A. Deed of Trust. This Grant Agreement shall be evidenced by a promissory note and secured by a deed of trust or other appropriate security instrument in favor of COMMERCE (the Deed of Trust). - D. Covenant. If the scope of work will be partially funded by a loan and the term of said loan is less than the term of the deed of trust, COMMERCE may require that GRANTEE record or cause to be recorded a covenant in a superior lien position ahead of the lender's security instrument that restricts use of the facility or property for the purpose(s) stated elsewhere in this Grant Agreement for at least the term of the deed of trust.
- E. Subordination. COMMERCE may agree to subordinate its Deed of Trust upon request from a private or public lender. Any such request shall be submitted to COMMERCE in writing, and COMMERCE shall respond to the request in writing within 30 calendar days of receiving the request.

- B. GRANTEE purchases of real property from a subsidiary organization, such as an affiliated LLC, shall be evidenced by a current appraisal prepared by a licensed Washington State commercial real estate appraiser or the prior purchase price of the property plus holding costs, whichever is less.

9. EXPENDITURES ELIGIBLE FOR REIMBURSEMENT

Payments to the GRANTEE shall be made on a reimbursement basis only. The GRANTEE may be reimbursed, at the rate set forth elsewhere in this Grant Agreement, for work associated with the scope of work. Unless authorized by the Washington State Legislature, only those Project costs incurred after the date of execution, may be reimbursed. Reimbursable costs are determined by the Scope of Work, Attachment A.

Generally, costs within the following cost categories are considered capital expenditures:

- A. Real property, and costs directly associated with such purchase.
- B. Design, engineering, architectural, and planning.
- C. Construction management and observation.
- D. Construction costs including, but not limited to, the following:
 - i. Site preparation and improvements.
 - ii. Permits and fees.
 - iii. Labor and materials.
 - iv. Taxes on goods and services.
 - v. Landscaping.

10. BILLING PROCEDURES AND PAYMENT

COMMERCE shall reimburse the GRANTEE for up to 100% of each invoice for eligible expenditures, up to the maximum payable under this Grant Agreement. When requesting reimbursement for expenditures made, the GRANTEE shall submit to COMMERCE a completed Invoice Voucher via the Commerce

Contract Management System.. The GRANTEE must submit all Invoice Vouchers and any required documentation electronically. Submissions shall be in accordance with directions provided by COMMERCE. Funds are reimbursement based and cannot be advanced under any circumstance. Disbursements of funds for invoices due and payable within 30 days are not considered advanced payments.

The GRANTEE shall evidence the costs claimed on each voucher by including copies of each invoice received from subgrantees/subcontractors providing goods or services covered by the Grant Agreement.

The GRANTEE shall also provide COMMERCE with a copy of the cancelled check or electronic funds transfer, as applicable, that confirms that they have paid each expenditure being claimed at the time the voucher is submitted or within 30 calendar days of Commerce's disbursement of payment. The cancelled checks or electronic funds transfers may be submitted to COMMERCE at the time the voucher is initially submitted or within 30 calendar days thereafter.

The voucher must be certified by an official of the GRANTEE with authority to bind the GRANTEE. The voucher shall be submitted to COMMERCE within 60 calendar days following the completion of work or other termination of this Grant Agreement.

If GRANTEE has or will be submitting any of the invoices attached to a request for payment for partial reimbursement under another contract or grant agreement, GRANTEE must clearly identify such contracts or grant agreements in the transmittal letter and request for payment.

COMMERCE will pay GRANTEE upon receipt and approval of properly completed invoices and supporting documentation, which shall be submitted to COMMERCE not more often than monthly. After approving the Invoice Voucher, COMMERCE shall promptly remit a warrant to the GRANTEE. Payment shall be considered timely if made by COMMERCE within 30 calendar days after receipt of properly completed invoices. Payment shall be sent by electronic funds transfer or to the address designated by the GRANTEE.

Notwithstanding the foregoing, COMMERCE may, in its sole discretion, holdback up to the final 10% of grant funds until the scope of work is complete and there is a Certificate of Occupancy from the appropriate local permitting entity, or for projects without occupiable space, when comparable evidence of substantial completion is submitted by GRANTEE.

