The Washington State Legislature allocated \$9.9 million dollars over the 2025-2027 biennium for the Registered Sex Offender Address Verification Program. This year, local agencies will receive \$4.81 million dollars to conduct face-to-face address verifications for registered sex and kidnapping offenders as directed by RCW 9A.44.130. In 2010, this grant program was established with the intent that all sex offenders and kidnapping offenders would be verified at their registered address by the Sheriff's Office. This face-to-face address verification is important to maintain accuracy of the Sex Offender Registry and to enforce the sex offender registration laws of Washington State. It is important that this money continue to be used for its intended purpose.

I am pleased to inform you that the **Whatcom County Sheriff's Office** will receive **\$130,767.67** for the Registered Sex Offender Address Verification Program. The grant cycle will follow the state fiscal year, starting July 1, 2025 and ending June 30, 2026. Quarterly grant reports are due on October 10, 2025, January 10, 2026, April 10, 2026 and July 10, 2026. Quarterly grant reports are to be completed electronically and will be emailed to RSO coordinators. Reports must be received by WASPC prior to quarterly grant payments being issued to your agency.

Address verification funds are designed to support all aspects of registered sex offender address verification. Most importantly, funds are required to be used for face-to-face verification of a sex offender's address at the place of residency.

- For Level I Offenders—face-to-face address verification will occur once every twelve months.
- For Level II Offenders—face-to-face address verification will occur once every six months.
- For Level III Offenders—face-to-face address verification will occur once every three months.
- For the purposes of this grant, unclassified offenders and kidnapping offenders are considered level I offenders, unless the local jurisdiction sets a higher classification in the interest of public safety.

Leading collaboration among law enforcement professionals to enhance public safety.

Funding from this program will be used to send at least one staff member to at least one WASPC OffenderWatch User Group and SONAR Committee Meeting. Meeting dates are July 23, 2025, October 22, 2025, January 28, 2026, and April 22, 2026.

Address verification data must be entered into the statewide sex offender database, OffenderWatch. WASPC will conduct audits of the OffenderWatch records to confirm verification entries and completeness of records.

Registration, community notification and verification of offenders must follow the applicable state statutes (RCWs 4.24.550, 9A.44.130, 9A.44.135, 36.28A.230, etc.). Any delegation to cities should have signed Memorandums of Understanding (MOUs) clearly defining agreed upon responsibilities.

Please note the following terms will be adhered to for the 2025-2026 Registered Sex Offender Address Verification Program:

- Any agency not meeting at least 90% of required verifications will be contacted to develop a plan to correct the agency's noncompliance.
- Any agency not using OffenderWatch to track RSOs and verifications will not receive that quarter's grant payment until OffenderWatch records are adequately corrected.
- Agencies that do not participate in at least two (one in-person and one virtual) OffenderWatch User Group and SONAR Committee meetings will be penalized 10% of the final quarter's grant payment.
- Agencies should have at least one person trained in the current coding rules for the Static 99R.
- Quarterly grant reports must be received by WASPC prior to quarterly grant payments being issued to your agency.
- The agency may retain up to three percent (3%) of the amounts provided pursuant to this section for the cost of administration.

Please review the attached interagency agreement, sign, date, and return to the WASPC Office ASAP. If you have any questions, please contact Terrina Peterson at (360) 486-2386 or tpeterson@waspc.org.

Sincerely,
