PUBLIC HEARING ITEMS CONSIDERED SEPARATELY

2. [AB2026-431](#) Ordinance amending Whatcom County Code Chapter 5.20, Fireworks, to strengthen fireworks regulations by limiting the days fireworks are allowed and prohibiting fireworks during burn bans

See notes about the hearing on this and **AB2026-475** under the combined public hearing header.

Scanlon moved to refer this item to Committee of the Whole for further discussion and study.

The motion was seconded by Boyle.

Scanlon spoke to his motion and stated he is interested in learning more from other communities that have had success in reducing the risk from fireworks on what is working and not working. He would also like to hear from the Lummi Nation and the Birch Bay Community Advisory Committee to see how to potentially get to something that is mutually agreeable.

Councilmembers discussed the motion, doing something different, other than banning the use of fireworks, to help encourage the public to do it safely, and that referring the ordinance to committee would mean that the soonest they could potentially affect change would be in July of 2028.

Scanlon's motion that the SUBSTITUTE Ordinance Requiring a Public Hearing be REFERRED TO COMMITTEE carried by the following vote:

Aye: 6 - Boyle, Buchanan, Elenbaas, Rienstra, Scanlon, and Stremmer

Nay: 0

Abstain: 1 - Galloway

Motion approved to refer to Committee of the Whole for further discussion and study.

3. [AB2026-475](#) Ordinance amending Whatcom County Code Chapter 5.20, Fireworks, to strengthen fireworks regulations by limiting the days fireworks are allowed and prohibiting fireworks during burn bans

See notes about the hearing on this and **AB2026-431** under the combined

public hearing header.

Scanlon moved and Boyle seconded to refer this item to Committee of the Whole for further discussion.

Scanlon stated current county code does allow for a ban. There is action that the executive could take in partnership with the fire marshal and sheriff if there is a burn ban in the county.

Satpal Sidhu, County Executive, spoke about consulting with the fire marshal and sheriff and stated they will do that if conditions demand it. He answered if he would be willing to work with the Council and their office about using some of our communication platforms to educate community members on some of the mitigative measures that could be taken to reduce risk, and he stated he would.

The Council concurred that they would be OK with Galloway working with the executive on something like that.

Scanlon's motion that the SUBSTITUTE Ordinance Requiring a Public Hearing be REFERRED TO COMMITTEE carried by the following vote:

Aye: 6 - Boyle, Buchanan, Elenbaas, Rienstra, Scanlon, and Stremmer