11. PROGRAM INCOME

Under 24 CFR 570.489(e), program income is any income generated from the use of CDBG program funds that totals at least \$35,000 in a calendar year. All program income is subject to CDBG regulations. When income is generated by an activity that is only partially assisted with CDBG-DR funds, the income shall be prorated to reflect the percentage of CDBG-DR funds used (e.g., a single loan supported by CDBG-DR funds and other funds, or a single parcel of land purchased with CDBG-DR funds and other funds). If CDBG funds are used with CDBG-DR funds on an activity, any income earned on the CDBG portion would not be subject to the waiver and alternative requirement in the Consolidated Notice.

Grantees must use all program income received during an open CDBG grant prior to drawing remaining CDBG grant funds. Grantees can use their program income for CDBG eligible activities if the Grantee has an approved Program Income Reuse Plan.

12. ACQUISITION AND DISPOSITION OF ASSETS

The Grantee will account for any tangible personal property acquired or improved with this Grant Agreement.

The use and disposition of real property and equipment under this Grant Agreement will be in compliance with the requirements of all applicable federal laws and regulations, including, but not limited to, 24 CFR Part 84 and 24 CFR Part 570.489, 570.502, 570.503, 570.504, and 570.505 as applicable.

Disposition of real property acquired with this Grant Agreement within 10 years of closeout of the Grant Agreement shall be treated as CDBG Program Income.

In cases in which equipment acquired in whole or in part with funds under this Grant Agreement is sold, the proceeds will be CDBG Program Income.

13. RECORD KEEPING AND ACCESS TO RECORDS

The GRANTEE shall establish and maintain records sufficient to enable COMMERCE to (1) determine whether the GRANTEE and its lower-tier recipients, contractors, and consultants complied with this Grant Agreement, applicable federal statutes and regulations, and the terms and conditions of COMMERCE's federal award and (2) satisfy recordkeeping requirements applicable to COMMERCE.

Such records may include: Records providing a full description of each activity undertaken; Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG-DR program; Records required to determine the eligibility of activities; Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG assistance; Records documenting compliance with the fair housing and equal opportunity requirements of the CDBG program regulations; Financial records as required by 24 CFR 570.502, and 2 CFR part 200, including records necessary to demonstrate compliance with all applicable procurement requirements; and Other records necessary to document compliance with this Grant Agreement, any other applicable federal statutes and regulations, and the terms and conditions of COMMERCE's federal award.

The GRANTEE shall give the United States Department of Housing and Urban Development, the Inspector General and COMMERCE, or any of their duly authorized representatives, access to and the right to examine all books, accounts, records, reports, files, and other papers, things, or property belonging to or in use by the GRANTEE pertaining to this Grant Agreement. Such rights to access shall continue as long as the records are retained by the GRANTEE. The GRANTEE agrees to maintain such records in an accessible location and to provide citizens reasonable access to such records consistent with state laws governing open records, freedom of information or similar.

The GRANTEE shall include the substance of this Section in all subgrants/subcontracts.

Prior to close out of this Grant Agreement, the GRANTEE must transmit to COMMERCE records sufficient for COMMERCE to demonstrate that all costs under this Grant Agreement met the requirements of the federal award.

The Grantee shall retain financial records, supporting documents, statistical records, and all other GRANTEE records pertinent to this Grant Agreement and Subrecipient's subaward for the longer of 6 years after the expiration or termination of this Grant Agreement, or 6 years after the submission of COMMERCE's annual performance and evaluation report, as prescribed in § 91.520 of this title or in the applicable Federal Register notices governing the use of the funds, in which the specific activity is reported on for the final time.

The preceding requirement is, however, subject to the following exceptions:

Records for activities subject to the reversion of assets provisions at 24 CFR § 570.503(b)(7) or change of use provisions at 24 CFR § 570.505 must be maintained for as long as those provisions continue to apply to the activity; otherwise, records for real property and equipment acquired under this Grant Agreement must be retained for 6 years after final disposition.

Records for individual activities for which there are outstanding loan balances, other receivables, or contingent liabilities must be retained until such receivables or liabilities have been satisfied.

If any litigation, claim, or audit is started before the expiration of the 6-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

When the GRANTEE is notified to do so in writing by HUD, the cognizant agency for audit as defined in 2 CFR 200.18, the oversight agency for audit as defined in 2 CFR 200.73, the cognizant agency for indirect costs as defined in 2 CFR 200.19, or COMMERCE, the GRANTEE shall extend the retention period consistent with the notification.

When records are transferred to or maintained by HUD or COMMERCE, the 6-year retention requirement is not applicable to the GRANTEE.

