GENERAL CONDITIONS

Series 00-09: Provisions Related to Scope and Nature of Services

0.1 Scope of Services:

The Contractor agrees to provide to the County services and any materials as set forth in the project narrative identified as Exhibit "A", during the agreement period. No material, labor, or facilities will be furnished by the County, unless otherwise provided for in the Agreement.

Series 10-19: Provisions Related to Term and Termination

10.1 Term:

Services provided by Contractor prior to or after the term of this contract shall be performed at the expense of Contractor and are not compensable under this contract unless both parties hereto agree to such provision in writing. The term of this Agreement may be extended by mutual agreement of the parties; provided, however, that the Agreement is in writing and signed by both parties.

10.2 Extension:

The duration of this Agreement may be extended by mutual written consent of the parties, for a period of up to one year, and for a total of no longer than three years.

11.1 Termination for Default:

If the Contractor defaults by failing to perform any of the obligations of the contract or becomes insolvent or is declared bankrupt or commits any act of bankruptcy or insolvency or makes an assignment for the benefit of creditors, the County may, by depositing written notice to the Contractor in the U.S. mail, first class postage prepaid, terminate the contract, and at the County's option, obtain performance of the work elsewhere. Termination shall be effective upon Contractor's receipt of the written notice, or within three (3) days of the mailing of the notice, whichever occurs first. If the contract is terminated for default, the Contractor shall not be entitled to receive any further payments under the contract until all work called for has been fully performed. Any extra cost or damage to the County resulting from such default(s) shall be deducted from any money due or coming due to the Contractor. The Contractor shall bear any extra expenses incurred by the County in completing the work, including all increased costs for completing the work, and all damage sustained, or which may be sustained by the County by reason of such default.

11.2 Termination for Reduction in Funding:

In the event that funding from State, Federal or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement, and prior to its normal completion, the County may summarily terminate this Agreement as to the funds withdrawn, reduced, or limited, notwithstanding any other termination provisions of this Agreement. If the level of funding withdrawn, reduced or limited is so great that the County deems that the continuation of the programs covered by this Agreement is no longer in the best interest of the County, the County may summarily terminate this Agreement in whole, notwithstanding any other termination provisions of this Agreement. Termination under this section shall be effective upon receipt of written notice as specified herein, or within three days of the mailing of the notice, whichever occurs first.

11.3 Termination for Public Convenience:

The County may terminate the Agreement in whole or in part whenever the County determines, in its sole discretion, that such termination is in the interests of the County. Whenever the Agreement is terminated in accordance with this paragraph, the Contractor shall be entitled to payment for actual work performed at unit contract prices for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this Agreement by the County at any time during the term, whether for default or convenience, shall not constitute breach of contract by the County.

Series 20-29: Provisions Related to Consideration and Payments

20.1 Accounting and Payment for Contractor Services:

Payment to the Contractor for services rendered under this Agreement shall be as set forth in Exhibit "B." Where Exhibit "B" requires payments by the County, payment shall be based upon written claims supported, unless otherwise provided in Exhibit "B," by documentation of units of work actually performed and amounts earned, including, where appropriate, the actual number of days worked each month, total number of hours for the month, and the total dollar payment requested, so as to comply with municipal auditing requirements.

Unless specifically stated in Exhibit "B" or approved in writing in advance by the official executing this Agreement for the County or his designee (hereinafter referred to as the "Administrative Officer") the County will not reimburse the Contractor for any costs or expenses incurred by the Contractor in the performance of this contract. Where required, the County shall, upon receipt of appropriate documentation, compensate the Contractor, no more often than monthly, in accordance with the County's customary procedures, pursuant to the fee schedule set forth in Exhibit "B."

21.1 Taxes:

The Contractor understands and acknowledges that the County will not withhold Federal or State income taxes. Where required by State or Federal law, the Contractor authorizes the County to withhold for any taxes other than income taxes (i.e., Medicare). All compensation received by the Contractor will be reported to the Internal Revenue Service at the end of the calendar year in accordance with the applicable IRS regulations. It is the responsibility of the Contractor to make the necessary estimated tax payments throughout the year, if any, and the Contractor is solely liable for any tax obligation arising from the Contractor's performance of this Agreement. The Contractor hereby agrees to indemnify the County against any demand to pay taxes arising from the Contractor's failure to pay taxes on compensation earned pursuant to this Agreement.

The County will pay sales and use taxes imposed on goods or services acquired hereunder as required by law. The Contractor must pay all other taxes, including, but not limited to, Business and Occupation Tax, taxes based on the Contractor's gross or net income, or personal property to which the County does not hold title. The County is exempt from Federal Excise Tax.

22.1 Withholding Payment:

In the event the County's Administrative Officer determines that the Contractor has failed to perform any obligation under this Agreement within the times set forth in this Agreement, then the County may withhold from amounts otherwise due and payable to Contractor the amount determined by the County as necessary to cure the default, until the Administrative Officer determines that such failure to perform has been cured. Withholding under this clause shall not be deemed a breach entitling Contractor to termination or damages, provided that the County promptly gives notice in writing to the Contractor of the nature of the default or failure to perform, and in no case more than 10 days after it determines to withhold amounts otherwise due. A determination of the Administrative Officer set forth in a notice to the Contractor of the action required and/or the amount required to cure any alleged failure to perform shall be deemed conclusive, except to the extent that the Contractor acts within the times and in strict accord with the provisions of the Disputes clause of this Agreement. The County may act in accordance with any determination of the Administrative Officer which has become conclusive under this clause, without prejudice to any other remedy under the Agreement, to take all or any of the following actions: (1) cure any failure or default, (2) to pay any amount so required to be paid and to charge the same to the account of the Contractor, (3) to set off any amount so paid or incurred from amounts due or to become due the Contractor. In the event the Contractor obtains relief upon a claim under the Disputes clause, no penalty or damages shall accrue to Contractor by reason of good faith withholding by the County under this clause.

23.1 Labor Standards:

The Contractor agrees to comply with all applicable state and federal requirements, including but not limited to those pertaining to payment of wages and working conditions, in accordance with RCW 39.12.040, the Prevailing Wage Act; the Americans with Disabilities Act of 1990; the Davis-Bacon Act; and the Contract Work Hours and Safety Standards Act providing for weekly payment of prevailing wages, minimum overtime pay, and providing that no laborer or mechanic shall be required to work in surroundings or under conditions which are unsanitary, hazardous, or dangerous to health and safety as determined by regulations promulgated by the Federal Secretary of Labor and the State of Washington.

