**Re:** Discussion regarding temporary closure of Gulf Road to Motorized Vehicular Traffic

---

On July 27, 2021, a discussion was held with the Whatcom County Council Public Works & Health Committee that presented a request from Pacific International Holdings to close a portion of Gulf Road to Motorized Vehicular Traffic. That request package is attached to this agenda item. The recording of that discussion is available in the Legislative Information Center.

At the Committee of the Whole meeting on February 22, 2022, during the discussion of AB2022-142, Public Works proposed to schedule a committee discussion to address concerns raised by Councilmember constituents.

Public Works requests that Councilmembers bring any concerns raised to this discussion session which will be attended by Public Works staff and the road closure stakeholder Pacific International Holdings.