The retention period for the records pertaining to the earning of the program income (as defined in this Grant Agreement) starts from the end of the GRANTEE's fiscal year in which the program income is earned.

For indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates), and their supporting records:

- If submitted for negotiation - If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to COMMERCE) to form the basis for negotiation of the rate, then the 6-year retention period for its supporting records starts from the date of such submission.
- If not submitted for negotiation - If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to COMMERCE) for negotiation purposes, then the 6-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

Notwithstanding the term of this Grant Agreement, all records the GRANTEE is required to maintain, including supporting documentation, shall be retained for the greater of 6 years from closeout of the federal award to COMMERCE, or the period required by other applicable laws and regulations as described in 24 CFR § 570.487 and 24 CFR § 570.488.

14. SUBGRANTEE/SUBCONTRACTOR DATA COLLECTION

GRANTEE will submit reports, in a form and format to be provided by COMMERCE and at intervals as agreed by the parties, regarding work under this Grant Agreement performed by subgrantees/subcontractors and the portion of grant funds expended for work performed by subgrantees/subcontractors, including, but not necessarily limited to, minority-owned, woman-owned, and veteran-owned business subgrantees/subcontractors. "Subgrantees/subcontractors" shall mean subgrantees of any tier.

15. INSURANCE

A. Insurance Requirements for Reimbursable Activities

The GRANTEE must have insurance coverage that is substantially similar to the coverage described in Section 15B below for all periods in which GRANTEE performed work for which it will seek reimbursement. The intent of the required insurance is to protect the State of Washington should there be any Claims, suits, actions, costs, damages or expenses arising from any loss or negligent or intentional act or omission of the GRANTEE or subgrantee/subcontractor, or agents of either, while performing under the terms of this Grant Agreement.

B. Additional Insurance Requirements During the Term of the Grant Agreement

- i. The GRANTEE shall provide proof to COMMERCE of insurance coverage that shall be maintained in full force and effect, as indicated below, and shall submit renewal certificates not less than 30 calendar days prior to expiration of each policy required under this Section:

Additionally, the GRANTEE is responsible for ensuring that any subgrantee/subcontractor provide adequate insurance coverage for the activities arising out of or related to subgrants/subcontracts (if any). Commercial General Liability Insurance

coverage shall be maintained in full force and effect during the term of this Grant Agreement and throughout the term of the deed of trust, if applicable.

- b. **Property Insurance.** The GRANTEE shall keep the property insured in an amount sufficient to permit such insurance to be written at all times on a replacement cost basis. Such insurance shall cover the following hazards, as applicable:

1. Loss or damage by fire and such other risks;
2. Loss or damage from leakage or sprinkler systems now or hereafter installed in any building on the premises;

GRANTEE may also be required to repay grant funds pursuant to Section 29 (Recapture) of the General Terms & Conditions if the Grant Agreement is terminated based on a violation of the nondiscrimination requirement. COMMERCE shall have the right to deduct from any monies due to GRANTEE or subgrantee/subcontractor, or that thereafter become due, an amount for damages GRANTEE or subgrantee/subcontractor will owe COMMERCE for default under this provision.

- A. Employees are “similarly employed” if the individuals work for the same employer, the performance of the job requires comparable skill, effort, and responsibility, and the jobs are performed under similar working conditions. Job titles alone are not determinative of whether employees are similarly employed;
- B. GRANTEE may allow differentials in compensation for its workers if the differentials are based in good faith and on any of the following:
- i. A seniority system; a merit system; a system that measures earnings by quantity or quality of production; a bona fide job-related factor or factors; or a bona fide regional difference in compensation levels.

32. RECAPTURE

In the event that the GRANTEE fails to perform this Grant Agreement in accordance with state laws, federal laws, and/or the provisions of this Grant Agreement, COMMERCE reserves the right to recapture funds in an amount to compensate COMMERCE for the noncompliance (which may include all funds disbursed under the Grant Agreement, along with interest at the rate of the higher of: (i) five percent (5%) per annum,

COMMERCE's ability to recapture or seek remedies shall survive any receipt of a Closeout Certification Form or termination of this Grant Agreement.

Repayment by the GRANTEE of funds under this Section shall occur within the time period specified by COMMERCE. In the alternative, COMMERCE may recapture such funds from payments due under this Grant Agreement.

33. RECORDS MAINTENANCE

The GRANTEE shall maintain books, records, documents, data and other evidence relating to this Grant Agreement and performance of the services described herein, including, but not limited to, accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Grant Agreement.

