Subject: Washington State Department of Health – 2025 - 2027 Consolidated Contract Amendment #14

Date: 5/11/2026

Attached is an interlocal agreement amendment between Whatcom County and Washington State Department of Health for your review and signature. This amendment revises funding allocations and/or statements of work for various public health programs, as described below.

▪ **Background and Purpose**

The Consolidated Contract defines the joint and cooperative relationship between Whatcom County and the Washington State Department of Health for the delivery and funding of various public health services in Whatcom County.

▪ **Funding Amount and Source**

This amendment adds \$57,008. Total funding for this grant is \$11,286,805 and is provided by state and federal resources. These funds will be included in the 2026 budget. Council authorization is required as the grant funding received through this amendment exceeds \$40,000.

▪ **Differences from Previous Contracts**

Adds statements of work and/or increases funding for the following programs:

1. Global to Local Measles Education & Community Engagement – This amendment adds \$60,000 for the period of 01/01/2026-06/30/2026. These funds will be used to support staff wages, development and translation of materials and/or interpreter services. The purpose of these funds is to strengthen healthcare and community outbreak response and infection prevention by improving culturally responsive measles health outreach and education for immigrant, refugee and migrant communities with low coverage of measles, mumps, and rubella immunization.
2. Maternal & Child Health Block Grant – This amendment adds \$29,620 for the period of 01/01/2025-09/30/2026. These funds support local activities to improve the health of women, infants, children, youth, and their families. The funding is used to pay for personnel focused on children with special health care needs and expanding caregiver support.
3. On-Site Sewage (OSS) Local Management Plan (LMP) Implementation – This amendment reduces funding for the homeowner inspection rebates/incentives program by \$32,612 for the period of 07/01/2025-06/30/2027.

Statement of Work Purpose: This project will strengthen healthcare and community outbreak response and infection prevention by improving culturally responsive measles health outreach and education for immigrant, refugee and migrant communities with low coverage of measles, mumps, and rubella (MMR) immunization. The funding will support measles-focused community-based health education and promotion, immunization outreach, engagement of community-based organizations and leaders, translation and co-creation of health education and social media messages, and other related work. Health education messages can focus on recognizing signs, symptoms and health effects of measles, promotion of MMR immunization as the most reliable measles prevention strategy, isolation and quarantine procedures in case of measles exposure, how to access immunization services, and other public health messaging. Russian, Ukraine and Spanish Speaking are the specific globally connected communities that will be addressed in this scope of work.

Revision Purpose: N/A

Federal Funding Accountability and Transparency Act (FFATA) (Applies to federal grant awards.)

This statement of work is supported by federal funds that require compliance with the Federal Funding Accountability and Transparency Act (FFATA or the Transparency Act). The purpose of the Transparency Act is to make information available online so the public can see how the federal funds are spent.

To comply with this act and be eligible to perform the activities in this statement of work, the LHJ must have a Unique Entity Identifier (UEI) generated by SAM.gov.

Information about the LHJ and this statement of work will be made available on USASpending.gov by DOH as required by P.L. 109-282.

Program Specific Requirements

Special Requirements: The DOH Global to Local team will hold monthly meetings with each LHJ contractor in order to check progress and coordinate efforts.

Service Period	Check-in call held
January through March	April
April, May	May
May, June	June

Reporting: Local Health Jurisdictions will receive a DOH-provided final report template. When completed, this template should reflect quantitative and qualitative aspects of accomplished tasks/deliverables (e.g. number of outreach events, number of local media releases and placements, number of community members reached by language, analysis of overall project success, difficulties, etc.). The final report should identify the specific globally connected communities / language groups reached.

Federal Funding Accountability and Transparency Act (FFATA) (Applies to federal grant awards.)

This statement of work is supported by federal funds that require compliance with the Federal Funding Accountability and Transparency Act (FFATA or the Transparency Act). The purpose of the Transparency Act is to make information available online so the public can see how the federal funds are spent.

