CONSENT AGENDA ITEMS CONSIDERED SEPARATELY

4. [AB2023-638](#) Request authorization for the County Executive to enter into an interlocal agreement between Whatcom County and Ferndale School District to provide funding for behavioral health services, in the amount not to exceed \$498,000

***Kershner* reported for the Finance and Administrative Services Committee and *moved* that the Interlocal be AUTHORIZED.**

Tyler Schroeder, Director of Administrative Services, answered whether the mental health professional and associate mental health professional can prescribe drugs, and stated nowhere in the contract terms for those positions is the ability to prescribe drugs. He and Satpal Sidhu, County Executive, answered whether these are new positions, whether the funding for them is compliant with requirements in Revised Code of Washington (RCW) 82.14.460 Section 3, and whether they need to find a different fund to fund the contract.

Councilmembers discussed the concern about whether the districts will be able to continue the services if the County funds it for three years (because of a bump in sales tax reserves), whether it is the County's job to fund these positions in schools when schools have their own revenue base, whether the County deciding which districts get this money raises equity issues, and whether there should be language in the contract that addresses parental consent.

***Kershner moved* to amend Section A of the statement of work to add a subsection 5 that reads:**

5. All services to students under 18 years of age will be provided with parental consent.

The motion was seconded by Elenbaas.

Councilmembers discussed the motion and whether it is inconsistent with the State law regarding the age of consent.

Kershner amended her motion to amend Section A of the statement of work to add a subsection 5 that reads:

5. All services to students will be provided with parental consent as defined by the laws of Washington state.

Karen Frakes, Prosecuting Attorney's Office, gave her input on the motion and stated it is pretty innocuous and she spoke about her understanding of the State law.

Councilmembers discussed what State law says and whether the contract would have to come back to the Council if it is re-written.

Schroeder pointed out Section 14 of the contract which says, "14. OTHER PROVISIONS: The District and the County will comply with all applicable Federal and State requirements that govern this agreement."

Kershner withdrew her motion.

Frakes answered and Councilmembers discussed whether the \$10,000 a year in funding for the Ferndale Youth Coalition is in line with the RCW that authorizes the tax, the distribution of the tax, and what it is for since they are not providing mental health treatment services.

Kershner's motion that the Interlocal be AUTHORIZED carried by the following vote:

Aye: 5 - Buchanan, Donovan, Frazey, Galloway, and Kershner

Nay: 2 - Byrd, and Elenbaas

8. [AB2023-662](#) Request authorization for the County Executive to enter into a contract between Whatcom County and Whatcom Law Group / Rajeev Majumdar for hearing examiner services through the end of 2023

Kershner reported for the Finance and Administrative Services Committee and ***moved*** that the Contract be AUTHORIZED.

Byrd answered why he wanted to discuss this separately in committee.

Frazey expressed sympathy for the family of late Hearing Examiner, Michael Bobbink and stated this contract will only go until the end of December.

Rajeev Majumdar, Hearing Examiner Pro Tempore, answered whether he assumed all of the contracts that the late Hearing Examiner had, and how familiar he is with the Growth Management Act, the County's Comprehensive Plan, our land-use policy, and the mitigation measures that we typically use.

He and Karen Frakes, Prosecuting Attorney's Office, answered why Council was not able, in the past, to hear comments about certain pending land issues when the Council was acting as a quasi-judicial body, yet Majumdar sat in on the comments tonight of an issue that could potentially go before the Hearing Examiner.

Kershner's motion that the Contract be AUTHORIZED carried by the following vote:

Aye: 7 - Buchanan, Byrd, Donovan, Elenbaas, Frazey, Galloway, and Kershner

Nay: 0

Kershner reported for the Finance and Administrative Services Committee and **moved** that the Contract be AUTHORIZED.

Kayla Schott-Bresler, Strategic Initiatives Special Programs Manager, answered whether the County already gave the Boys and Girls Clubs money to stabilize them, and stated the County gave them \$100,000 in May of 2020. She answered how much this agreement is, whether it is American Rescue Plan Act (ARPA) money, and whether it is the assumption that they will continue to ask for this every year with Proposition Five money. She stated she thinks there is a policy conversation that is going to be had at a later date about the sustainability of the childcare business model in Whatcom County, but she does not think that is going to take the form of specific providers coming in with this type of request. She answered more questions including whether the Boys and Girls Clubs have grown in their ability to serve kids and whether this will keep them from losing childcare slots.
