolution (FCZDBS) Requiring a Public Hearing be APPROVED.

Donovan spoke against the motion and stated the capital planning has virtually all of the projects in Lake Whatcom funded by the Lake Whatcom Stormwater Utility and not the stormwater funding that they used to get through the Flood Fund. They set up the utility to provide additional funding for Whatcom County's efforts to clean up and protect Lake Whatcom water quality, but they have shifted the money from the flood fund away from those programs.

The following people responded to Donovan's concerns:

- Aly Pennucci, Executive's Office
- Elizabeth Kosa, Public Works Department Director
- Randy Rydel, Administrative Services Department Finance Director

They and councilmembers discussed that one of the reasons is because they

are being extra cautious with Real Estate Excise Tax (REET), which is one of the other funding sources that typically supports these projects, until decisions can be made about some of the major County Facilities, what the impact would be if they decide not to take the one percent Road Fund increase (which also funds some of these projects), that they would look at anything that draws from the Road Fund (which includes the WRIP), whether the same thing is true for the Birch Bay Watershed and Aquatic Resources Management (BBWARM) District, that the stormwater dollars are gone, whether there is equity in how the tax dollars are being used across the county, and the concern that they are taking money out of the watershed and putting it in other places and that money that was previously going to the watershed is going to the flood fund to do other things now and not to Lake Whatcom.

Buchanan's motion that the Resolution (FCZDBS) Requiring a Public Hearing be APPROVED carried by the following vote:

Aye: 5 - Buchanan, Byrd, Galloway, Scanlon, and Stremmler

Nay: 2 - Donovan, and Elenbaas

Enactment No: RES 2025-036

OTHER ITEMS

(From Council Finance and Administrative Services Committee)

1. [AB2025-730](#) Request authorization for the County Executive to enter into a three-year contract between Whatcom County and Correctional Healthcare Partners Inc. for the provision of jail healthcare and juvenile detention nursing services, in the three-year total amount of \$22,896,000

Donovan reported for the Finance and Administrative Services Committee and ***moved*** that the SUBSTITUTE Contract be AUTHORIZED.

Councilmembers discussed the motion and a suggestion to come back in six to eighteen months to analyze the contract and how things are going.

Galloway stated the version that is before them is a substitute. She thanked Jill Boudreau and the Executive's Office for all the work they have done to see this contract through.

Jill Boudreau, Executive's Office, confirmed that this is a three-year contract.

Donovan stated this is obviously a critical need, but we are increasing our costs \$3.4 million a year over the current level. He stated the budget adjustment accounts for one year and we probably do not really have a plan going forward to cover that growing structural deficit unless we raise taxes or come up with a commensurate \$3.4 million in cuts to other services. He stated part of his discomfort with the budget is that they are putting a lot of eggs in the basket of a future council doing future things.

Elenbaas spoke about why he supports it.

Donovan's motion that the SUBSTITUTE Contract be AUTHORIZED carried by the following vote:

Aye: 7 - Buchanan, Byrd, Donovan, Elenbaas, Galloway, Scanlon, and Stremler

Nay: 0

2. [AB2025-770](#) Resolution approving the 2026 recommended convention center allocations for tourism-related facilities and activities as defined through RCW 67.28.1816

Donovan reported for the Finance and Administrative Services Committee and moved that the Resolution be APPROVED. The motion carried by the following vote:

Aye: 7 - Buchanan, Byrd, Donovan, Elenbaas, Galloway, Scanlon, and Stremler

Enactment No: RES 2025-037

3. [AB2025-782](#) Request authorization for the Whatcom County Executive's Office to enter into a lease agreement between Whatcom County and Ryanna LLC for the lease of office and storage space for the Sheriff's Office at 4600 Ryzex Way, Bellingham

Donovan reported for the Finance and Administrative Services Committee and ***moved*** that the Agreement be AUTHORIZED.

Donovan stated his concern is that they have funding for one year but if they do not pass this tax, the next option is asking the sheriff to absorb \$750,000 of cuts a year, and they are leaving that to a future council to determine. It also has not been in front of the public very long and he has discomfort with passing a lease that is directing funds to a former councilmember and current Planning Commission member.