To comply with this act and be eligible to perform the activities in this statement of work, the LHJ must have a Unique Entity Identifier (UEI) generated by SAM.gov.

Information about the LHJ and this statement of work will be made available on [USASpending.gov](#) by DOH as required by P.L. 109-282.

Program Specific Requirements

Special Requirements:

All training costs and all travel expenses for such training (for example: per diem, hotel, registration fees) must be pre-approved, unless identified in pre-approved Budget Workbook. Submit a paragraph to your Community Consultant explaining why the training is **necessary** to implement a strategy in the approved work plan. Details should also include total cost of the training and a link to or brochure of the training. Retain a copy of the Community Consultant's approval in your records.

Restrictions on Funds (i.e., disallowed expenses or activities, indirect costs, etc.):

1. At least 30% of federal Title V funds must be used for preventive and primary care services for children and at least 30% must be used for services for children with special health care needs. [Social Security Law, Sec. 505(a)(3)].
2. Funds may not be used for:
 - a. Inpatient services, other than inpatient services for children with special health care needs or high-risk pregnant women and infants, and other patient services approved by Health Resources and Services Administration (HRSA).
 - b. Cash payments to intended recipients of health services.
 - c. The purchase or improvement of land, the purchase, construction, or permanent improvement of any building or other facility, or the purchase of major medical equipment.
 - d. Meeting other federal matching funds requirements.
 - e. Providing funds for research or training to any entity other than a public or nonprofit private entity.
 - f. Payment for any services furnished by a provider or entity who has been excluded under Title XVIII (Medicare), Title XIX (Medicaid), or Title XX (social services block grant).[Social Security Law, Sec 504(b)].
3. If any charges are imposed for the provision of health services using Title V (MCH Block Grant) funds, such charges will be pursuant to a public schedule of charges; will not be imposed with respect to services provided to low-income mothers or children; and will be adjusted to reflect the income, resources, and family size of the individual provided the services. [Social Security Law, Sec. 505 (1) (D)].

Monitoring Visits (i.e., frequency, type, etc.):

Check-ins with DOH Community Consultant as needed.

Billing Requirements:

Payment is contingent upon DOH receipt and approval of all deliverables and an acceptable A19-1A invoice voucher. Payment to completely expend the "Total Consideration" for a specific funding period will not be processed until all deliverables are accepted and approved by DOH. Invoices must be submitted monthly by the 30th of each month following the month in which the expenditures were incurred and must be based on actual allowable program costs. Billing for services on a monthly fraction of the "Total Consideration" will not be accepted or approved.

Special Instructions:

Contact DOH Community Consultant for approval of expenses not reflected in pre-approved Budget Workbook.

GOALS & MEASURABLE OBJECTIVES (REVISE TABLE AS NEEDED)

This table summarizes starting and target metrics achieved by implementing the tasks below. This data is reported in ongoing reports.

Description (e.g., "OSS compliance")	Units (e.g. "systems")	Starting Amount	Targets
OSS compliant with inspections in Marine Recovery Areas (MRAs) and/or Sensitive Areas (SA). This measure is point in time. The numerator includes all onsite sewage systems installed in the last year and those that have met the "in compliance" (every 3 years and annually for all system types). Denominator includes all active OSS in our MRA, SMAs, and sensitive areas.	Number of OSS	11,361 (in compliance)/ 20,364 active OSS in designated MRA, SMA, and Sensitive areas designated by LMP = 56%	70%
OSS compliant with inspections countywide. This measure is point in time. The numerator includes all onsite sewage systems installed in the last year and those that have met the "in compliance" (every 3 years and annually for all system types). Denominator includes all active OSS in Whatcom County.	Number of OSS	13,092 (in compliance)/ 29,423 active OSS in designated MRA, SMA, and Sensitive areas designated by LMP = 44%	70%

