Pricing Plan for the NASPO ValuePoint Term Rental (Installment Purchase) Lease Terms and Conditions is as follows:

Pitney Bowes Global Financial Services LLC will serve as a sub-contractor under ADSPO16-169897 and will be the Lessor under this Term Rental (Installment Purchase) Lease Terms and Condition Agreement. PBGFS does not warrant, service or otherwise support the equipment. Those services are provided by Pitney Bowes Inc. (PBI). Due to federal regulations, only PBI can own a Meter. This Agreement cannot be used for Production Equipment Categories (Production Ink Jet Envelope Addressing System, Production Tabbers, Inserter Production, Production Folder-Inserter, Pre-Sorting Equipment) awarded under ADSPO16-00006328- to Pitney Bowes Inc.

Monthly Rate Factors:

<u>Term:</u>	<u>Lease Rate:</u>
36	.0326
48	.0257
60	.0216

Total Value of the Order multiplied by the applicable Monthly Rate Factor = (Monthly Equipment Lease Payment, plus applicable monthly Equipment rental, Meter Services, and value based service fees, plus the monthly cost of service maintenance for years 2 thru end of initial term, plus any applicable taxes multiplied by three (3) months = equals the Quarterly payment.

For further clarification a 36 month lease based on a \$10,000 equipment order the Quarterly payment would equal a \$326.00 monthly equipment lease payment multiplied by 3 months equaling a \$978 Quarterly lease payment. Applicable quarterly cost of service maintenance for years 2 thru end of initial term, quarterly Equipment rental, Meter Services, and value based services fees, plus any taxes, if applicable, would be added to the Quarterly payment.

You acknowledge that a portion of each Quarterly Payment you shall pay includes interest and that this Agreement is entered into based on the assumption that the interest portion of each Quarterly Payment is not includible in gross income of the owner thereof for Federal income tax purposes under Section 103(a) of the Code. You shall, at all times, do and perform all acts and things necessary and within your control in order to assure that such interest component shall be so excluded. If any interest is determined not to be excludible from gross income, your Quarterly Payment shall be adjusted in an amount sufficient to maintain our original after tax yield utilizing our consolidated marginal tax rate, which adjusted Quarterly Payments you agree to pay as provided in this Agreement, subject to Section L10. The rate at which the interest portion of Quarterly Payments is calculated is not intended to exceed the maximum rate or amount of interest permitted by applicable law. If such interest portion exceeds such maximum, then at our option, if permitted by law, the interest portion will be reduced to the legally permitted maximum amount of interest, and any excess will be used to reduce the principal amount of your obligation or be refunded to you. You shall not do (or cause to be done) any act which will cause, or by omission of any act allow, this Agreement to be an "arbitrage bond" within the meaning of Section 148(a) of the Code or a "private activity bond" within the meaning of Section 141(a) of the Code. At the time of your execution of this Agreement, you shall provide us with a properly prepared and executed copy of the appropriate US Treasury Form 8038-G or 8038-GC and you appoint us as your agent for the purpose of maintaining a registration system as required by Section 149(a) of the Code. You agree: (i) that PBI and its licensors own the copyrights and other intellectual property in and to the embedded software; (ii) that you do not acquire any right, title or interest in or to the embedded software; (iii) only to use the embedded software with our Equipment in which the embedded software resides; (iv) that you may not copy the embedded software; (v) that you may neither modify nor create derivative works of the embedded software (vi) that you may neither distribute nor disclose the embedded software (or

RE: Pitney Bowes Connect+ SendPro Mail System Lease Agreement

DATE: August 21, 2020

**WHATCOM COUNTY
EXECUTIVE'S OFFICE**

Enclosed for your consideration is a proposed agreement between Pitney Bowes and Whatcom County for the lease of a replacement mail system.

• **Background and Purpose**

Whatcom County Information Technology (IT) provides consolidated mail services for all departments. In 2019, IT processed 232,772 pieces of mail and applied \$142,250.94 in postage using the current Pitney Bowes Connect+ 3000 mail machine.

The current mail system has been in place for five years, is at the five-year standard equipment lifecycle and will no longer be supported by the manufacturer after 2020.

This five-year lease agreement replaces the current Pitney Bowes model Connect+ 3000 mail machine with a Pitney Bowes Connect+ SendPro mail system using NASPO ValuePoint Contract # ADSPO016-00006328 & the State of Washington Participating Addendum Contract #05516.

In order to reduce costs, we re-evaluated our needs and are able downgrade the speed from 310 to 270 pieces per minute and eliminate two features that should not impact our services:

- Differential Weighting for 70 lb. Scale
- Power Stacker Portrait Flats Kit.

• **Funding Amount and Source**

The amount of the agreement is \$10,177.45 a year for a total of \$50,887.25 over the five-year lease which is less than the last contract by \$624.11 per year for a total over five years of \$3,120.55. The source of funding is the base budget of IT cost center 507410.

Please contact Perry Rice at x5235 if you have any questions or concerns regarding the terms of this agreement.
