INTERAGENCY AGREEMENT

BETWEEN THE

Washington Traffic Safety Commission

AND

Whatcom County Sheriff's Office

THIS AGREEMENT is made and entered into by and between the Washington Traffic Safety Commission, hereinafter referred to as "WTSC," and Whatcom County Sheriff's Office, hereinafter referred to as "SUB-RECIPIENT."

NOW THEREFORE, in consideration of the terms, conditions, covenants, and performance contained herein, or attached and incorporated and made a part hereof, the Parties mutually agree as follows:

1. PURPOSE OF THE AGREEMENT

The purpose of this Agreement is to provide funding, provided by the United States Department of Transportation (USDOT) National Highway Traffic Safety Administration (NHTSA) and allowed under the Assistance Listings Catalog of Federal Domestic Assistance (CFDA) number 20.616, for traffic safety grant project **2022-AG-4305-Bellingham Protecting Mobility for All**, specifically to provide funding for the law enforcement agencies in **WTSC Region 11** to conduct overtime high-visibility enforcement (HVE) traffic safety emphasis patrols as outlined in the Statement of Work (SOW), in support of Target Zero priorities. The Target Zero Manager (TQM) and/or the Law Enforcement Liaison (LEL) shall coordinate the SOW with the SUB-RECIPIENT with the goal of reducing traffic crashes.

Grant **2022-AG-4305-Bellingham Protecting Mobility for All** was awarded to **Region 11** to conduct education and HVE activities. By signing this agreement, the SUB-RECIPIENT is able to seek reimbursement for approved overtime expenses incurred as a participant in the region's grant.

2. PERIOD OF PERFORMANCE

The period of performance of this Agreement shall commence upon the date of execution by both Parties, but not earlier than October 1, 2021, and remain in effect until September 30, 2022 unless terminated sooner, as provided herein.

3. STATEMENT OF WORK

SCOPE OF WORK:

WHATCOM COUNTY
CONTRACT NO.
202111032

Problem ID and Opportunity

Between 2016-2020, there were four walkers killed and 32 others seriously injured on Bellingham's roadways. During that same time, there were three bicycle riders killed (all in the past two years) as well as 20 bicycle riders seriously injured on Bellingham's streets. That works out to be one fatality or serious injury for a walker or roller in Bellingham every month for the past five years. Proactive policing and community engagement is needed in priority areas to reduce risk of collisions involving school children and other people walking and rolling.

Goals

Positively change walker, roller, and motor vehicle driver behaviors through law enforcement patrols and media efforts.

Reduce the incidence of crashes involving pedestrians and bicyclists through a mix of communication and enforcement.

Increase the number of police officers trained to understand and enforce current state laws designed to protect vulnerable roadway users including walkers and rollers.

Increase the compliance of all Bellingham road users with rules and best practices that increase safety for vulnerable road users like walkers and rollers through positive community engagement that focuses on increasing key beliefs and knowledge about the issues.

Strategies

Law enforcement officers will gain skills to identify and focus on populations and locations with a higher proportion of walkers and rollers including school zones.

Use current best practices for community engagement (focus on positive messaging for drivers, walkers, and rollers) in priority locations.

The project team will use positive community norming messages to gain support and behavior change.

This project will narrow that focus further by concentrating on protecting walkers and rollers in areas where schools have a free and reduced lunch rate higher than 45 percent, major walking and biking routes, low-income housing and neighborhoods, and areas of the city where languages other than English are spoken.

This project will leverage the success of Bellingham's Travel With Care public safety campaign, by including public safety announcements and videos by local police officers and profiles of community members who walk and roll in Bellingham on a mix of paid and public media.

Objectives

The Project Team includes (but not limited to) members of the Region 11 Target Zero Task Force including Bellingham PD and Whatcom County Sheriff's Office. The Project Team will deliver the Objectives listed in this SOW.

Enforcement Objectives

Engage multiple law enforcement agencies in the design and development of an enforcement plan, community outreach, and education activities for the project period.

Deliver training to all uniformed staff by July 1, 2022. This training time will be tracked by the Bellingham PD Training Division. This time will be documented and will apply to the mandatory training time as required by the WA State Criminal Justice Training Commission.

Law enforcement officers from agencies including Bellingham PD and Whatcom County Sheriff's Office will conduct proactive traffic safety emphasis patrols in identified problem locations.