Series 30-39: Provisions Related to Administration of Agreement

30.1 Independent Contractor:

The Contractor's services shall be furnished by the Contractor as an independent contractor, and nothing herein contained shall be construed to create a relationship of employer-employee or master-servant, but all payments made hereunder and all services performed shall be made and performed pursuant to this Agreement by the Contractor as an independent contractor.

The Contractor acknowledges that the entire compensation for this Agreement is specified in Exhibit "B" and the Contractor is not entitled to any benefits including, but not limited to: vacation pay, holiday pay, sick leave pay, medical, dental, or other insurance benefits, or any other rights or privileges afforded to employees of the County. The Contractor represents that he/she/it maintains a separate place of business, serves clients other than the County, will report all income and expense accrued under this contract to the Internal Revenue Service, and has a tax account with the State of Washington Department of Revenue for payment of all sales and use and Business and Occupation taxes collected by the State of Washington.

Contractor will defend, indemnify and hold harmless the County, its officers, agents or employees from any loss or expense, including, but not limited to, settlements, judgments, setoffs, attorneys' fees or costs incurred by reason of claims or demands because of breach of the provisions of this paragraph

30.2 Assignment and Subcontracting:

The performance of all activities contemplated by this agreement shall be accomplished by the Contractor. No portion of this contract may be assigned or subcontracted to any other individual, firm or entity without the express and prior written approval of the County.

30.3 No Guarantee of Employment:

The performance of all or part of this contract by the Contractor shall not operate to vest any employment rights whatsoever and shall not be deemed to guarantee any employment of the Contractor or any employee of the Contractor or any subcontractor or any employee of any subcontractor by the County at the present time or in the future.

31.1 Ownership of Items Produced and Public Records Act:

All writings, programs, data, public records or other materials prepared by the Contractor and/or its consultants or subcontractors, in connection with performance of this Agreement, shall be the sole and absolute property of the County. If the Contractor creates any copyrightable materials or invents any patentable property, the Contractor may copyright or patent the same, but the County retains a royalty-free, nonexclusive and irrevocable license to reproduce, publish, recover, or otherwise use the materials or property and to authorize other governments to use the same for state or local governmental purposes. Contractor further agrees to make research, notes, and other work products produced in the performance of this Agreement available to the County upon request.

Ownership. Any and all data, writings, programs, public records, reports, analyses, documents, photographs, pamphlets, plans, specifications, surveys, films or any other materials created, prepared, produced, constructed, assembled, made, performed or otherwise produced by the Contractor or the Contractor's subcontractors or consultants for delivery to the County under this Contract shall be the sole and absolute property of the County. Such property shall constitute "work made for hire" as defined by the U.S. Copyright Act of 1976, 17 U.S.C. § 101, and the ownership of the copyright and any other intellectual property rights in such property shall vest in the County at the time of its creation. Ownership of the intellectual property includes the right to copyright, patent, and register, and the ability to transfer these rights. Material which the Contractor uses to perform this Contract but is not created, prepared, constructed, assembled, made, performed or otherwise produced for or paid for by the County is owned by the Contractor and is not "work made for hire" within the terms of this Agreement.

Public Records Act. This Contract and all records associated with this Contract shall be available for inspection and copying by the public where required by the Public Records Act, Chapter 42.56 RCW (the "Act"). To the extent that public records then in the custody of the Contractor are needed for the County to respond to a request under the Act, as determined by the County, the Contractor agrees to make them promptly available to the County at no cost to the County. If the Contractor considers any portion of any record provided to the County under this Agreement, whether in electronic or hard copy form, to be protected from disclosure under law, the Contractor shall clearly identify any specific information that it claims to be confidential or proprietary. If the County receives a request under the Act to

inspect or copy the information so identified by the Contractor and the County determines that release of the information is required by the Act or otherwise appropriate, the County's sole obligations shall be to notify the Contractor (a) of the request and (b) of the date that such information will be released to the requester unless the Contractor obtains a court order to enjoin that disclosure pursuant to RCW 42.56.540. If the Contractor fails to timely obtain a court order enjoining disclosure, the County will release the requested information on the date specified.

The County has, and by this section assumes, no obligation on behalf of the Contractor to claim any exemption from disclosure under the Act. The County shall not be liable to the Contractor for releasing records not clearly identified by the Contractor as confidential or proprietary. The County shall not be liable to the Contractor for any records that the County releases in compliance with this section or in compliance with an order of a court of competent jurisdiction.

The Contractor shall be liable to the requester for any and all fees, costs, penalties or damages imposed or alleged as a result of the Contractor's failure to provide adequate or timely records.

This provision and the obligations it establishes shall remain in effect after the expiration of this contract.

31.2 Patent/Copyright Infringement:

Contractor will defend and indemnify the County from any claimed action, cause or demand brought against the County, to the extent such action is based on the claim that information supplied by the Contractor infringes any patent or copyright. The Contractor will pay those costs and damages attributable to any such claims that are finally awarded against the County in any action. Such defense and payments are conditioned upon the following:

A. The Contractor shall be notified promptly in writing by the County of any notice of such claim.

B. Contractor shall have the right, hereunder, at its option and expense, to obtain for the County the right to continue using the information, in the event such claim of infringement, is made, provided no reduction in performance or loss results to the County.

32.1 Confidentiality:

The Contractor, its employees, subcontractors, and their employees shall maintain the confidentiality of all information provided by the County or acquired by the Contractor in performance of this Agreement, except upon the prior written consent of the County or an order entered by a court after having acquired jurisdiction over the County. Contractor shall immediately give to the County notice of any judicial proceeding seeking disclosure of such information. Contractor shall indemnify and hold harmless the County, its officials, agents or employees from all loss or expense, including, but not limited to, settlements, judgments, setoffs, attorneys' fees and costs resulting from Contractor's breach of this provision.

33.1 Right to Review:

This contract is subject to review by any Federal, State or County auditor. The County or its designee shall have the right to review and monitor the financial and service components of this program by whatever means are deemed expedient by the Administrative Officer or by the County Auditor's Office. Such review may occur with or without notice and may include, but is not limited to, on-site inspection by County agents or employees, inspection of all records or other materials which the County deems pertinent to the Agreement and its performance, and any and all communications with or evaluations by service recipients under this Agreement. The Contractor shall preserve and maintain all financial records and records relating to the performance of work under this Agreement for three (3) years after contract termination, and shall make them available for such review, within Whatcom County, State of Washington, upon request. Contractor also agrees to notify the Administrative Officer in advance of any inspections, audits, or program review by any individual, agency, or governmental unit whose purpose is to review the services provided within the terms of this Agreement. If no advance notice is given to the Contractor, then the Contractor agrees to notify the Administrative Officer as soon as it is practical.