The GRANTEE shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Grant Agreement, shall be subject at all reasonable times to inspection, review or audit by COMMERCE, personnel duly authorized by COMMERCE, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the 6-year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

34. REGISTRATION WITH DEPARTMENT OF REVENUE AND SECRETARY OF STATE

If required by law, the GRANTEE shall complete registration with the Washington State Department of Revenue. Nonprofit and for-profit businesses must also be registered with the Washington Secretary of State and current with all required filings.

In lieu of termination, the Grant Agreement may be amended to reflect the new funding limitations and conditions.

37. SEVERABILITY

The provisions of this Grant Agreement are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Grant Agreement.

38. SITE SECURITY

While on COMMERCE premises, GRANTEE, its agents, employees, or subgrantees/subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

39. SUBGRANTING/SUBCONTRACTING

- A. GRANTEE must execute binding agreements with all subgrantees/subcontractors that will perform work under this Grant Agreement.
- B. GRANTEE must ensure that any and all subgrantees/subcontractors that perform work related to this Project are duly authorized and licensed in Washington State to perform the work contemplated by this Grant Agreement.
- C. Neither the GRANTEE nor any subgrantee/subcontractor shall enter into subgrants/subcontracts for any of the work associated with the Project contemplated under this Grant Agreement without obtaining prior written approval of COMMERCE. In no event shall the existence of the subgrant/subcontract operate to release or reduce the liability of the GRANTEE to COMMERCE for any breach in the performance of the GRANTEE's duties. This clause does not include grants of employment between the GRANTEE and personnel assigned to perform work associated with the Project under this Grant Agreement.
- D. Additionally, the GRANTEE is responsible for ensuring that all terms, conditions, assurances, and certifications set forth in this Grant Agreement are carried forward to any subgrants/subcontracts. Every subgrant/subcontract shall include a term that COMMERCE and the State of Washington are not liable for Claims or damages arising from a subgrantee's/subcontractor's performance of the subgrant/subcontract. - F. The GRANTEE shall maintain written procedures related to subgrantees/subcontractors as well as copies of all subgrants and subcontracts and associated records. For cause, COMMERCE in writing may: (a) require the GRANTEE to amend its procedures for subgrantees/subcontractors as they relate to this Grant Agreement; (b) prohibit the GRANTEE from hiring subgrantees/subcontractors with a particular person or entity; or (c) require the GRANTEE to rescind or amend a subgrant or subcontract.
- G. The GRANTEE is responsible to COMMERCE if the subgrantee/subcontractor fails to comply with any applicable term or condition of this Grant Agreement. The GRANTEE shall appropriately monitor the activities of the subgrantee/subcontractor to assure fiscal conditions of this Grant Agreement. In no event shall the existence of a subgrant or subcontract operate to release or reduce the liability of the GRANTEE to COMMERCE for any breach in the performance of the GRANTEE's duties.
- H. Every subgrantee/subcontractor shall include a term that COMMERCE and the State are not liable for claims or damages arising from a subgrantee's/subcontractor's performance of the subgrant or subcontract.

40. SURVIVAL

The terms, conditions, and warranties contained in this Grant Agreement that by their sense and context are intended to survive the completion of the performance, cancellation, or termination of this Grant Agreement shall so survive including, without limitation, any Recapture provision in this Grant Agreement.

41. TAXES

All payments accrued on account of payroll taxes, unemployment contributions, the GRANTEE's income or gross receipts, any other taxes, insurance or expenses for the GRANTEE or its staff shall be the sole responsibility of the GRANTEE.

42. TERMINATION FOR CAUSE

In the event COMMERCE determines the GRANTEE has failed to comply with the conditions of this Grant Agreement in a timely manner, COMMERCE has the right to suspend or terminate this Grant Agreement.

Before suspending or terminating the Grant Agreement, COMMERCE shall notify the GRANTEE in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the Grant Agreement may be terminated or suspended.

In the event of termination or suspension, the GRANTEE shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original Grant Agreement and the replacement or cover Grant Agreement and all administrative costs directly related to the replacement Grant Agreement (e.g., cost of the competitive bidding, mailing, advertising and staff time).

COMMERCE reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the GRANTEE from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the GRANTEE or a decision by COMMERCE to terminate the Grant Agreement. A termination shall be deemed a "Termination for Convenience" if it is determined that the GRANTEE: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of COMMERCE provided in this Grant Agreement are not exclusive and are, in addition to any other rights and remedies, provided by law.

43. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Grant Agreement, COMMERCE may, by 10 business days' written notice, beginning on the second day after the mailing, terminate this Grant Agreement, in whole or in part. If this Grant Agreement is so terminated, COMMERCE shall be liable only for payment required under the terms of this Grant Agreement for services rendered or goods delivered prior to the effective date of termination or suspension.

44. TERMINATION OR SUSPENSION FOR LOSS OR REDUCTION OF FUNDING

In the event that funding or appropriation is not available at the time the request for reimbursement and supporting documentation are submitted, the issuance of payments will be delayed or suspended until such time as funds or appropriation become available. If funding does not become available within a reasonable time, COMMERCE may terminate the Grant Agreement, by notice to the GRANTEE Representative. Termination shall be effective as of the date of suspension.

If the Grant Agreement amount is not fully drawn down and should the Washington State Legislature fail to enact a budget appropriating funds to fulfill the contractual obligation outlined in this Grant Agreement by midnight of June 30 of each odd-number year, the GRANTEE shall immediately suspend all reimbursable work under this Grant Agreement and take all reasonable steps necessary to minimize the cost of performance directly attributable to such suspension until the suspension is cancelled. COMMERCE shall notify the GRANTEE immediately upon the lifting of the suspension.

Further, should there be any loss or suspension of federal funding that supports this Grant Agreement, the Grant Agreement may be immediately suspended by COMMERCE upon notice to the GRANTEE. Should federal funding that supports this Grant Agreement be terminated, this Grant Agreement and all obligations, including payment for work done under this Grant Agreement, will be terminated as of the date of the termination of the federal funding.

Payment for any work done on the Grant Agreement prior to the loss of funding shall be done in accordance with the requirements of the funding source.

45. TERMINATION PROCEDURES

Upon termination of this Grant Agreement, COMMERCE, in addition to any other rights provided in this Grant Agreement, may require the GRANTEE to deliver to COMMERCE any property specifically produced or acquired for the performance of such part of this Grant Agreement as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

COMMERCE shall pay to the GRANTEE the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the GRANTEE and COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and

services, (iii) other property or services that are accepted by COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Authorized Representative shall determine the extent of the liability of COMMERCE. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Grant Agreement. COMMERCE may withhold from any amounts due the GRANTEE such sum as the Authorized Representative determines to be necessary to protect COMMERCE against potential loss or liability.

The rights and remedies of COMMERCE provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Grant Agreement.

After receipt of a notice of termination, and except as otherwise directed by the Authorized Representative, the GRANTEE shall:

- A. Stop work under the Grant Agreement on the date, and to the extent specified, in the notice;
- B. Place no further orders or subgrants for materials, services, or facilities except as may be necessary for completion of such portion of the work under the Grant Agreement that is not terminated;
- C. Assign to COMMERCE, in the manner, at the times, and to the extent directed by the Authorized Representative, all of the rights, title, and interest of the GRANTEE under the orders and subgrants so terminated, in which case COMMERCE has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subgrants;
- D. Settle all outstanding liabilities and all claims arising out of such termination of orders and subgrants, with the approval or ratification of the Authorized Representative to the extent the Authorized Representative may require, which approval or ratification shall be final for all the purposes of this clause;
- E. Transfer title to COMMERCE and deliver in the manner, at the times, and to the extent directed by the Authorized Representative any property which, if the Grant Agreement had been completed, would have been required to be furnished to COMMERCE;
- F. Complete performance of such part of the work as shall not have been terminated by the Authorized Representative; and
- G. Take such action as may be necessary, or as the Authorized Representative may direct, for the protection and preservation of the property related to this Grant Agreement, which is in the possession of the GRANTEE and in which COMMERCE has or may acquire an interest.

46. TREATMENT OF ASSETS

Title to all property furnished by COMMERCE shall remain in COMMERCE. Title to all property furnished by the GRANTEE, for the cost of which the GRANTEE is entitled to be reimbursed as a direct item of cost under this Grant Agreement, shall pass to and vest in COMMERCE upon delivery of such property by the GRANTEE. Title to other property, the cost of which is reimbursable to the GRANTEE under this Grant Agreement, shall pass to and vest in COMMERCE upon (i) issuance for use of such property in the performance of this Grant Agreement, or (ii) commencement of use of such property in the performance of this Grant Agreement, or (iii) reimbursement of the cost thereof by COMMERCE in whole or in part, whichever first occurs.