Sub-recipient will collaborate with Public Works transportation planners to identify collision locations involving people walking and rolling. They will specifically look for common risk factors and safety countermeasures – including temporary or permanent infrastructure - to reduce collision risk.

Other Considerations, Exceptions, And Notes Regarding HVE Patrols

Maximizing contacts: Participating law enforcement officers should make as many contacts as they can during these patrols to positively influence driving behavior.

Process Measures

Number of enforcement patrols completed during the project period.

Activity logs and enforcement data of participating officers during enforcement patrols.

Observational studies of walker, roller, and driver behaviors at intersections before and after enforcement patrols.

Pre and post training surveys of participating law enforcement officers to determine understanding of current state laws, local crash data, and other issues related to walkers, rollers, and all vulnerable road users.

Reach and frequency results of media outreach and public awareness campaigns.

Number of times video aired on BTV.

Number of project stories aired by local radio stations.

Short Term Outcomes (Skills, knowledge, beliefs)

Increased number of drivers with knowledge of bike and pedestrian laws.

Increased number of police officers trained to understand and enforce current state laws designed to protect vulnerable roadway users.

Increased awareness by drivers and walker/rollers at intersections where enforcement events are focused as measured by observational studies.

Increased awareness and positive community norming by drivers towards walkers and rollers to include yielding to walkers and rollers in the intersections.

Increased public awareness of safety issues faced by walkers and rollers and other vulnerable roadway users.

Increased number of drivers with knowledge of school zone laws.

Increased number of drivers who comply with speed limits in school zones.

Walkers and rollers demonstrate best safety practices on all roadways.

School age children demonstrate safe walking and biking knowledge and skills.

Intermediate Outcomes (Behaviors)

Increased compliance of safety issues faced by walkers and rollers and other vulnerable roadway users.

Increased compliance of state laws designed to protect walkers and rollers and other vulnerable road users.

Increased number of drivers who park safely and legally when dropping off or picking up their children from school.

Increased number of students who practice safe walking and biking.

Increased number of drivers yielding to pedestrians in crosswalks.

Increased number of pedestrians using marked crosswalks when available.

Decreased number of pedestrians crossing mid-block and not in crosswalks.

Decreased number of rollers on the sidewalks in the downtown district.

Reduced number of complaints associated with rollers on the sidewalks.

Increased compliance with safe and legal speeds in school zones.

Long Term Outcomes (Crash involvement)

Decreased number of crashes that include both motor vehicles and vulnerable road users (walkers and rollers).

Projected Safety Impacts

Reduced number of crashes where both a motor vehicle and vulnerable road user (walkers and rollers) is involved.

3.2. COMPENSATION

3.2.1. Compensation for the overtime work provided in accordance with this Agreement has been established under the terms of RCW 39.34. The cost of accomplishing the work described in the SOW will not exceed dollar total from amounts listed below. Payment for satisfactory performance of the overtime work shall not exceed this amount unless the WTSC and SUB-RECIPIENT mutually agree to a higher amount in a written Amendment to this Agreement executed by both the WTSC and SUB-RECIPIENT. Comp-time is not considered overtime and will not be approved for payment. All law enforcement agencies who are active members of the traffic safety task force with a fully executed grant agreement are eligible to participate in this grant.

3.2.2. WTSC will reimburse for personnel overtime expenses at 150 percent of the officer's normal salary rate plus SUB-RECIPIENT's contributions to employee benefits, limited to the following:

- FICA
- Medicare
- Any portion of L & I that is paid by the employer (SUB-RECIPIENT)
- Retirement contributions paid by the employer (SUB-RECIPIENT) can be included if the contribution is based on a percentage of their hours worked

Health insurance, or any other benefits not listed above, are not eligible for reimbursement.

The SUB-RECIPIENT will provide law enforcement officers with appropriate equipment (e.g., vehicles, radars, portable breath testers, etc.) to participate in the emphasis patrols.

3.2.3. Funding alterations are permitted as follows: Upon agreement by the regional TZM and all other parties impacted by a proposed budget alteration, the allocation amounts may be increased or decreased

without amending this agreement. HVE grant funds should be managed collaboratively by the SUB-RECIPIENT and the TZM.

These alterations must be requested through email communication among all involved parties, including the TZM, and the WTSC Fiscal Analyst. This communication shall include an HVE Allocation Adjustment form, which details the funding alterations.