34.1 Insurance

The Contractor shall, at its own expense, obtain and continuously maintain the following insurance coverage for the duration of this contract, which shall include insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, subcontractors or employees. All insurers providing such insurance shall have an A.M. Best Rating of not less than A- (or otherwise be acceptable to the County) and be licensed to do business in the State of Washington and admitted by the Washington State Insurance Commissioner. Coverage limits shall be the minimum limits identified

in this Contract or the coverage limits provided or available under the policies maintained by the Contractor without regard to this Contract, whichever are greater.

1. Commercial General Liability

Property Damage	\$500,000.00, per occurrence
General Liability & bodily injury	\$1,000,000.00, per occurrence
Annual Aggregate	\$2,000,000.00

At least as broad as ISO form CG 00 01 or the equivalent, which coverage shall include personal injury, bodily injury and property damage for Premises Operations, Products and Completed Operations, Personal/Advertising Injury, Contractual Liability, Independent Contractor Liability, medical payments and Stop Gap/Employer's Liability. Coverage shall not exclude or contain sub-limits less than the minimum limits required, unless approved in writing by the County.

2. Business Automobile Liability

\$1,000,000.00	Minimum, per occurrence
\$2,000,000.00	Minimum, Annual Aggregate

Contractor shall provide auto liability coverage for owned, non-owned and hired autos using ISO Business Auto Coverage form CA 00 01 or the exact equivalent with a limit of no less than \$1,000,000 per accident. If Contractor owns no vehicles this requirement may be met through a non-owned auto Endorsement to the CGL policy.

3. Additional Insurance Requirements and Provisions

- a. All insurance policies shall provide coverage on an occurrence basis.
- b. Additional Insureds. Whatcom County, its departments, elected and appointed officials, employees, agents and volunteers shall be included as additional insureds on Contractor's and Contractor's subcontractors' insurance policies by way of endorsement for the full available limits of insurance required in this contract or maintained by the Contractor and subcontractor, whichever is greater.
- c. Primary and Non-contributory Insurance. Contractor shall provide primary insurance coverage and the County's insurance shall be non-contributory. Any insurance, self-insured retention, deductible, risk retention or insurance pooling maintained or participated in by the County shall be excess and non-contributory to Contractor's insurance.
- d. Waiver of Subrogation. The insurance policy shall provide a waiver of subrogation with respect to each insurance policy maintained under this Contract. When required by an insurer, or if a policy condition does not permit Contractor to enter into a pre-loss agreement to waive subrogation without an endorsement, then Contractor agrees to notify the insurer and obtain such endorsement. This requirement shall not apply to any policy which includes a condition expressly prohibiting waiver of subrogation by the insured or which voids coverage should the Contractor enter into such a waiver of subrogation on a pre-loss basis.
- e. Review of and Revision of Policy Provisions. Upon request, the Contractor shall provide a full and complete certified copy of all requested insurance policies to the County. The County reserves the right, but not the obligation, to revise any insurance requirement, including but not limited to limits, coverages and endorsements, or to reject any insurance policies which fail to meet the requirements of this Contract. Additionally, the County reserves the right, but not the obligation, to review and reject any proposed insurer providing coverage based upon the insurer's financial condition or licensing status in Washington.
- f. Verification of Coverage/Certificates and Endorsements. The Contractor shall furnish the County with a certificate of insurance and endorsements required by this contract. The certificates and endorsements for each policy shall be signed by a person authorized by the insurer to bind coverage on its behalf. The certificate and endorsements for each insurance policy are to be on forms approved by the County prior to commencement of activities associated with the contract. The certificate and endorsements, and renewals thereof, shall be attached hereto as Exhibit "C". If Exhibit C is not attached, the Contractor must submit the certificate and endorsements required in this contract to the County prior to the commencement of any work on the contracted project. A certificate alone is insufficient proof of the required insurance; endorsements

must be included with the certificate. The certificate of insurance must reflect the insurance required in this contract, including appropriate limits, insurance coverage dates, per occurrence, and in the description of operations, include the County project, Whatcom County, its departments, officials, employees, agents and volunteers as additional insureds, primary, non-contributory, and waiver of subrogation.

- g. The County must be notified immediately in writing of any cancellation of the policy, exhaustion of aggregate limits, notice of intent not to renew insurance coverage, expiration of policy or change in insurer carrier. Contractor shall always provide the County with a current copy of the certificate and endorsements throughout the duration of the contract.
- h. No Limitation on Liability. The insurance maintained under this Contract shall not in any manner limit the liability or qualify the liabilities or obligations of the Contractor to the coverage provided by such insurance, or otherwise limit the County's recourse to any remedy available at law or equity.
- i. Payment Conditioned on Insurance and Failure to Maintain Insurance. Compensation and/or payments due to the Contractor under this Contract are expressly conditioned upon the Contractor's compliance with all insurance requirements. Failure on the part of the Contractor to maintain the insurance as required shall constitute a material breach of contract. Payment to the Contractor may be suspended in the event of non-compliance, upon which the County may, after giving five business days' notice to the Contractor to correct the breach, immediately terminate the contract or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, with any sums so expended to be repaid to the County on demand or offset against funds due the Contractor. Upon receipt of evidence of Contractor's compliance, payments not otherwise subject to withholding or set-off will be released to the Contractor.
- j. Workers' Compensation. The Contractor shall maintain Workers' Compensation coverage as required under the Washington State Industrial Insurance Act, RCW Title 51, for all Contractors' employees, agents and volunteers eligible for such coverage under the Industrial Insurance Act.
- k. Failure of the Contractor to take out and/or maintain required insurance shall not relieve the Contractor or subcontractors from any liability under the contract, nor shall the insurance requirements be construed to conflict with or otherwise limit the obligations concerning indemnification. The County does not waive any insurance requirements even in the event the certificate or endorsements provided by the Contractor were insufficient or inadequate proof of coverage but not objected to by the County. The County's failure to confirm adequate proof of insurance requirements does not constitute a waiver of the Contractor's insurance requirements under this Contract.
- l. Availability of Contractor Limits. If the Contractor maintains higher insurance limits than the minimums shown above, the County shall be insured for the full available limits, including Excess or Umbrella liability maintained by the Contractor, irrespective of whether such limits maintained by the Contractor are greater than those required by this contract or whether any certificate furnished to the County evidences limits of liability lower than those maintained by the Contractor.
- m. Insurance for Subcontractors. If the Contractor subcontracts (if permitted in the contract) any portion of this Contract, the Contractor shall include all subcontractors as insureds under its policies or shall require separate certificates of insurance and policy endorsements from each subcontractor. Insurance coverages by subcontractors must comply with the insurance requirements of the Contractor in this contract and shall be subject to all of the requirements stated herein, including naming the County as additional insured.
- n. The Contractor agrees Contractor's insurance obligation shall survive the completion or termination of this Contract for a minimum period of three years.

