---

9. Please describe your occupation (or former occupation if retired), qualifications, professional and/or community activities, and education

I am a licensed psychologist, and a member of the Washington Chapter Sierra Club Wildlife Committee. I'm also a member of the Mount Baker Group Sierra Club. I have been collecting deer carcass data for six years and am using the GIS data to determine the wildlife connectivity hotspots in the city and county.

---

10. Please describe why you're interested in serving on this board or commission

I am very interested in wildlife connectivity and biodiversity. These issues are essential to a healthy and diverse wildlife population in Whatcom County. Development and infrastructure need to address these issues so that wildlife has viable corridors to access food, shelter, and water.