- A. Any property of COMMERCE furnished to the GRANTEE shall, unless otherwise provided herein or approved by COMMERCE, be used only for the performance of this Grant Agreement.
- B. The GRANTEE shall be responsible for any loss or damage to property of COMMERCE that results from the negligence of the GRANTEE, or which results from the failure on the part of the GRANTEE to maintain and administer that property in accordance with sound management practices.
- C. If any COMMERCE property is lost, destroyed or damaged, the GRANTEE shall immediately notify COMMERCE and shall take all reasonable steps to protect the property from further

damage.

- D. The GRANTEE shall surrender to COMMERCE all property of COMMERCE prior to settlement upon completion, termination or cancellation of this Grant Agreement.
- E. All reference to the GRANTEE under this clause shall also include GRANTEE's employees, agents or subgrantees/subcontractors.

47. WAIVER

Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Grant Agreement unless stated to be such in writing and signed by Authorized Representative of COMMERCE.

Stafford Disaster Relief and Emergency Assistance Act (42 USC 5155) and described in Appropriations Act. The GRANTEE must comply with HUD's requirements for duplication of benefits, imposed by Federal Register notice(s) that govern the use of CDBG-DR funds available under this agreement.

4. DRUG-FREE WORKPLACE

GRANTEE must comply with drug-free workplace requirements in Subpart B of part 2429, which adopts the government-wide implementation (2 CFR part 182) of sections 5152-5158 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701-707).

8. PROPERTY STANDARDS

The GRANTEE shall also comply with the Property Standards in 2 CFR 200.310 through 2 CFR 200.316, except to the extent they are inconsistent with 24 CFR 570.200(j) and 24 CFR 570.489(j), in which case GRANTEE shall comply with 24 CFR 570.200(j) and 24 CFR 570.489(j), and except to the extent that proceeds from the sale of equipment are program income and subject to the program income requirements under this agreement, pursuant to 24 CFR 570.489(e)(1)(ii).

9. FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA)

The GRANTEE shall comply with the requirements of 2 CFR part 25 Universal Identifier and System for Award Management (SAM). Stafford Disaster Relief and Emergency Assistance Act, 42 USC § 5181, which provides that "[n]otwithstanding any other provision of law, no person otherwise eligible for any kind of replacement housing payment under the [URA] shall be denied such eligibility as a result of his being unable, because of a major disaster as determined by the President, to meet the occupancy requirements set by such Act".

11. NONDISCRIMINATION

The GRANTEE will comply with 24 CFR part 6, which implements the provisions of section 109 of title I of the Housing and Community Development Act of 1974 (Title I) (42 U.S.C. 5309). Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with federal financial assistance.

The GRANTEE will adhere to the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) (Section 504). Section 109 of the HCDA makes these requirements applicable to programs or activities funded in whole or in part with CDBG-DR funds. Thus, the GRANTEE shall comply with regulations of 24 CFR part 8, which implement Section 504 for HUD programs, and the regulations of 24 CFR part 146, which implement the Age Discrimination Act for HUD programs.

10.1 Architectural Barriers Act and the Americans with Disabilities Act

The GRANTEE shall ensure that its activities are consistent with the requirements of the Architectural Barriers Act and the Americans with Disabilities Act.

The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain federal and federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and used by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of “residential structure” as defined in 24 CFR 40.2 or the definition of “building” as defined in 41 CFR 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 CFR part 40 for residential structures, and appendix A to 41 CFR part 101-19, subpart 101-19.6, for general type buildings).

The Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, state and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

10.2 Title VI of the Civil Rights Act of 1964 (24 CFR part 1)

10.2.1 General Compliance

The GRANTEE shall comply with the requirements of Title VI of the Civil Rights Act of 1964 (P. L. 88-352), as amended and 24 CFR 570.601 and 570.602. No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this agreement. The specific nondiscrimination provisions at 24 CFR 1.4 apply to the use of these funds. The GRANTEE shall not intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 CFR part 1, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under 24 CFR part 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 24 CFR part 1, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

10.2.2 Assurances and Real Property Covenants

As a condition to the approval of this Agreement and the extension of any federal financial assistance, the GRANTEE assures that the program or activities described in this Agreement will be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided will be operated and administered in compliance with all requirements imposed by or pursuant to 24 CFR part 1.

