RE: Lydia Place – Shelter Grant Contract Amendment #5

DATE: August 11, 2021

Attached is a contract amendment between Whatcom County and Lydia Place for your review and signature.

▪ **Background and Purpose**

This contract provides year-round funding for four motel rooms to be used as emergency housing for families experiencing unsheltered homelessness as well as a variable number of additional motel rooms to be used on an as-needed basis for families with children who would otherwise experience unsheltered homelessness. A portion of the funds will be used to provide supportive services to help those families exit motel rooms into permanent, stable housing. The purpose of this amendment is to increase funding by \$107,000 to support additional families with children who are experiencing homelessness by providing motel rooms as interim housing, while permanent housing solutions are pursued.

▪ **Funding Amount and Source**

Funding for this contract, in an amount not to exceed \$600,074 during this contract period (01/01/2022 – 12/31/2022) and \$954,996 during the entire contract period (10/01/2020 – 12/31/2022), is provided by the Washington State Department of Commerce Shelter, Consolidated Homeless, and Emergency Solutions COVID-19 (CFDA 14.231) Grants and local Document Recording Fees. These funds are included in the 2022 budget. Council approval is required as the additional funding provided by this amendment exceeds 10% of the approved budget.
