## 8. Disputes.

Both DCYF and the County ("Parties") agree to work in good faith to resolve all conflicts at the lowest level possible. However, if the Parties are not able to promptly and efficiently resolve, through direct informal contact, any dispute concerning the interpretation, application, or implementation of any section of the Agreement or applicable Program Agreement(s), either Party may reduce its description of the dispute in writing, and deliver it to the other Party for consideration. Once received, the assigned managers or designees of each Party will work to informally and amicably resolve the issue within five (5) business days. If the managers or designees are unable to come to a mutually acceptable decision within five (5) business days, they may agree to issue an extension to allow for more time.

If this dispute process is used, the resolution decision will be final and binding as to the matter reviewed and the dispute shall be settled in accordance with the terms of the decision. Notwithstanding the foregoing, each Party reserves the right to litigate issues *de novo* in court.

Should a subcontractor to the County pursuant to a Program Agreement be unable to satisfy its joint and several liability, DCYF and the County shall share in the subcontractor's unsatisfied proportionate share in direct proportion to the respective percentage of their fault as found by the trier of fact. - a. At DCYF's discretion, the Program Agreement may be renegotiated under the revised funding conditions.
- b. Upon no less than fifteen (15) calendar days' advance written notice to County, DCYF may suspend County's performance of any Program Agreement when DCYF determines that there is reasonable likelihood that the funding insufficiency may be resolved in a timeframe that would allow the County's performance to be resumed prior to the normal completion date of the Program Agreement. For purposes of this sub-section, "written notice" may include email.
  - (1) During the period of suspension of performance, each party will inform the other of any conditions that may reasonably affect the potential for resumption of performance.