If the federal financial assistance under this agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, the GRANTEE's assurance

herein shall obligate the GRANTEE or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the GRANTEE retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the GRANTEE for the period during which federal financial assistance is extended pursuant to the contract or application.

This assurance gives COMMERCE and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with federal financial assistance under this Agreement or acquired with CDBG-DR funds and provided to the GRANTEE under this Agreement, the instrument effecting any disposition by the GRANTEE of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

If the GRANTEE receives real property interests or funds or for the acquisition of real property interests under this Agreement, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part shall extend to any facility located wholly or in part in such space.

12. LABOR STANDARDS AND EMPLOYMENT

The GRANTEE shall comply with the labor standards in Section 110 of the Housing and Community Development Act of 1974, as amended, and ensure that all laborers and mechanics employed by contractors or subgrantees/subcontractors in the performance of construction work financed in whole or in part with assistance received under this agreement shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis Bacon Act, as amended (40 U.S.C. 3141, et seq.), and 29 CFR part 1, 3, 5, 6, and 7, provided that this requirement shall apply to the rehabilitation of residential property only if such property contains not less than 8 units.

The GRANTEE agrees to comply with the Copeland Anti-Kickback Act (18 U.S.C. 874) and its implementing regulations of the U.S. Department of Labor at 29 CFR part 3 and part 5. The GRANTEE shall maintain documentation that demonstrates compliance with applicable hour and wage requirements. Such documentation shall be made available to COMMERCE for review upon request.

13. SECTION 3 OF THE HOUSING AND URBAN DEVELOPMENT ACT OF 1968

The GRANTEE shall comply with the provisions of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 USC 1701u, and implement its implementing regulations at 24 CFR part 75.

All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):

- a. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- b. The parties to this Agreement agree to comply with HUD's regulations in 24 CFR part 75, which implement section 3. As evidenced by their execution of this contract, the parties to

this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 75 regulations.

- c. The GRANTEE agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- d. The GRANTEE agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subgrantee/subcontractor is in violation of the regulations in 24 CFR part 75. The contractor will not subcontract with any subgrantee/subcontractor where the contractor has notice or knowledge that the subgrantee/subcontractor has been found in violation of the regulations in 24 CFR part 75.
- e. The GRANTEE will certify that any vacant employment positions, including training positions, that are filled (1) after the GRANTEE is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 75 require employment opportunities to be directed, were not filled to circumvent the GRANTEE's obligations under 24 CFR part 75.
- f. Noncompliance with HUD's regulations in 24 CFR part 75 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- g. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

16. ENVIRONMENTAL CONDITIONS

16.1 Prohibition on Choice Limiting Activities Prior to Environmental Review

The GRANTEE must comply with the limitations in 24 CFR 58.22 even though the GRANTEE is not delegated the requirement under Section 104(g) of the HCD Act for environmental review, decision making, and action (see 24 CFR part 58) and is not delegated COMMERCE's responsibilities for initiating the review process under the provisions of 24 CFR Part 52. 24 CFR 58.22 imposes limitations on activities pending clearance and specifically limits commitments of HUD funds or non-HUD funds by any participant in the development process before completion of the environmental review. A violation of this requirement may result in a prohibition on the use of federal funds for the activity.

16.2 Air and Water

The GRANTEE shall comply with the following requirements insofar as they apply to the performance of this agreement:

Air quality. (1) The Clean Air Act (42 U.S.C. 7401 et. seq.) as amended; particularly section 176(c) and (d) (42 U.S.C. 7506(c) and (d)); and (2) Determining Conformity of Federal Actions to State or Federal Implementation Plans (Environmental Protection Agency—40 CFR parts 6, 51, and 93). Additionally, the GRANTEE shall comply with Section 582 of the National Flood Insurance Reform Act of 1994, as amended, (42 U.S.C. 5154a), which includes a prohibition on the provision of flood disaster assistance, including loan assistance, to a person for repair, replacement, or restoration for damage to any personal, residential, or commercial property if that person at any time has received federal flood disaster assistance that was conditioned on the person first having obtained flood insurance under applicable federal law and the person has subsequently failed to obtain and maintain flood insurance as required under applicable federal law on such property. Section 582 also includes a responsibility to notify property owners of their responsibility to notify transferees about mandatory flood purchase requirements. More information about these requirements is available in the Federal Register notice(s) governing the CDBG-DR award.