Funds within the same HVE campaign budget category only, can be increased and decreased across parties, so long as the modified total does not exceed the regional total allocation per funding category.

3.2.4. These funds, designated for salaries and benefits, are intended to pay for the hourly overtime costs and proportional amounts of fringe benefits of commissioned staff pursuing the activities described in the statement of work. These funds may not be used for any other purpose for example any work required to maintain a law enforcement commission including recertification trainings like firearm qualification.

3.2.5. Dispatch: WTSC will reimburse communications officers/dispatch personnel for work on this project providing SUB-RECIPIENT has received prior approval from their region's TZM. This activity must be overtime and only the expenses listed in section 3.2 and its subsections will be reimbursed.

3.2.6. Transport Officers: WTSC will reimburse transport officers for their work on this project providing SUB-RECIPIENT has received approval from their regions TZM. The TZM will work with the regional LEL to determine if need is warranted for the type of HVE activity. This activity must be overtime and only the expenses listed in section 3.2 and its subsections will be reimbursed.

3.2.7. The law enforcement agency involved will not schedule individual officer overtime shifts for longer than eight hours. WTSC understands there may be instances when more than eight hours are billed due to DUI processing or other reasons and an explanation should be provided on the WEMS Officer Activity Log.

3.2.8. The law enforcement agency involved will ensure that any reserve officer for whom reimbursement is claimed has exceeded his/her normal weekly working hours when participating in an emphasis patrol and is authorized to be paid at the amount requested. Reserve officers may only be paid at the normal hourly rate and not at the 150 percent overtime rate.

3.3. SUMMARY OF PROJECT COSTS

The WTSC has awarded \$36,000 to the **Region 11 Target Zero Task Force** for the purpose of conducting coordinated walker roller safety overtime HVE patrols. **The Region 11 Target Zero Task Force Coordinator** will distribute the funding allotment to the participating and eligible law enforcement agencies. By signing this agreement, the SUB-RECIPIENT is able to seek reimbursement for approved overtime expenses incurred as a participant in this grant.

APPLICABLE STATE AND FEDERAL TERMS AND CONDITIONS:

4. ACTIVITY REPORTS

The SUB-RECIPIENT agrees to have all personnel who work HVE patrols submit a WEMS Officer Activity Log within 24 hours of the end of all shifts worked. These same logs will be associated with invoices as detailed in the "BILLING PROCEDURE" section. Use of the Officer Activity Log in the WTSC's online grant management system, WEMS, is required. Supervisor review and accuracy certification will also be done in WEMS.

5. ADVANCE PAYMENTS PROHIBITED

No payments in advance of or in anticipation of goods or services to be provided under this Agreement shall be made by the WTSC.

6. AGREEMENT ALTERATIONS AND AMENDMENTS

This Agreement may be amended by mutual agreement of the Parties in the form of a written request to amend this Agreement. Such amendments shall only be binding if they are in writing and signed by personnel authorized to bind each of the Parties. Changes to the budget, SUB-RECIPIENT'S Primary Contact, and WTSC Program Manager can be made through email communication and signatures are not required.

The SUB-RECIPIENT shall provide the WTSC a copy of all third-party contracts and agreements entered into for purposes of fulfilling the SOW. Such third-party contracts and agreements must follow applicable federal, state, and local law, including but not limited to procurement law, rules, and procedures. If any of the funds provided under this Agreement include funds from NHTSA, such third-party contracts and agreements must include the federal provisions set forth in this Agreement in sections 34 through 42.

9. ATTORNEYS' FEES

In the event of litigation or other action brought to enforce the Agreement terms, each Party agrees to bear its own attorney fees and costs.

10. BILLING PROCEDURE

All invoices for reimbursement of HVE activities will be done using WTSC's Enterprise Management System (WEMS). WEMS Officer Activity logs will be attached to invoices, directly linking the cost of the activity to the invoice. Because the activity, approval, and invoicing are all done within WEMS, no back up documentation is required in most cases.

Once submitted by the SUB-RECIPIENT, invoices are routed to the regional TZM for review and approval. The TZM will submit all approved invoices to the WTSC via WEMS within 10 days of receipt.

Payment to the SUB-RECIPIENT for approved and completed work will be made by warrant or account transfer by WTSC within 30 days of receipt of such properly documented invoices acceptable to WTSC. Upon expiration of the Agreement, any claim for payment not already made shall be submitted within 45 days after the expiration date of this Agreement. All invoices for goods received or services performed on or prior to June 30, 2022, **must be received by WTSC no later than August 10, 2022**. All invoices for goods received or services performed between July 1, 2022 and September 30, 2022, **must be received by WTSC no later than November 15, 2022**.

