### III. AGREEMENT

A. Facility

1. The County hereby leases the Premises to Cando, for the purpose of operating and maintaining the Facility for the convenience of the residents of Whatcom County. The County further agrees to provide to Cando the non-exclusive use that area outside the Property’s lower gated and fenced area, which is necessary for staging and maintaining Cando’s curb-side Solid Waste pickup activities in Point Roberts, as shown in Exhibit “B”. Notwithstanding the foregoing, the County reserves the right to reasonably modify the Facility layout and area to meet County-defined needs on reasonable notice to Cando.

2. The County agrees to provide Cando and its customers access to the Premises by the easement as set forth in the Statutory Warranty Deed recorded under Whatcom County Auditor's File No. 1278685 extending from Johnson Road to the Property boundary and a grant of access over County land through and to the Property, all as shown in Exhibits "A", "B", and "C".

B. Representations/Warranties

1. The County represents and warrants that it has the right, title and interest in the Property<sup>1</sup> and other properties necessary to grant Cando and the public the right to the access, limited use and limited occupancy of the Premises described under the terms of this Agreement.

2. The County represents and warrants that the operation of the Facility as described in this Agreement does not violate applicable provisions of the County's zoning code, and that no additional land use permit is required (although other permits are likely to be required), provided that access to and use of the Facility is provided only to Cando and its members, agents, and employees, members of the public, local businesses, and recycling collectors, for purposes consistent with the County's Solid Waste Comprehensive Plan. This warranty does not extend to (i) any incidental uses beyond use of the Facility as described herein to which Cando may put the Premises in the course of the lease term designated herein; (ii) Incidental use of the office for business that does not interfere with the use of the Facility as described herein; (iii) Cando's use and storage of equipment that is used primarily in the transfer site business described herein; or (iv) other incidental use beyond that primary use, so long as these incidental uses do not interfere with Cando's and the public's primary use of the Facility and do not otherwise violate land use regulations.

C. Acceptance of Premises

Cando acknowledges that it is familiar with the Premises and the improvements thereon, that no representations have been made by the County as to said Premises and improvements except for those representations made in writing contained in this Agreement and Cando hereby accepts said Premises and improvements for the purposes of this Agreement as they are now situated.

D. Rent and Term

1. Cando shall pay rent to the County in the amount of seven hundred and fifty dollars (\$750) per month payable in advance on the 1<sup>st</sup> day of the month during the term of this Agreement.

2. This Agreement shall be for a term of five (5) years commencing on August 1, 2020 and ending on July 31, 2025, unless terminated earlier per the provisions of Section O, below. The parties further agree to an option to renew for an additional five (5) years, which may be exercised only upon mutual agreement of the parties. The Agreement of the County shall be manifested by the signature of the County Executive.

E. Scope of Operation

Cando shall maintain and operate (the Facility) upon the Premises. The Facility shall be for the use of the general public and businesses. Cando agrees to maintain and operate the Facility

by providing drop box/containers for the separation of recyclables, putrescible garbage, and other materials that may be agreed upon between Cando and the County.

In performing such functions, Cando shall provide sufficient personnel, equipment, and utilities for operation of the Facility in accordance with this Agreement. Notwithstanding the foregoing:

1. Cando shall make the Facility open and available to the public a minimum of two (2) days per week between the months of May through September, and one (1) day per week between the months of October through April, during the hours of 12:00pm to 4:00pm. This schedule may be altered by mutual written agreement if the volume so dictates.

2. In the operation of the Facility, Cando shall not be required to receive, accept or dispose of any Suspicious Waste, Unacceptable Waste, Hazardous Waste, or any other waste which would violate local, state, or federal environmental laws or regulations. Cando reserves the right to inspect any and all waste and other material delivered to the Facility and may reject any such material which Cando believes, or the local area health jurisdiction, or State Department of Ecology ("Ecology") advises, would upon disposal, present a significant risk to human health or the environment or create or expose the County, Facility users, or Cando to significant potential liability.

