RE: Recommend to Award Bid #23-50 – Rental Rates for Maintenance & Construction Equipment Without Operator

Background

Bids were duly advertised to establish prices and identify firms that are interested in providing maintenance and construction equipment for rent to the County on an on-call basis, for the term of August 1, 2023 through December 31, 2024. Public Works and other departments will select equipment for rent from the list. The selection will be based on equipment availability and suitability, with preference to the low bidder. Three (3) companies submitted bids on June 27, 2023. A list of available equipment and labor rates is attached.

- Birch Equipment
- PacWest Machinery
- United Rentals

Requested Action

Public Works requests the County Council and County Executive's approval to award bid #23-50 to all bidders. Rentals will be made on an as-needed basis. The award for each bidder for the one-year term will not exceed \$100,000.00.

Questions

Please contact Brett Piepel at x6405 if you have any questions or concerns regarding this request.

Recommendation

In accordance with WCC 3.08.030, I concur with this recommendation, and forward such to the County Council and County Executive for approval, per WCC 3.08.100(A).