11. CONFIDENTIALITY/SAFEGUARDING OF INFORMATION

12. COST PRINCIPLES

Costs incurred under this Agreement shall adhere to provisions of 2 CFR Part 200 Subpart E.

13. COVENANT AGAINST CONTINGENT FEES

The SUB-RECIPIENT warrants that it has not paid, and agrees not to pay, any bonus, commission, brokerage, or contingent fee to solicit or secure this Agreement or to obtain approval of any application for federal financial assistance for this Agreement. The WTSC shall have the right, in the event of breach of this section by the SUB-RECIPIENT, to annul this Agreement without liability.

14. DISPUTES

14.1. Disputes arising in the performance of this Agreement, which are not resolved by agreement of the Parties, shall be decided in writing by the WTSC Deputy Director or designee. This decision shall be final and conclusive, unless within 10 days from the date of the SUB-RECIPIENT's receipt of WTSC's written decision, the SUB-RECIPIENT furnishes a written appeal to the WTSC Director. The SUB-RECIPIENT's appeal shall be decided in writing by the Director or designee within 30 days of receipt of the appeal by the Director. The decision shall be binding upon the SUB-RECIPIENT and the SUB-RECIPIENT shall abide by the decision.

14.2. Performance During Dispute. Unless otherwise directed by WTSC, the SUB-RECIPIENT shall continue performance under this Agreement while matters in dispute are being resolved.

17. INDEMNIFICATION

17.1. To the fullest extent permitted by law, the SUB-RECIPIENT shall indemnify and hold harmless the WTSC, its officers, employees, and agents, and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs of whatsoever kind ("claims") brought against WTSC arising out of or in connection with this Agreement and/or the SUB-RECIPIENT's performance or failure to perform any aspect of the Agreement. This indemnity provision applies to all claims against WTSC, its officers, employees, and agents arising out of, in connection with, or incident to the acts or omissions of the SUB-RECIPIENT, its officers, employees, agents, contractors, and subcontractors. Provided, however, that nothing herein shall require the SUB-RECIPIENT to indemnify and hold harmless or defend the WTSC, its agents, employees, or officers to the extent that claims are caused by the negligent acts or omissions of the WTSC, its officers, employees or agents; and provided further that if such claims result from the concurrent negligence of (a) the SUB-RECIPIENT, its officers, employees, agents, contractors, or subcontractors, and (b) the WTSC, its officers, employees, or agents, or involves those actions covered by RCW 4.24.115, the indemnity provisions provided herein shall be valid and enforceable only to the extent of the negligence of the SUB-RECIPIENT, its officers, employees, agents, contractors, or subcontractors.

17.2. The SUB-RECIPIENT waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend, and hold harmless the WTSC, its officers, employees, or agents.

17.3. The indemnification and hold harmless provision shall survive termination of this Agreement.

19. INSURANCE COVERAGE

19.2. If the SUB-RECIPIENT is not required to maintain insurance in accordance with Title 51 RCW, prior to the start of any performance of work under this Agreement, the SUB-RECIPIENT shall provide WTSC with proof of insurance coverage (e.g., vehicle liability insurance, private property liability insurance, or

commercial property liability insurance), as determined appropriate by WTSC, which protects the SUB-RECIPIENT and WTSC from risks associated with executing the SOW associated with this Agreement.

20. LICENSING, ACCREDITATION, AND REGISTRATION

The SUB-RECIPIENT shall comply with all applicable local, state, and federal licensing, accreditation, and registration requirements and standards necessary for the performance of this Agreement. The SUB-RECIPIENT shall complete registration with the Washington State Department of Revenue, if required, and be responsible for payment of all taxes due on payments made under this Agreement.

21. RECORDS MAINTENANCE

21.1. During the term of this Agreement and for six years thereafter, the SUB-RECIPIENT shall maintain books, records, documents, and other evidence that sufficiently and properly reflect all direct and indirect costs expended in the performance of the services described herein. These records shall be subject to inspection, review, or audit by authorized personnel of the WTSC, the Office of the State Auditor, and federal officials so authorized by law. All books, records, documents, and other material relevant to this Agreement will be retained for six years after expiration. The Office of the State Auditor, federal auditors, the WTSC, and any duly authorized representatives shall have full access and the right to examine any of these materials during this period.