34.3 Defense & Indemnity Agreement:

To the fullest extent permitted by law, the Contractor agrees to indemnify, defend and hold the County and its departments, elected and appointed officials, employees, agents and volunteers, harmless from and against any and all

claims, damages, losses and expenses, including but not limited to court costs, attorney's fees, and alternative dispute resolution costs, for any personal injury, for any bodily injury, sickness, disease, or death and for any damage to or destruction of any property (including the loss of use resulting therefrom) which: 1) are caused in whole or in part by any error, act or omission, negligent or otherwise, of the Contractor, its employees, agents or volunteers or Contractor's subcontractors and their employees, agents or volunteers; or 2) directly or indirectly arise out of or occur in connection with performance of this Contract or 3) are based upon the Contractor's or its subcontractors' use of, presence upon, or proximity to the property of the County. This indemnification obligation of the Contractor shall not apply in the limited circumstance where the claim, damage, loss, or expense is caused by the sole negligence of the County.

Should a court of competent jurisdiction determine that this contract is subject to RCW 4.24.115, then in the event of concurrent negligence of the Contractor, its subcontractors, employees or agents, and the County, its employees or agents, this indemnification obligation of the Contractor shall be valid and enforceable only to the extent of the negligence of the Contractor, its subcontractors, employees, and agents. This indemnification obligation of the Contractor shall not be limited in any way by the Washington State Industrial Insurance Act, RCW Title 51, or by application of any other workmen's compensation act, disability benefit act or other employee benefit act, and the Contractor hereby expressly waives any immunity afforded by such acts.

It is further provided that no liability shall attach to the County by reason of entering into this contract, except as expressly provided herein. The parties specifically agree that this Contract is for the benefit of the parties only and this Contract shall create no rights in any third party. The County reserves the right, but not the obligation, to participate in the defense of any claim, damages, losses, or expenses, and such participation shall not constitute a waiver of Contractor's indemnity obligations under this Agreement.

In the event the Contractor enters into subcontracts to the extent allowed under this Contract, the Contractor's subcontractors shall indemnify the County on a basis equal to or exceeding Contractor's indemnity obligations to the County. The Contractor shall pay all attorney's fees and expenses incurred by the County in establishing and enforcing the County's rights under this indemnification provision, whether or not suit was instituted.

The Contractor agrees all Contractor's indemnity obligations shall survive the completion, expiration or termination of this Agreement. The foregoing indemnification obligations of the Contractor are a material inducement to County to enter into this Agreement and are reflected in the Contractor's compensation.

By signing this contract, the Contractor acknowledges that it has freely negotiated and agreed to the indemnification requirements to defend, indemnify and hold harmless the County from all claims and suits including those brought against the County by the Contractor's own employees, arising from this contract.

35.1 Non-Discrimination in Employment:

The County's policy is to provide equal opportunity in all terms, conditions and privileges of employment for all qualified applicants and employees without regard to race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or veteran status. The Contractor shall comply with all laws prohibiting discrimination against any employee or applicant for employment on the grounds of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or veteran status, except where such constitutes a bona fide occupational qualification.

Furthermore, in those cases in which the Contractor is governed by such laws, the Contractor shall take affirmative action to insure that applicants are employed, and treated during employment, without regard to their race, color, creed, religion, national origin, sex, age, marital status, sexual orientation, disability, or veteran status, except where such constitutes a bona fide occupational qualification. Such action shall include, but not be limited to: advertising, hiring, promotions, layoffs or terminations, rate of pay or other forms of compensation benefits, selection for training including apprenticeship, and participation in recreational and educational activities. In all solicitations or advertisements for employees placed by them or on their behalf, the Contractor shall state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

The foregoing provisions shall also be binding upon any subcontractor, provided that the foregoing provision shall not apply to contracts or subcontractors for standard commercial supplies or raw materials, or to sole proprietorships with no employees.

35.2 Non-Discrimination in Client Services:

EXHIBIT "A"
(SCOPE OF WORK)

I. Background

According to the annual Point in Time Count of homeless adults conducted in January 2020, 707 people in Whatcom County were homeless. Throughout the year, hundreds more face the prospect of losing their homes. The Whatcom Homeless Service Center (WHSC) was established in 2008 to serve as a centralized point of entry for homelessness prevention and re-housing services for Whatcom County residents. The WHSC implements programs and services identified in Whatcom County's Plan to End Homelessness. The WHSC authorizes and coordinates service delivery among partner agencies.

The WHSC is modeled upon evidence-based approaches to homelessness diversion, permanent supportive housing and rapid re-housing (RRH). WHSC housing services work to shift the focus from reliance upon emergency shelters and costly institutional facilities in meeting the needs of those experiencing or at risk of homelessness to diversion and permanent housing. By serving as a centralized coordinating system of access to homeless services and by transitioning homeless individuals and families as quickly as possible to permanent housing, WHSC will improve outcomes for homeless individuals and families and ensure more efficient use of public resources.

WHSC programs include both rental assistance and case management components. WHSC staff manages the Housing Pool list, authorizes and distributes rent subsidies to local landlords on behalf of participating clients, makes referrals to partner agencies for housing case management services, manages the Homeless Management Information Services (HMIS) data collection and reporting requirements, cultivates and maintains relationships with local landlords, and serves as liaison for homeless housing activities to the network of service providers and other community stakeholders.

Services will be provided to low-income and/or homeless individuals and households residing in Whatcom County. Individuals and households served must meet the eligibility requirements of the program funding sources as further referenced in Section IV. – Program Requirements.

II. Definitions

Diversion	Diversion can be the first response to resolving a homelessness episode by focusing on re-housing without a family entering a longer-term housing program. Diversion starts with problem-solving conversations to identify a household's own strengths and resources, and services are tailored to meet each family's most critical needs to quickly move into housing. Diversion services can include short-term/one-time financial support (i.e., deposit assistance, flex funding, etc.).
Housing Pool	Quasi wait list that serves clients waiting for housing services based on their needs and available resources instead of a first come, first served basis.
HMIS	Washington's Homeless Management Information Services – A database used by housing service providers to collect and manage data gathered during the course of providing housing assistance to homeless people or households at risk of losing their housing.
Partner Agencies	Agencies that contract with Whatcom County for the delivery of housing case management services, in connection with the WHSC.
Permanent Supportive Housing Population	Chronically homeless individuals/households with significant barriers to permanent housing; will receive deep rent subsidies and intensive housing case management. Chronically Homeless Families (CHF) have one head of household that meets the definition of chronic homelessness (as stated in CHG Guidelines), and one or more dependents defined as minor children, disabled dependents, or full time students. Household income may not exceed 50% of area median gross income as defined by HUD.
ESG-CV Prevention	An intervention providing financial assistance including rent, utilities, and case management, for households at imminent risk of or at-risk of, homelessness.
Rapid Re-housing (RRH)	An intervention in which families and individuals experiencing homelessness are rapidly connected to permanent housing through a tailored package of assistance that may include the use of time-limited financial assistance including rent and utilities, and targeted supportive services including case management.