3. Subject to Section 2 above and Section 4 below, in the operation of the recycling center, Cando shall accept, at a minimum, newspaper, mixed paper, cardboard, aluminum, glass (clear, brown, and green), scrap metal, tin cans, and plastic bottles. So long as it is legally permitted to do so, Cando is allowed to accept batteries, used oil and antifreeze, and may chip woody debris on site. Cando shall be entitled to salvage any materials remaining in Solid Waste received for disposal at the Facility.

4. Cando may refuse the right of access to the Facility to anyone who has violated rules and regulations prescribed by public law pertinent to the operation of the disposal site or to the nature of the waste disposed or which they seek to dispose, or is delinquent on account of any money due to Cando for acceptance of Solid Waste or recyclable materials. Cando may, with the approval of the County, also assess to users of the Facility, a reasonable additional fee or charge as a penalty for failure to comply with the rules and regulations prescribed by the County or Ecology for Solid Waste handling.

F. Disposal and Operation Fees:

1. Cando, upon mutual agreement with the County as to the proposed rate(s), shall have authority to establish rates at the Facility for recycling and Solid Waste disposal, and all revenues collected shall be for the benefit of Cando. The fees charged shall be mutually agreed upon, reviewed annually, and listed in the Whatcom County Unified Fee Schedule. Cando shall prominently post all user fees at the Facility and shall be solely responsible for the collection of such fees.

2. Cando, upon mutual agreement with the County, may reject, or make reasonable additional charges for, or fix new or additional rates for the disposal of Solid Waste which would result in unusual operating or disposal cost, expense or liability, or require special environmental handling or disposal.

G. Independent Contractor:

In the performance of this Agreement, Cando shall act independently and not as an employee, agent or representative of the County. The County shall have no control or supervision of any kind over the employees of Cando, nor shall any of the employees of Cando be deemed to be employees of the County.

H. Maintenance of Facilities/Commit No Waste:

1. Maintenance of the Facility and the Premises shall be the responsibility of Cando except as provided otherwise in this Agreement. The County shall provide snow removal following notification by Cando. Cando shall be otherwise responsible for routine cleaning maintenance (i.e., removal of obstructions, dust control, and spill clean-up) to insure a safe ingress and egress for the public. Cando shall maintain the integrity of all structural improvements as deemed necessary by a competent engineer, including periodic structural repairs to concrete Z-walls. Cando will also ensure the satisfactory inspections of truck scales and other improvements necessary to the operation of the facility and regulated by Washington State Registrations and Licenses Department.

Further, by mutual agreement as to any cost sharing by the parties, the County shall be responsible for installation and maintenance of any future water line, utilities, or perimeter fence, as required.

2. Cando covenants not to commit waste nor permit anyone else to commit waste on the Premises during the term of the contract and to keep the Premises in a neat and orderly condition, provided that this shall not prevent Cando from engaging in the open burning, by mutual agreement, of certain waste materials in compliance with applicable laws, rules and regulations, nor any other conduct or activity reasonably related to the ordinary operation of the Facility.

3. Cando further agrees that the gates and facilities will be secured in the absence of an attendant. In accordance with this Agreement, Cando agrees to maintain, in good condition, the structures and the concrete retaining walls utilized at the Facility.

I. County's Right-of-Entry:

The County retains the right and Cando shall not interfere with the exercise of the right of the County and its agents and employees to enter into and upon the Property at reasonable times for the purposes of inspecting the same and for all other lawful purposes, including operation of the portion of the landfill site on the Property and for the purpose of disposing of debris and other Solid Waste materials if it is determined to be in the best interest of the County and necessary for the preservation of public health and safety by the Health Officer and/or Director of the Whatcom County Health Department.

J. Notices:

All notices, demands, or other writing in this Agreement provided to be given, or sent, or which may be given, made, or sent, by either party hereto to the other, shall be deemed to have been fully given, made, or sent when mailed to the following address and party:

COUNTY      Whatcom County Health Department  
509 Girard Street  
Bellingham, WA 98225

CANDO Freedom 2000, dba Cando Recycling and Disposal  
PO Box 865  
Point Roberts, WA 98281

K. Utilities:

All costs and charges for utility services provided to the Premises during the term of this Agreement shall be paid by Cando. Real property taxes, if any, shall be the responsibility of the County.

