EXHIBIT "A" – Amendment #6
(SCOPE OF WORK)

I. Background

The 2021 Whatcom County Point In Time Count confirmed that unsheltered homelessness continues to be detrimental to the wellbeing of families with children in Whatcom County. The Whatcom Homeless Service Center's monthly housing pool reports have shown that the number of families waiting for permanent housing placements, including families living in cars and other places not meant for human habitation, has grown in recent years. Homelessness is a traumatic experience that is associated with a wide range of negative health outcomes; however, there are very few resources in our community dedicated to families who are experiencing homelessness together. This contract provides year-round funding for four motel rooms and additional funding for as-needed motel rooms to be used as emergency housing for families experiencing unsheltered homelessness and also funds supportive services to help those families exit their motel rooms into permanent housing. The shelter provided to these families, as well as the case management services, will allow them to avoid the dangerous conditions of unsheltered homelessness and give them opportunities to connect with services that improve their odds of achieving long term housing stability.

II. Statement of Work

Lydia Place will utilize funding in this contract to make four motel rooms available throughout the year, and more rooms on an as-needed basis to local families with children who are experiencing unsheltered homelessness. The anticipated number of families to be served annually is 80 households. While the families are staying in the motel rooms, they will benefit from supportive services from Lydia Place staff who will help the families identify and overcome their barriers to stable housing.

Lydia Place staff will connect clients to case managers within 48 hours of their referral from Whatcom County's coordinated entry homelessness response system. Weekly meetings between families and Lydia Place staff will outline goals and objectives that are important to the client. The program will strive to find permanent housing within 45 days, although some families will require more time to locate appropriate housing and resolve challenges to housing placement.

III. Program Requirements

- A. Client referrals will be issued by the Whatcom Homeless Service Center's coordinated entry homelessness response system. All services will be provided in compliance with:
