I have an adult child who has struggled with addiction since her
teen years, unfortunately, with the fentanyl and meth that is out
there my daughter's life has taken a very scary downward spiral.
I have been very vocal about changes in Whatcom county To
better incarcerated individuals to get help for drug addiction and
mental health.

I also have parents of children who are in addiction or mental
health crisis reach out to me and have expressed their concerns,
and what they would like to see happen as well.

I have a good pulse on the community, my own personal
experiences, and from sharing them with others

I would love to see Wim county, be a leader and treating
addiction and mental health in our state.