L. Liens:

Cando shall keep the Premises free from any liens arising out of any work performed, materials furnished, or obligations incurred by Cando. In the event that Cando becomes insolvent, or voluntarily or involuntarily bankrupt, or if a receiver, assignee or other liquidating officer is appointed for the business of Cando, then the County may cancel this Agreement at the County's option.

M. Sublease and Assignment:

Cando agrees not to let or sublet the whole or any part of its limited interest hereunder in the Premises or assign this Agreement or any interest therein without the written consent of the County.

N. Right of Cando to Make Improvements:

Cando may improve or alter the Premises for purposes consistent with fulfillment of its obligations under this Agreement, with prior written consent of the County. Cando shall, before making any improvements or alterations, submit plans and designs to the County for approval. Cando agrees to maintain the existing facilities in good condition at all times, including but not limited to fenced storage area, scale house, structures, and other improvements which exist on the Premises as of the date of this Agreement, Cando shall have the right to remove, alter, or improve any structure or improvement which may be placed upon the Premises by Cando during the term of this Agreement. Cando may remove any improvements that it may install upon the Premises during the period of this Agreement or within 30 days of the termination of this Agreement. If removal of such improvements occurs after the termination of the Agreement, Cando shall conduct such removal only at times and in a manner with which the County concurs, which shall minimize interference with any ongoing operations upon the Premises to which the County has granted its permission. The County shall not unreasonably withhold its concurrence. If such improvements are not removed within the above-stated time period, or a mutually agreed written extension thereof, they shall become the property of the County.

The parties agree to negotiate with each other in good faith and if the County offers to purchase some or all of the improvements that Cando has installed and/or placed upon the Premises, in the event this lease is terminated during its term or is not extended. If the parties are able to agree upon the sale and purchase of any or all of the improvements, the price for such improvements shall be the fair market value thereof, which shall be established by agreement of the parties, or in case the parties are not able to agree upon that value, by a commercial appraiser agreed upon by the parties, or such appraiser as agreed upon by two persons, each party choosing one such person. The

parties agree that the 30-day period for the removal of improvements following the termination or expiration of this Agreement as set forth above shall be tolled during any negotiations contemplated in this paragraph.

O. Reduction or Termination of Service:

If there is a reduction in the volume or waste so that, in Cando's reasonable determination, it is no longer feasible to operate the Facility, Cando may terminate the Agreement upon 30 days written notice to the County.

The County may terminate the lease prior to the end of the lease term for reasons of public necessity, which it must determine in good faith, including but not limited to the following: 1) failure of Cando to abide by the terms of this Agreement, if, after the County has given written notice to Cando of such failure, Cando fails to cure promptly, which shall in any event be no longer than 30 days; 2) sale of Cando to a person or party who does not possess or maintain WUTC certification for the collection of garbage and recyclables in Point Roberts, so long as the County's adopted plans and/or ordinances require certification; 3) failure of Cando to provide regular curbside garbage and/or recycling services, so long as the County's adopted plans and/or ordinances require this service; 4) Cando's failure to maintain its WUTC certification or upon the WUTC's termination or withdrawal of Cando's certificate following 30 days' notice from the County and an opportunity to cure.

P. Indemnification and Hold Harmless:

1. Cando agrees and covenants to indemnify, defend, and save harmless the County and those persons who were, now are, or shall be duly elected or appointed officials or employees or contractors thereof, against and from any loss, damage, costs, charge, expense, liability, claims, demand or judgements, of whatsoever kind or nature, whether to persons or property, arising wholly or partially out of any act, action, neglect, omission or default on the part of Cando, its subcontractors and/or employees, except to the extent such injury or damage shall have been caused by or resulted from the negligence of the County or duly elected or appointed officials or employees or contractors. In case any suit or cause shall be brought against the County on account of any act, action neglect, omission, or default on the part of Cando, its agents, subcontractors, and/or employees, Cando hereby agrees and covenants to assume the defense thereof and to pay any and all costs, charges, attorney fees and other expenses and any and all judgments that may be incurred or obtained against the county, but only to the extent that such costs, charges, fees, expenses, and judgements are attributable to the negligence of Cando or its agents.