ESG-CV Rapid Rehousing and Prevention Other Financial Assistance	Inclusive of: rental application fees charge by the owner to all applicants; security deposits; last month's rent; moving costs; utility deposits; utility payments; landlord and volunteer incentives.
Whatcom Homeless Service Center (WHSC)	WHSC programs provide (1) centralized coordinated system of access (2) re-housing of those who become homeless (3) supportive services promoting housing stability and self-sufficiency, and (4) data management and tracking information for people receiving homeless housing services in Whatcom County and according to the Washington State Department of Commerce HIMIS data collection requirements. (INSURANCE)

Exhibit "D"
(Business Associate Agreement)

This Business Associate Agreement (the "Agreement") is made effective the 1st day of January, 2021, by and between Opportunity Council hereinafter referred to as "Covered Entity" and Whatcom County, hereinafter referred to as "Business Associate" (individually, a "Party" and collectively, the "Parties").

RECITALS:

WHEREAS, the Parties wish to enter into a Business Associate Agreement to ensure compliance with the Privacy and Security Rules of the Health Insurance Portability and Accountability Act of 1996 (HIPAA Privacy and Security Rules) (45 CFR Parts 160 and 164); and

WHEREAS, the Health Information Technology for Economic and Clinical Health (HITECH) Act of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5, modified the HIPAA Privacy and Security Rules (hereinafter, all references to the "HIPAA Privacy and Security Rules" include all amendments there to set forth in the HITECH Act and any accompanying regulations); and

WHEREAS, the Parties have entered into a written or oral arrangement or arrangements (the "Agreements") whereby Business Associate will provide certain services to Covered Entity and, pursuant to such Agreements, Business Associate may be considered a "Business Associate" of Covered Entity as defined in the HIPAA Privacy and Security Rules; and

WHEREAS, Business Associate may have access to Protected Health Information (hereinafter "PHI") or Electronic Protected Health Information (as defined below) in fulfilling its responsibilities under the Agreements; and

WHEREAS, Covered Entity wishes to comply with the HIPAA Privacy and Security Rules, and Business Associate wishes to honor its obligations as a Business Associate to Covered Entity.

THEREFORE, in consideration of the Parties' continuing obligations under the Agreements, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree to the provisions of this Agreement.

I. DEFINITIONS

Except as otherwise defined herein, any and all capitalized terms in this Agreement shall have the definitions set forth in the HIPAA Privacy and Security Rules. In the event of an inconsistency between the provisions of this Agreement and mandatory provisions of the HIPAA Privacy and Security Rules, as amended, the HIPAA Privacy and Security Rules in effect at the time shall control. Where provisions of this Agreement are different than those mandated by the HIPAA Privacy and Security Rules, but are nonetheless permitted by the HIPAA Privacy and Security Rules, the provisions of this Agreement shall control.

The term "Breach" means the unauthorized acquisition, access, use, or disclosure of PHI which compromises the security or privacy of such information. The term "Breach" does not include: (1) any unintentional acquisition, access, or use of PHI by any employee or individual acting under the authority of a covered entity or business associate if (a) such acquisition, access, or use was made in good faith and within the course and scope of the employment or other professional relationship of such employee or individual, respectively, with the covered entity or business associate, and (b) such information is not further impermissibly acquired, used, or disclosed by any person; (2) any inadvertent disclosure by an individual who is otherwise authorized to access PHI at a facility operated by a covered entity or business associate to another similarly situated individual at the same facility, where the information disclosed is not further impermissibly acquired, accessed, used, or disclosed by any person; or (3) an impermissible disclosure of PHI where Covered Entity or Business Associate has a good faith belief that an unauthorized person to whom the disclosure was made would not reasonably have been able to retain such information. The term "HIPAA Privacy and Security Rules" refers to 45 CFR Parts 160 and 164 as currently in effect or hereafter amended.

The term "Protected Health Information" or "PHI" means individually identifiable health information including, without limitation, all information, data, documentation, and materials, including without limitation, demographic, medical and financial information, that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or with respect to which there is reasonable basis to believe the information can be used to identify the individual. "Protected Health Information" includes without limitation, "Electronic Protected Health Information", as defined below.

The term "Electronic Protected Health Information" means PHI which is transmitted by or maintained in Electronic Media (as now or hereafter defined in the HIPAA Privacy and Security Rules).

The term "Secretary" means the Secretary of the Department of Health and Human Services.

The term "Unsecured Protected Health Information" means PHI that is not rendered unusable, unreadable, or indecipherable to unauthorized individuals through the use of a technology or methodology specified by the Secretary in guidance published in the Federal Register at 74 Fed. Reg. 19006 on April 27, 2009 and in annual guidance published thereafter.

II. PERMITTED USES AND DISCLOSURES BY BUSINESS ASSOCIATE

- A. Business Associate may use or disclose PHI to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in the Agreements, provided that such use or disclosure would not violate the HIPAA Privacy and Security Rules if done by Covered Entity.
- B. Business Associate may use PHI in its possession for its proper management and administration and to fulfill any present or future legal responsibilities of Business Associate, provided that such uses are permitted under state and federal confidentiality laws.
- C. Business Associate may disclose PHI in its possession to third parties for the purposes of its proper management and administration or to fulfill any present or future legal responsibilities of Business Associate, provided that:
 - 1. The disclosures are required by law; or
 - 2. Business Associate obtains reasonable assurances from the third parties to whom the PHI is disclosed that the information will remain confidential and be used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party, and that such third parties will notify Business Associate of any instances of which they are aware in which the confidentiality of the information has been breached.
- D. Until such time as the Secretary issues regulations pursuant to the HITECH Act specifying what constitutes "minimum necessary" for purposes of the HIPAA Privacy and Security Rules, Business Associate shall, to the extent practicable, access, use, and request only PHI that is contained in a limited data set (as defined in Section 164.514(e)(2) of the HIPAA Privacy and Security Rules), unless Business Associate requires certain direct identifiers in order to accomplish the intended purpose of the access, use or request, in which the Business Associate may access, use, or request only the minimum necessary amount of PHI to accomplish the intended purpose of the access, use, or request. The Parties shall collaborate in determining what quantum of information constitutes the "minimum necessary" amount for Business Associate to accomplish its intended purposes.