ATTACHMENT C: CONTRACT ADDENDUM FOR HOUSING ACTIVITIES

1. AFFORDABILITY – MULTI-FAMILY RENTAL HOUSING

The GRANTEE agrees to rent and maintain the units constructed under this Agreement as affordable, ensuring that the units are occupied by households with incomes at or below 80% of the area median income during the affordability period (the “CDBG-DR Units”). The maximum gross rent for these CDBG-DR Units shall not exceed the most current HOME Program 65% rent limits as outlined in 24 CFR 92.252(a). The remaining units in the Project may be rented without income and rent restrictions. Consideration must be given to maintaining consistency among all units, both assisted and non-assisted, in terms of bedroom sizes, square footage, design features, and amenities.

The income of each CDBG-DR tenant must be determined initially in accordance with the "affordable housing" requirements established by the United States Department of Housing and Urban Development (HUD). Income determinations must utilize third-party verification per HUD requirements, applying the Part 5 income definition of inclusions and exclusions. The income of each tenant in a unit assisted with CDBG-DR funds must be recertified annually for the duration of the affordability period as defined in the next paragraph. In addition to tenant income data, the GRANTEE must provide documentation of compliance with the Affirmative Marketing Plan.

The CDBG-DR units shall remain affordable rental housing for an affordability period of five (5) to 15 years, dependent on the amount of CDBG-DR assistance provided per unit, from the date of project completion, occupancy, and the submission of final demographic information for tenants to the Department. Throughout this affordability period, COMMERCE or their designees shall comply with periodic reporting requirements, engage in compliance monitoring, and conduct inspections to verify tenant incomes, rents for affordable units, appropriate unit mix, and adherence to property standards.

As a condition of receiving CDBG-DR funds for the Project, COMMERCE will ensure that affordability restrictions are enforceable and imposed by recorded deed restrictions, covenants, property liens, bylaws, or other similar mechanisms.

2. GREEN BUILDING STANDARDS

In accordance with 83 FR 5861, all new construction or reconstruction of residential structures must meet an industry-recognized standard that has achieved certification under one of the following: (i) ENERGY STAR (Certified Homes or Multifamily High-Rise), (ii) Enterprise Green Communities, (iii) LEED (New Construction, Homes, Midrise, Existing Buildings Operations and Maintenance, or Neighborhood Development), (iv) ICC–700 National Green Building Standard, (v) EPA Indoor AirPlus (ENERGY STAR a prerequisite), or (vi) any other equivalent comprehensive green building program acceptable to HUD. COMMERCE is required to document standards used and monitor results to ensure the safety of residents and the quality of homes assisted through the program. Commerce will use at least one of the above standards for the proposed programs or activities.

For rehabilitation of non-substantially damaged residential buildings, Commerce will follow the guidelines to the extent applicable as specified in the HUD CPD Green Building Retrofit Checklist. When older or obsolete products are replaced as part of rehabilitation work, the rehabilitation is required to use ENERGY STAR-labeled, WaterSense-labeled, or Federal Energy Management Program (FEMP)-designed products and appliances.

The definition of substantial damage is defined in 44 CFR 59.1 and applies to any reconstruction, rehabilitation, addition or other improvement to a structure, the total cost of which equals or exceeds 50% of the market value of the structure before the start of construction of the improvement.

Commerce will utilize the UFAS Accessibility Checklist as a minimum standard for structures with five or more units to assist in the compliance of Section 504 of the Rehabilitation Act. The checklist will

be used when reviewing the design of all newly constructed residential structures (other than privately owned residential structures). The Fair Housing Act (including the seven basic design and construction requirements set forth in the Fair Housing Act) also applies to buildings with four or more units. Titles II and III of the Americans with Disabilities Act also applies to public housing.

3. **BROADBAND INFRASTRUCTURE (projects with 5+ units)**

In accordance with 83 FR 5862, any substantial rehabilitation, as defined by 24 CFR 5.100, or new construction of a building with more than four rental units must include installation of broadband infrastructure, except where COMMERCE and the GRANTEE documents that: (a) The location of the new construction or substantial rehabilitation makes installation of broadband infrastructure infeasible; (b) the cost of installing broadband infrastructure would result in a fundamental alteration in the nature of its program or activity or in an undue financial burden; or (c) the structure of the housing to be substantially rehabilitated makes installation of broadband infrastructure infeasible.