The County agrees and covenants to indemnify, defend, and save harmless Cando and its officers and directors, against and from any loss, damage, costs, charge, expense, liability, claims, demand or judgements, of whatsoever kind or nature, whether to persons or property, arising wholly or partially out of any act, action, neglect, omission, or default on the part of the County, its subcontractors and/or employees, except to the extent such injury or damage shall have been caused by or resulted from the negligence of Cando. In case any suit or cause shall be brought against Cando on account of any act, action, neglect, omission, or default on the part of the County, its duly elected or appointed officials or employees or contractors, the County hereby agrees and covenants to assume the defense thereof and to pay any and all costs, charges, attorney fees, and other expenses and any and all judgements that may be incurred or obtained against Cando, but only to the extent that such costs, charges, fees, expenses, and judgements are attributable to the negligence of the County or its duly elected or appointed officials or employees or contractors.

3. The County shall indemnify and hold Cando, its officers, directors and shareholders, employees, agents, and subcontractors free and harmless from liability from claims, demands, losses, or expenses, including attorney's fees and costs, with respect to claims by third parties for personal injury, property damage, or other loss to the extent such arises out of the County's past or current operation, closure or post-closure of the Facility, including but not limited to liability or claims arising out of pollution, contamination, or release of chemicals or landfill gas except to the extent such claims arise out of any negligent or intentional actions or omissions of Cando, its agents, employees, officers, or directors.

4. In the event of any suit against any party indemnified under this Agreement, the indemnifying party shall appear and defend such suit provided that the indemnifying party is notified in a timely manner of the suit. The indemnified party shall have the right to approve counsel chosen by the indemnifying party to litigate such suit which approval shall not be unreasonably withheld.

Q. Insurance:

1. Cando shall maintain in effect throughout the term of this Agreement, or any renewal thereof, commercial general liability insurance covering the Premises and its appurtenances in the amount of \$1,000,000 for injury or death of any one person and \$1,000,000 for injury or death of any number of persons in one occurrence, and property damage liability insurance in the amount of \$1,000,000.

2. Cando shall file proof of such insurance with the County prior to the effective date of this Agreement.

R. Laws and Regulations:

1. Cando agrees to conform to and abide by all lawful rules, codes, laws and regulations in connection with the use of the Premises and the construction of improvements and operation of Cando's business thereon and not to permit said Premises to be used in violation of any lawful rule, code, law, regulation, or other authority. Further, Cando shall obtain all necessary permits and licenses for the use and occupancy of the Premises.

S. Mediation:

Notice of any demand for mediation shall be filed in writing with the other party to this Agreement. Demand for mediation shall be made within a reasonable time, and only after a written claim identifying the subject matter of the dispute based upon this Agreement between the parties. The mediation shall be conducted by a neutral mediator agreed upon by both parties.

T. Force Majeure:

Neither Cando nor the County will be liable for failure to perform its part of the Agreement when the failure is due to Force Majeure. However, in any case, the party claiming the benefit of this provision shall use due diligence to remove any such causes and to resume performance under the Agreement as soon as is feasible.

U. Interpretation and Venue:

This Agreement shall be at all times interpreted under and in accordance with the laws of the State of Washington, and, subject to RCW 36.01.050, venue and jurisdiction of any suit brought to enforce any of the terms shall be in the duly-established courts located within Whatcom County, Washington.

V. Integration and Modification:

This written lease Agreement, including any addenda hereto, represents the full and complete Agreement of the parties hereto, and the parties agree that there are no other understandings, oral or otherwise, regarding the subject matter of this lease Agreement. No change or addition to it shall be valid or binding upon either party unless such change or addition be in writing, and executed by both parties.

W. Waiver:

Waiver by Lessor of any default in performance by lessee of any of the terms, covenants, or conditions contained herein, shall not be deemed a continuing waiver of that default or any subsequent default.

X. Severability:

It is understood and agreed by the parties hereto that if any part of this lease Agreement is determined to be illegal, the validity of the remaining portions shall not be affected and the rights and obligations of the parties shall be construed as if the lease Agreement did not contain the particular illegal part.

THIS AGREEMENT is entered into as of the day and year first written above.
