RE: Public Health Advisory Board (PHAB) Member Recommendation

RECEIVED

SEP 27 2019

JACK LOUWS
COUNTY EXECUTIVE

I, along with current Public Health Advisory Board (PHAB) members, would like to recommend the following candidates for appointment to the board in the noted positions:

- Steve Bennett to fill the partial term which was vacated by Ray Wolpov in Communities that Experience Health Inequities, with a term end date of 1/31/21.
- Galen Herz to the position for Social and Economic. Since this is a new position, we would like him to finish out this year, and start a full 3-year term on 2/1/20, running through 1/31/23.

Thank you for your consideration.
