Prior to my current role, I worked for over 10 years in the fields of domestic violence/sexual assault prevention, research, and advocacy. This included working as the Administrative Manager at the Commission in 2018. In 2019 I moved to Seattle, but the pandemic brought me back to Bellingham where I currently reside.

At Make.Shift we have been developing restorative/transformative justice responses to harm in our artist communities. I would love to become more involved with local agencies and institutions dedicated to finding alternative ways to addressing intimate harm.