21.2. Records and other documents, in any medium, furnished by one Party to this Agreement to the other Party, will remain the property of the furnishing Party, unless otherwise agreed. The receiving Party will not disclose or make available this material to any third Parties without first giving notice to the furnishing Party and giving them a reasonable opportunity to respond. Each Party will utilize reasonable security procedures and protections to assure that records and documents provided by the other Party are not erroneously disclosed to third Parties.

22. RIGHT OF INSPECTION

The SUB-RECIPIENT shall provide right of access to its facilities to the WTSC or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Agreement. The SUB-RECIPIENT shall make available information necessary for WTSC to comply with the right to access, amend, and receive an accounting of disclosures of their Personal Information according to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) or any regulations enacted or revised pursuant to the HIPAA provisions and applicable provisions of Washington State law. The SUB-RECIPIENT shall upon request make available to the WTSC and the United States Secretary of the Department of Health and Human Services all internal policies and procedures, books, and records relating to the safeguarding, use, and disclosure of Personal Information obtained or used as a result of this Agreement.

23. RIGHTS IN DATA

23.1. WTSC and SUB-RECIPIENT agree that all data and work products (collectively called "Work Product") pursuant to this Agreement shall be considered works made for hire under the U.S. Copyright Act, 17 USC §101 et seq., and shall be owned by the state of Washington. Work Product includes, but is not limited to, reports, documents, pamphlets, advertisement, books, magazines, surveys, studies, computer programs,

Ownership includes the right to copyright, register the copyright, distribute, prepare derivative works, publicly perform, publicly display, and the ability to otherwise use and transfer these rights.

23.2. If for any reason the Work Product would not be considered a work made for hire under applicable law, the SUB-RECIPIENT assigns and transfers to WTSC the entire right, title, and interest in and to all rights in the Work Product and any registrations and copyright applications relating thereto and any renewals and extensions thereof.

23.3. The SUB-RECIPIENT may publish, at its own expense, the results of project activities without prior review by the WTSC, provided that any publications (written, visual, or sound) contain acknowledgment of the support provided by NHTSA and the WTSC. Any discovery or invention derived from work performed under this project shall be referred to the WTSC, who will determine through NHTSA whether patent protections will be sought, how any rights will be administered, and other actions required to protect the public interest.

24. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to completion of the SOW under this Agreement, the WTSC may terminate the Agreement under the "TERMINATION FOR CONVENIENCE" clause, without the 30-day notice requirement. The Agreement is subject to renegotiation at the WTSC's discretion under any new funding limitations or conditions.

25. SEVERABILITY

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Agreement, and to this end the provisions of this Agreement are declared to be severable.

26. SITE SECURITY

While on WTSC premises, the SUB-RECIPIENT, its agents, employees, or sub-contractors shall conform in all respects with all WTSC physical, fire, or other security policies and applicable regulations.

27. TAXES

All payments of payroll taxes, unemployment contributions, any other taxes, insurance, or other such expenses for the SUB-RECIPIENT or its staff shall be the sole responsibility of the SUB-RECIPIENT.

28. TERMINATION FOR CAUSE

If the SUB-RECIPIENT does not fulfill in a timely and proper manner its obligations under this Agreement or violates any of these terms and conditions, the WTSC will give the SUB-RECIPIENT written notice of such failure or violation and may terminate this Agreement immediately. At the WTSC's discretion, the SUB-RECIPIENT may be given 15 days to correct the violation or failure. In the event that the SUB-RECIPIENT is

given the opportunity to correct the violation and the violation is not corrected within the 15-day period, this Agreement may be terminated at the end of that period by written notice of the WTSC.

29. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Agreement, either Party may terminate this Agreement, without cause or reason, with 30 days written notice to the other Party. If this Agreement is so terminated, the WTSC shall be liable only for payment required under the terms of this Agreement for services rendered or goods delivered prior to the effective date of termination.

