Re: **Ordinance for Installation of a Stop Sign within the Plat of Whisper Lake**

Requested Action

Public Works respectfully requests that the County Council adopt the proposed ordinance to install a stop sign on Eddie Lane at the intersection with SR-548/Blaine Rd.

Background and Purpose

The roads within the subdivision have been reviewed, inspected and accepted by the County Engineer's Office. To control the flow of traffic the development engineer has determined that a stop sign should be placed for eastbound traffic at the above intersection.

Information

This ordinance will allow for the installation of the stop sign and is necessary to comply with RCW 46.61.200 and RCW 47.36.110 to install traffic control signs.

Please contact Douglas Ranney II, P.E., Engineering Services Manager at extension 6255 with any questions regarding this ordinance.
