

ORDINANCE NO. 2023 - 057

AMENDING WCC 2.145, LUMMI ISLAND FERRY ADVISORY COMMITTEE

WHEREAS, Whatcom County formed the Lummi Island Ferry Advisory Committee (LIFAC) in 2012 to provide review and recommendations to the Whatcom County Council and Executive on issues that affect the ongoing operations and infrastructure of ferry service to Lummi Island and to provide a forum for those who depend upon Lummi Island ferry service to voice their ideas and concerns about the ferry service; and

WHEREAS, compliance with the Open Public Meetings Act (OPMA) and Public Records Act (PRA) requires certain administrative functions for the County's citizen advisory committees, such as, but not limited to, holding open public meetings at public meeting venues on Lummi Island and communicating its agendas and minutes to the community on the County website; and

WHEREAS, most County boards, commissions, and advisory committees comprised of volunteer citizens have County or other public agency staff assigned to provide some level of administrative support and a public meeting location; and

WHEREAS, reservation and use of non-County owned meeting venue(s) on Lummi Island requires funding and entering into an agreement for use of the venue, which volunteer citizen advisory committee members are not authorized to commit to on behalf of the County; and

WHEREAS, the County Public Works Department provides technical support to the LIFAC on ferry-related issues, and attends most or all LIFAC meetings, but LIFAC does not have a basic level of administrative support to comply with OPMA and PRA requirements; and

WHEREAS, providing remote meeting access would benefit community members who don't live on the Island, Islanders who can't attend meetings in person, and County staff who attend LIFAC meetings but don't live on Lummi Island.
