Recipient: Whatcom County Council, Satpal Sidhu, Barry Buchanan, Barbara Brenner, Todd Donovan, Carol Frazey, Rud Browne, Tyler Byrd

Letter: Greetings,

Please vote no on the Ordinance amending Whatcom County Code 9.32, Unlawful Discharge of Firearms, to establish a no shooting zone in the Drayton Harbor area of Whatcom County.

The citizen petition that began this effort is flawed and based on ignorance and anti-hunting sentiment rather than fact. There have been no incidents of injury or property damage to neighbors as the rules currently in place are adequate and respected by all who hunt there. Legal hunting boundaries are easily accessible via the Whatcom County website, Whatcom County Assessor, and numerous hunting boundary services such as OnX Maps.

Additionally, firearm noise in the course of hunting is protected by WAC 173-60-050(4)(j) and the Second Amendment to the United States Constitution.

All signers of our petition acknowledge the preexisting boundaries and rules regarding safe shooting distances from homes. Furthermore, we pledge to continue to hunt in a safe manner while showing respect to all nearby property owners.

A few complaints to the police per year from uninformed residents do not justify ending forever a rich tradition of waterfowl hunting on Drayton Harbor that has occurred since the days of the Coast Salish.

Let's make sure that future generations can enjoy the abundant public hunting opportunities in Whatcom County.
