RE: Comprehensive Flood Hazard Management Plan Update

Requested Action

River and Flood staff will present an overview of flood mitigation projects completed since the 1999 Comprehensive Flood Hazard Management Plan (CFHMP) was adopted along with an update on the progress of the current CFHMP update.

Background and Purpose

Since the adoption of the 1999 Comprehensive Flood Hazard Management Plan, several flood hazard mitigation projects have been completed resulting in more flood-resilient communities. This presentation will provide a summary overview of all projects completed since the 1999 CFHMP adoption, as well as a summary on the progress of the current CFHMP update.

Please contact Julie Anderson at extension 6258, if you have any questions or concerns regarding the presentation.