III. OBLIGATIONS AND ACTIVITIES OF BUSINESS ASSOCIATE

- A. Business Associate acknowledges and agrees that all PHI that is created or received by Covered Entity and disclosed or made available in any form, including paper record, oral communication, audio recording, and

 - 1. Implement the administrative, physical and technical safeguards set forth in Sections 164.308, 164.310, and 164.312 of the HIPAA Privacy and Security Rules that reasonably and appropriately protect the confidentiality, integrity, and availability of any PHI that it creates, receives, maintains, or transmits on behalf of Covered Entity, and, in accordance with Section 164.316 of the HIPAA Privacy and Security Rules, implement and maintain reasonable and appropriate policies and procedures to enable it to comply with the requirements outlined in Sections 164.308, 164.310, and 164.312; and
 - 2. Report to Covered Entity any use or disclosure of PHI not provided for by this Agreement, including any Security Incident, of which Business Associate becomes aware, regardless of whether the Security Incident rises to the level of a Breach. For purposes of this Agreement, "Security Incident" means the successful unauthorized access, use, disclosure, modification, or destruction of PHI or interference with system operations in an information system, of which Business Associate has knowledge or should, with the exercise of reasonable diligence, have knowledge, excluding (i) "pings" on an information system firewall; (ii) port scans; (iii) attempts to log on to an information system or enter a database with an invalid password or user name; (iv) denial-of-service attacks that do not result in a server being taken offline; or (v) "malware" (e.g., a worm or a virus) that does not result in unauthorized access, use, disclosure, modification or destruction of PHI. The report shall be made as soon as practical and in any event within ten (10) days of Business Associate's discovery of the Security Incident. A Security Incident shall be treated as discovered by Business Associate as of the first day on which such Security Incident is known to Business Associate or, through the exercise of reasonable diligence, would have been known to Business Associate.
- D. Business Associate agrees to ensure any agent, including a subcontractor, to whom it provides PHI received from, or created or received by Business Associate on behalf of Covered Entity, agrees to the same restrictions and conditions that apply through this Agreement to Business Associate with respect to such information.
- E. Business Associate agrees to comply with any requests for restrictions on certain disclosures of PHI to which Covered Entity has agreed in accordance with Section 164.522 of the HIPAA Privacy and Security Rules of which Business Associate has been notified by Covered Entity. In addition, and notwithstanding the provisions of Section 164.522 (a)(1)(ii), Business Associate agrees to comply with an individual's request to restrict disclosure of PHI to a health plan for purposes of carrying out payment or health care operations if the PHI pertains solely to a health care item or service for which Covered Entity has been paid in full by the individual's representative. The restriction can only apply to disclosures beginning the next business day after the request for restriction is received.
- F. At the request of the Covered Entity, in a reasonable time and manner, Business Associate agrees to make available PHI required for Covered Entity to respond to an individual's request for access to his or her PHI in accordance with Section 164.524 of the HIPAA Privacy and Security Rules. If Business Associate maintains PHI electronically, it agrees to make such PHI available electronically to the applicable individual or to a person or entity specifically designated by such individual, upon such individual's request.
- G. At the request of the Covered Entity, and in a reasonable time and manner, Business Associate agrees to make available PHI required for amendment by Covered Entity in accordance with the requirements of Section 164.526 of the HIPAA Privacy and Security Rules.
- H. Business Associate agrees to document any disclosures of, and make PHI available, for purposes of accounting of disclosures, as required by Section 164.528 of the HIPAA Privacy and Security Rules.

- I. Business Associate agrees that it will make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of, Covered Entity, available to the Secretary for the purpose of determining Covered Entity's compliance with the HIPAA Privacy and Security Rules, in a time and manner designated by the Secretary.
- J. Business Associate agrees that, while present at any Covered Entity facility and/or when accessing Covered Entity's computer network(s), it and all of its employees, agents, representatives, and subcontractors will at all times comply with any network access and other security practices, procedures and/or policies established by Covered Entity including, without limitation, those established pursuant to the HIPAA Privacy and Security Rules.
- K. Business Associate agrees that it will not directly or indirectly receive remuneration in exchange for any PHI of an individual without the written authorization of the individual or the individual's representative, except where the purpose of the exchange is:
 - 1. For public health activities as described in Section 164.512(b) of the HIPAA Privacy and Security Rules;
 - 2. For research described in Sections 164.501 and 164.512(i) of the HIPAA Privacy and Security Rules, and the price charged reflects the costs of preparation and transmittal of the data for such purpose;
 - 3. For treatment of the individual, subject to any further regulation promulgated by the Secretary to prevent inappropriate access, use, or disclosure of PHI;
 - 4. For the sale, transfer, merger, or consolidation of all or part of Business Associate and due diligence related to that activity;
 - 5. For an activity that Business Associate undertakes on behalf of and at the specific request of Covered Entity;
 - 6. To provide an individual with a copy of the individual's PHI pursuant to Section 164.524 of the HIPAA Privacy and Security Rules; or
 - 7. Other exchanges that the Secretary determines in regulations to be similarly necessary and appropriate as those described in this Section III.K.
- L. Business Associate agrees that it will not directly or indirectly receive remuneration for any written communication that encourages an individual to purchase or use a product or service without first obtaining the written authorization of the individual or the individual's representative, unless:
 - 1. Such payment is for a communication regarding a drug or biologic currently prescribed for the individual and is reasonable in amount (as defined by the Secretary); or
 - 2. The communication is made on behalf of Covered Entity and is consistent with the terms of this Agreement.
- M. Business Associate agrees that if it uses or discloses patients' PHI for marketing purposes, it will obtain Covered Entity's written approval and such patients' authorization before making any such use or disclosure.

IV. BUSINESS ASSOCIATE'S MITIGATION AND BREACH NOTIFICATION OBLIGATIONS

- A. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI by Business Associate in violation of the requirements of this Agreement.
- B. Following the discovery of a Breach of Unsecured Protected Health Information, Business Associate shall notify Covered Entity of such Breach without unreasonable delay and in no case later than ten (10) calendar days after discovery of the Breach. A Breach shall be treated as discovered by Business Associate as of the first day on which such Breach is known to Business Associate or, through the exercise of reasonable diligence, would have been known to Business Associate.