OSS failures identified/corrected in MRA/SA identified by ROSS evaluations. This measure is point in time. The numerator includes all onsite sewage systems that were submitted in a failure status or corrected to reflect a failure status and remain to be either repaired, replaced, or decommissioned.	Number of OSS failures identified and repaired/replaced	Total number failures anticipated for the funding period based on a 3% rate if 70% of all MRS/SMA systems were in compliance: 427 OSS failures.	100%
OSS failures identified/corrected countywide identified by ROSS evaluations. This measure is point in time. The numerator includes all onsite sewage systems that were submitted in a failure status or corrected to reflect a failure status and remain to be either repaired, replaced, or decommissioned.	Number of OSS failure identified and repaired/replaced	Total number failures anticipated for the funding period based on a 3% rate if 70% of system were in compliance: 617 OSS failures.	100%

Task #	Task/Activity/Description	Deliverables/Outcomes	Due Date/Time Frame	Payment Information and/or Amount
Task 1. Grant Administration This task is to fund the required financial and reporting activities necessary to meet state DOH and Auditor requirements including administration of LHJ local management plan and OSS LMP grant program.				
N/A				
Task 2. Local Management Plan Implementation This task includes all work done to implement the county's LMP excluding grant management tasks and inspection rebates/incentives.				
2.1 Database Maintenance and Quality Assurance/Quality Control Database maintenance and QA/QC is ongoing to ensure accurate tracking methods for all OSS in the county. Specific tasks include:	a. Existence of a submission portal for reports of system status -or- number of electronic evaluations submitted to WCHCS	a. Ongoing	Reimbursement up to \$63,004 \$42,392 based on actual costs.	
- Maintenance of Online Report of System Status software - Quality improvement projects to improve uptake, data tracking, and validity				
2.2 Homeowner and O&M Specialist Evaluation Support Ongoing field visits are conducted to verify the accuracy of homeowner and O&M specialist evaluations and to assess and reduce risks associated with onsite sewage systems. Specific tasks include: - Conducting site visits and audits of onsite sewage systems based on submitted evaluations. - Accessing septic tanks to inspect their condition, which may require assistance with lid removal. - Observing the condition of the drain field to identify potential issues. - Utilizing specialized tools and equipment, such as dye for flow tracing, wastewater testing, flow meters for system performance assessment, and other necessary tools.	a. Number of audits or field visits to inspect an OSS	a. Activities reported in semi-annual report.		
2.3 Identification of Failing OSS Ongoing evaluations focus on identifying failing onsite sewage systems (OSS). Specific tasks include:	a. Number of OSS identified as failing through evaluation.	a-b. Activities reported in semi-annual report.		

Task #	Task/Activity/Description	Deliverables/Outcomes	Due Date/Time Frame	Payment Information and/or Amount
	• Reviewing and verifying reported failing OSS.	b. Number of OSS tested for waste strength parameters at sites with potential high-strength waste on systems not designed for such loads		
	2.4 Professional Development. The LHJ will support professional development through relevant onsite septic, operations and maintenance training.	a. Conference and training participation as available	a. Report attendance in semi-annual report.	
Task 3. Homeowner Inspection Rebates/Incentives Program Provide low-income rebates to homeowners. Provide inspection compliance incentives to homeowners in priority areas. INCLUDE IF YOU HAVE A REBATE/INCENTIVE PROGRAM				
3.1	Homeowner Inspection Rebates The County will support homeowner rebates to complete onsite septic evaluations and maintenance	a. Provide draft and final process/policy documents to DOH of rebate agreement with Public Works Pollution Identification Team. b. Provide total count of county-wide rebates provided in Whatcom County c. Provide total county of rebates that Whatcom County Health and Community Services covered financially d. Provide total count of rebates that were low-income recipients total in county and total in WCHCS funded watersheds.	a-d. Reported activities in semi-annual report.	Reimbursement up to \$12,000 based on actual costs.
