SUBJECT: Request approval to sign agreement with Washington State Recreation and Conservation Office Washington Wildlife and Recreation Program Farmland Preservation grant program to provide matching funds for the acquisition of an agricultural conservation easement on the TeVelde property through the Purchase of Development Rights (PDR) Program.

Whatcom County PDR Program staff applied to the Washington State Recreation and Conservation Office (RCO) Washington Wildlife and Recreation Program (WWRP) Farmland Preservation grant program in 2018 for several of the Purchase of Development Rights Program applications. Several of the Whatcom County applications ranked well and upon passage of the Washington State Capital Budget in 2019, the TeVelde application has been awarded matching funds to contribute towards the purchase of an agricultural conservation easement on the TeVelde property.

TeVelde applied to the PDR Program in February of 2018. Approval to proceed with the acquisition of a title search and appraisal was approved by Whatcom County Council on May 21, 2019 through Resolution 2019-026.