- C. Notwithstanding the provisions of Section IV.B., above, if a law enforcement official states to Business Associate that notification of a Breach would impede a criminal investigation or cause damage to national security, then:
1. If the statement is in writing and specifies the time for which a delay is required, Business Associate shall delay such notification for the time period specified by the official; or
 2. If the statement is made orally, Business Associate shall document the statement, including the identity of the official making it, and delay such notification for no longer than thirty (30) days from the date of the oral statement unless the official submits a written statement during that time.

Following the period of time specified by the official, Business Associate shall promptly deliver a copy of the official's statement to Covered Entity.

- D. The Breach notification provided shall include, to the extent possible:
1. The identification of each individual whose Unsecured PHI has been, or is reasonably believed by Business Associate to have been, accessed, acquired, used, or disclosed during the Breach;
 2. A brief description of what happened, including the date of the Breach and the date of discovery of the Breach, if known;
 3. A description of the types of Unsecured PHI that were involved in the Breach (such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code, or other types of information were involved);
 4. Any steps individuals should take to protect themselves from potential harm resulting from the Breach;
 5. A brief description of what Business Associate is doing to investigate the Breach, to mitigate harm to individuals, and to protect against any further Breaches and when such steps were taken; and
 6. Contact procedures for individuals to ask questions or learn additional information, which shall include a toll-free telephone number, an e-mail address, Web site, or postal address.
- E. Business Associate shall provide the information specified in Section IV.D. above, to Covered Entity at the time of the Breach notification, if possible, or promptly thereafter as information becomes available. Business Associate shall not delay notification to Covered Entity that a Breach has occurred in order to collect the information described in Section IV.D., and shall provide such information to Covered Entity even if the information becomes available after the ten (10)-day period provided for initial Breach notification.

V. OBLIGATIONS OF COVERED ENTITY

- A. Upon request of Business Associate, Covered Entity shall provide Business Associate with the notice of privacy practices that Covered Entity produces in accordance with Section 164.520 of the HIPAA Privacy and Security Rules.
- B. Covered Entity shall provide Business Associate with any changes in, or revocation of, permission by an individual to use or disclose PHI, if such changes affect Business Associate's permitted or required uses and disclosures.
- C. Covered Entity shall notify Business Associate of any restriction to the use or disclosure of PHI to which Covered Entity has agreed in accordance with Section 164.522 of the HIPAA Privacy and Security Rules, and Covered Entity shall inform Business Associate of the termination of any such restriction, and the effect that such termination shall have, if any, upon Business Associate's use and disclosure of such PHI. Business Associate shall have a reasonable period of time to act on such notice.

VI. TERM AND TERMINATION

- A. Term. The Term of this Agreement shall be effective as of the date first written above, and shall terminate upon the later of the following events: (i) in accordance with Section VI.C., when all of the PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity is destroyed or returned to Covered Entity or, if such return or destruction is infeasible, when protections are extended to such information; or (ii) upon the expiration or termination of the last of the Agreements.
- B. Termination. Upon either Party's knowledge of a material breach by the other Party of its obligations under this Agreement, the non-breaching Party shall, within twenty (20) days of that determination, notify the breaching Party, and the breaching Party shall have thirty (30) days from receipt of that notice to cure the breach or end the violation. If the breaching Party fails to take reasonable steps to affect such a cure within such time period, the non-breaching Party may terminate this Agreement and the Agreements.

Where either Party has knowledge of a material breach by the other Party and determines that cure is infeasible, prior notice of the breach is not required, and the non-breaching Party shall terminate the portion of the Agreements affected by the breach.

Where neither cure nor termination is feasible, the non-breaching Party shall report the violation to the Secretary.

C. Effect of Termination.

1. Except as provided in paragraph (2) of this subsection C., upon termination of this Agreement, the Agreements or upon request of Covered Entity, whichever occurs first, Business Associate shall within ten (10) days return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to PHI that is in the possession of subcontractors or agents of Business Associate. Neither Business Associate nor its subcontractors or agents shall retain copies of the PHI.
2. In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall provide within ten (10) days to Covered Entity notification of the conditions that make return or destruction infeasible. Upon mutual agreement of the Parties that return or destruction of PHI is infeasible; Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI.

VII. MISCELLANEOUS

- A. Indemnification. Each Party shall indemnify and hold the other harmless from and against all claims, liabilities, judgments, fines, assessments, penalties, awards, or other expenses, of any kind or nature whatsoever, including, without limitations, attorneys' fees, expert witness fees, and costs of investigation, litigation or dispute resolution, relating to or arising out of any breach or alleged breach of this Agreement, or any Breach, by that Party or its subcontractors or agents.
- B. No Rights in Third Parties. Except as expressly stated herein, in the HIPAA Privacy and Security Rules, the Parties to this Agreement do not intend to create any rights in any third parties.

The obligations of Business Associate under Section VI.C. of this Agreement shall survive the expiration, termination, or cancellation of this Agreement, the Agreements, and/or the business relationship of the Parties, and shall continue to bind Business Associate, its agents, employees, contractors, successors, and assigns as set forth herein. Furthermore, the Parties' indemnification obligations pursuant to Section VII.A. of this Agreement shall survive the expiration, termination, or cancellation of this Agreement, the Agreements, and/or the business relationship of the Parties, and shall continue to bind the Parties, their agents, employees, contractors, successors, and assigns as set forth herein.
- D. Amendment. This Agreement may be amended or modified only in a writing signed by the Parties. The Parties agree that they will negotiate amendments to this Agreement to conform to any changes in the HIPAA Privacy and Security Rules as are necessary for Covered Entity to comply with the current

requirements of the HIPAA Privacy and Security Rules. In addition, in the event that either Party believes in good faith that any provision of this Agreement fails to comply with the then-current requirements of the HIPAA Privacy and Security Rules or any other applicable legislation, then such Party shall notify the other Party of its belief in writing. For a period of up to thirty (30) days, the Parties shall address in good faith such concern and amend the terms of this Agreement, if necessary to bring it into compliance. If, after such thirty (30)-day period, the Agreement fails to comply with the HIPAA Privacy and Security Rules or any other applicable legislation, then either Party has the right to terminate this Agreement and the underlying arrangement upon written notice to the other Party.