30. TREATMENT OF ASSETS

30.1. Title to all property furnished by the WTSC shall remain property of the WTSC. Title to all property furnished by the SUB-RECIPIENT for the cost of which the SUB-RECIPIENT is entitled to be reimbursed as a direct item of cost under this Agreement shall pass to and vest in the WTSC upon delivery of such property by the SUB-RECIPIENT. Title to other property, the cost of which is reimbursable to the SUB-RECIPIENT under this Agreement, shall pass to and vest in the WTSC upon (i) issuance for use of such property in the performance of this Agreement, or (ii) commencement of use of such property in the performance of this Agreement, or (iii) reimbursement of the cost thereof by the WTSC in whole or in part, whichever first occurs.

30.2. Any property of the WTSC furnished to the SUB-RECIPIENT shall, unless otherwise provided herein or approved by the WTSC, be used only for the performance of this Agreement.

30.3. The SUB-RECIPIENT shall be responsible for any loss or damage to property of the WTSC which results from the negligence of the SUB-RECIPIENT or which results from the failure on the part of the SUB-RECIPIENT to maintain and administer that property in accordance with sound management practices.

30.4. If any WTSC property is lost, destroyed, or damaged, the SUB-RECIPIENT shall immediately notify the WTSC and shall take all reasonable steps to protect the property from further damage.

30.5. The SUB-RECIPIENT shall surrender to the WTSC all property of the WTSC upon completion, termination, or cancellation of this Agreement.

30.6. All reference to the SUB-RECIPIENT under this clause shall also include SUB-RECIPIENT's employees, agents, or sub-contractors.

31. WAIVER

A failure by either Party to exercise its rights under this Agreement shall not preclude that Party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement.

APPLICABLE CERTIFICATIONS AND ASSURANCES FOR HIGHWAY SAFETY GRANTS (23 CFR PART 1300 APPENDIX A):

32. BUY AMERICA ACT

The SUB-RECIPIENT will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using federal funds. Buy America requires the SUB-RECIPIENT to purchase only steel, iron, and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use federal funds to purchase foreign produced items, the WTSC must submit a waiver request that provides an adequate basis and justification, and which is approved by the Secretary of Transportation.

33. DEBARMENT AND SUSPENSION

Instructions for Lower Tier Certification

33.1. By signing this Agreement, the SUB-RECIPIENT (hereinafter in this section referred to as the “lower tier participant”) is providing the certification set out below and agrees to comply with the requirements of 2 CFR part 180 and 23 CFR part 1300.

33.2. The certification in this section is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

33.3. The lower tier participant shall provide immediate written notice to the WTSC if at any time the lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

33.4. The terms covered transaction, debarment, suspension, ineligible, lower tier, participant, person, primary tier, principal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Covered Transactions sections of 2 CFR part 180.

33.5. The lower tier participant agrees by signing this Agreement that it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by NHTSA.

33.6. The lower tier participant further agrees by signing this Agreement that it will include the clause titled “Instructions for Lower Tier Certification” including the “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions, and will require lower tier participants to comply with 2 CFR part 180 and 23 CFR part 1300.

33.7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4,

debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.

33.8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

33.9. Except for transactions authorized under paragraph 35.5. of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, the department or agency with which this transaction originated may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

33.10. The lower tier participant certifies, by signing this Agreement, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

33.11. Where the lower tier participant is unable to certify to any of the statements in this certification, such participant shall attach an explanation to this Agreement.

36. FEDERAL LOBBYING

36.1. The undersigned certifies, to the best of his or her knowledge and belief, that:

36.1.1. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

36.2. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the

required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

37. NONDISCRIMINATION (Title VI, 42 U.S.C. § 2000d et seq.)

37.1. During the performance of this Agreement, the SUB-RECIPIENT agrees:

37.1.1. To comply with all federal nondiscrimination laws and regulations, as may be amended from time to time.

37.1.2. Not to participate directly or indirectly in the discrimination prohibited by any federal non-discrimination law or regulation, as set forth in Appendix B of 49 CFR Part 21 and herein.

37.1.3. To permit access to its books, records, accounts, other sources of information, and its facilities as required by the WTSC, USDOT, or NHTSA.

37.1.4. That, in the event a contractor/funding recipient fails to comply with any nondiscrimination provisions in this contract/funding Agreement, the WTSC will have the right to impose such contract/agreement sanctions as it or NHTSA determine are appropriate, including but not limited to withholding payments to the contractor/funding recipient under the contract/agreement until the contractor/funding recipient complies, and/or cancelling, terminating, or suspending a contract or funding agreement, in whole or in part.

Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a state official whose salary is supported with NHTSA funds from engaging in direct communications with state or local legislative officials, in accordance with customary state practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.