Elenbaas stated he thinks the need has been demonstrated. He spoke about the cost and that they looked at other options, and stated not only is this option feasible, it is hands down the best deal as far as their options are

concerned. He stated there is also nothing inappropriate about the contract. It is a great deal for the taxpayers and an even better deal for the Sheriff's Department.

Aly Pennucci, Executive's Office, gave a history of how they got to this point and how this building fits the specific needs they needed to fill.

Councilmembers discussed the motion and Pennucci answered whether this new expense will be alleviating expenses they have in other areas.

Donovan's motion that the Agreement be AUTHORIZED carried by the following vote:

Aye: 6 - Buchanan, Byrd, Elenbaas, Galloway, Scanlon, and Stremler

Nay: 0

Abstain: 1 - Donovan

(From Council Planning and Development Committee)

4. [AB2025-769](#) Resolution approving recommendation on an application for open space current use assessment

Elenbaas reported for the Planning and Development Committee and ***moved*** that the Resolution be APPROVED.

He stated the committee passed it but they did talk about amending it, and Councilmember Galloway has brought that tonight. He summarized the discussion in committee. The proposal had enough points to qualify without allowing public access. The Planning Commission asked for there to be public access but the landowner was leery about it for liability's sake and to protect habitat. The discussion tonight is about what kind of public access the Council will require.

Galloway briefed the councilmembers on the substitute version.

Galloway moved to amend the motion and that they approve the substitute resolution as presented.

The motion was seconded by Elenbaas.

Councilmembers discussed the proposed substitute with the following people:

- Kimberly Thulin, Prosecuting Attorney's Office

- Aly Pennucci, Executive's Office
- Collin Stevens, landowner
- Mark Personius, Planning and Development Services Department Director
- Cathy Halka, Clerk of the Council

They discussed that Council would not have to approve the specific public access plan that gets worked out between Planning staff and the property owner, and making sure the language of the resolution is clear regarding the Planning Commission's recommendation and the intent to allow only limited public access.

Galloway's motion to amend the main motion carried by the following vote:

Aye: 5 - Galloway, Scanlon, Stremler, Buchanan, and Elenbaas

Nay: 0

Out of the Meeting: 2 - Donovan and Byrd

COMMITTEE REPORTS, OTHER ITEMS, AND COUNCILMEMBER UPDATES

Scanlon spoke about an idea to allow the food banks to use their 2026 funds as soon as possible to help them for the short term.

Buchanan moved to request that the Executive prepare a 2025 budget amendment, to include in the next supplemental budget ordinance scheduled for introduction on November 18th, that will allow a contract amendment to provide flexibility to the food banks to spend 2026 funding in 2025.

The motion seconded by Scanlon.

He stated it would be like front-loading their 2026 spending so they would have 13 months to spend the funds as opposed to 12.

The County Council approved these minutes on December 9, 2025.

Meeting Minutes prepared by Kristi Felbinger

Aly Pennucci, Executive's Office, answered if the Administration would need anything from Council if they were to amend the Healthy Children's Fund contracts or if the Administration already has the authority to do that. She stated they have the authority to do that because it would be a no-dollar amendment and would not require new budget authority.

The motion carried by the following vote:

Aye: 5 - Buchanan, Elenbaas, Galloway, Scanlon, and Stremler

Nay: 0

Out of the Meeting: 2 - Byrd and Donovan

Councilmembers gave committee reports.

Cathy Halka, Clerk of the Council, stated that Councilmember Donovan, as the chair of the Finance and Administrative Services Committee, is designated in the new tort claim code to serve as a representative on the Risk Management Working Group and he is unable to serve through the end of the year. He would like to have the Council designate another council member, as is permitted in code, to serve through the end of the year. Then the new Finance Committee chair would serve in that position in the new year.

Galloway moved to appoint Councilmembers Scanlon.

The motion was seconded by Buchanan.