- E. Assignment. Neither Party may assign its respective rights and obligations under this Agreement without the prior written consent of the other Party.
- F. Independent Contractor. None of the provisions of this Agreement are intended to create, nor will they be deemed to create, any relationship between the Parties other than that of independent parties contracting with each other solely for the purposes of effecting the provisions of this Agreement and any other agreements between the Parties evidencing their business relationship.
- G. Governing Law. To the extent this Agreement is not governed exclusively by the HIPAA Privacy and Security Rules or other provisions of federal statutory or regulatory law, it will be governed by and construed in accordance with the laws of the State of Washington.
- H. No Waiver. No change, waiver, or discharge of any liability or obligation hereunder on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.
- I. Interpretation. Any ambiguity of this Agreement shall be resolved in favor of a meaning that permits Covered Entity to comply with the HIPAA Privacy and Security Rules.
- J. Severability. In the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the provisions of this Agreement will remain in full force and effect.
- K. Notice. Any notification required in this Agreement shall be made in writing to the representative of the other Party who signed this Agreement or the person currently serving in that representative's position with the other Party.
- L. Certain Provisions Not Effective in Certain Circumstances. The provisions of this Agreement relating to the HIPAA Security Rule shall not apply to Business Associate if Business Associate does not receive any Electronic PHI from or on behalf of Covered Entity.
- M. Entire Agreement. This Agreement constitutes the entire understanding of the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written. In the event of any inconsistency between this Agreement and any other agreement between the Parties concerning the use and disclosure of PHI and the Parties' obligations with respect thereto, the terms of this Agreement shall control.

COMMERCE shall be considered the author of such Materials. In the event the Materials are not considered "works for hire" under the U.S. Copyright laws, the Grantee hereby irrevocably assigns all right, title, and interest in all Materials, including all intellectual property rights, moral rights, and rights of publicity to COMMERCE effective from the moment of creation of such Materials.

"Materials" means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. "Ownership" includes the right to copyright, patent, register and the ability to transfer these rights.

For Materials that are delivered under the Grant, but that incorporate pre-existing materials not produced under the Grant, the Grantee hereby grants to COMMERCE a nonexclusive, royalty-free, irrevocable license (with rights to sublicense to others) in such Materials to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. The Grantee warrants and represents that the Grantee has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to COMMERCE.

The Grantee shall exert all reasonable effort to advise COMMERCE, at the time of delivery of Materials furnished under this Grant, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Grant. The Grantee shall provide COMMERCE with prompt written notice of each notice or claim of infringement received by the Grantee with respect to any Materials delivered under this Grant. COMMERCE shall have the right to modify or remove any restrictive markings placed upon the Materials by the Grantee.

9. DUPLICATE PAYMENT

COMMERCE shall not pay the Grantee, if the Grantee has charged or will charge the State of Washington or any other party under any other Grant, subgrant/subcontract, or agreement, for the same services or expenses.

10. GOVERNING LAW AND VENUE

This Grant shall be construed and interpreted in accordance with the laws of the state of Washington, and any applicable federal laws, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

11. INDEMNIFICATION

To the fullest extent permitted by law, the Grantee shall indemnify, defend, and hold harmless the state of Washington, COMMERCE, agencies of the state and all officials, agents and employees of the state from and against all claims for injuries or death arising out of or resulting from the performance of the contract. "Claim" as used in this contract, means any financial loss, claim, suite, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or the destruction of tangible property including loss of use resulting therefrom.

The Grantee's obligation to indemnify, defend, and hold harmless includes any claim by Grantee's agents, employees, representatives, or any subgrantee/subcontractor or its employees.

Grantee expressly agrees to indemnify, defend, and hold harmless the State for any claim arising out of or incident to Grantee's or any subgrantee's/subcontractor's performance or failure to perform the Grant. Grantee's obligation to indemnify, defend, and hold harmless the State shall not be eliminated or reduced by any actual or alleged concurrent negligence of State or its agents, agencies, employees, and officials.

The Grantee waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend, and hold harmless the state and its agencies, officers, agents, or employees.

 - iii. Positive efforts shall be made to use small and minority-owned businesses.
 - iv. The type of procuring instrument (fixed price, cost reimbursement) shall be determined by the Contractor, but must be appropriate for the particular procurement and for promoting the best interest of the program involved.
 - v. Contracts shall be made with only reasonable subgrantees/subcontractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement.
 - vi. Some form of price or cost analysis should be performed in connection with every procurement action.

15. PUBLICITY

The Grantee agrees not to publish or use any advertising or publicity materials in which the state of Washington or COMMERCE's name is mentioned, or language used from which the connection with the state of Washington's or COMMERCE'S name may reasonably be inferred or implied, without the prior written consent of COMMERCE.

16. RECAPTURE

In the event that the Grantee fails to perform this Grant in accordance with state laws, federal laws, and/or the provisions of this Grant, COMMERCE reserves the right to recapture funds in an amount to compensate COMMERCE for the noncompliance in addition to any other remedies available at law or in equity.

Repayment by the Grantee of funds under this recapture provision shall occur within the time period specified by COMMERCE. In the alternative, COMMERCE may recapture such funds from payments due under this Grant.

17. RECORDS MAINTENANCE

The Grantee shall maintain books, records, documents, data and other evidence relating to this Grant and performance of the services described herein, including but not limited to accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Grant.

The Grantee shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Grant, shall be subject at all reasonable times to inspection, review or audit by COMMERCE, personnel duly authorized by COMMERCE, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

18. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Grant and prior to normal completion, COMMERCE may suspend or terminate the Grant under the "Termination for Convenience" clause, without the ten calendar day notice requirement. In lieu of termination, the Grant may be amended to reflect the new funding limitations and conditions.

19. SEVERABILITY

The provisions of this Grant are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Grant.

20. SUBGRANTING/SUBCONTRACTING

The Grantee may only subcontract work contemplated under this Grant if it obtains prior written approval of COMMERCE.

If COMMERCE approves subcontracting, the Grantee shall maintain written procedures related to subcontracting, as well as copies of all subcontracts and records related to subcontracts. For cause, COMMERCE in writing may: (a) require the Grantee to amend its subcontracting procedures as they relate to this Grant; (b) prohibit the Grantee from subcontracting with a particular person or entity; or (c) require the Grantee to rescind or amend a subcontract.

Every subcontract shall bind the Subcontractor to follow all applicable terms of this Grant. The Grantee is responsible to COMMERCE if the Subcontractor fails to comply with any applicable term or condition of this Grant. The Grantee shall appropriately monitor the activities of the Subcontractor to assure fiscal conditions of this Grant. In no event shall the existence of a subcontract operate to release or reduce the liability of the Grantee to COMMERCE for any breach in the performance of the Grantee's duties.

Every subcontract shall include a term that COMMERCE and the State of Washington are not liable for claims or damages arising from a Subcontractor's performance of the subcontract.

21. SITE SECURITY

While on COMMERCE premises, Grantee, its agents, employees, or subcontractors shall conform in all respects with physical, fire, or other security policies or regulations.

22. SURVIVAL
