STATEMENT OF WORK**

Title: Whatcom County LIO-FFY2022 Funding

Task 1: Organize, Support, Administer, Facilitate, and Coordinate a Local Integrating Organization

The local integrating organization (LIO) is responsible for organizing and supporting a diverse committee of representatives to discuss and make recommendations related to Action Agenda planning, local ecosystem recovery planning, and LIO Plan implementation interests. The Partnership will support the LIO through Ecosystem Recovery Team liaison participation at LIO meetings as the Partnership budget allows. The LIO shall maintain sufficient administration, facilitation, and coordination capacity to support the ongoing goals and objectives of a LIO.

Required for FFY 2021/2022 funding:

- Subtask 1.01 Maintain a local point of contact for the LIO.
- Subtask 1.02 Serve as an agent for local engagement and coordination in the LIO.
- Subtask 1.03/1.04 Administer the Whatcom LIO including arranging LIO meetings, preparing agendas, meeting summaries, briefing papers and other supporting materials and facilitating meetings. Complete other tasks as identified by the WRIA 1 Watershed Management Board or Management Team needed to support LIO functions. LIO meetings include the WRIA 1 Watershed Management Board, WRIA 1 Management Team, Steering Committee, and joint Staff Teams. These meetings are the framework for developing, vetting, coordinating, and/or approving outcomes of tasks outlined in the LIO scope of work. This is also the framework for coordinating LIO positions/response/feedback to the regional Puget Sound committees and Boards.
- Subtask 1.05 Update name, organizational affiliation, contact information, and committee(s) role of each LIO member in MiradiShare. Notify ER liaison, and update member roster when there is a change to participation.
- Subtask 1.06 Maintain publicly-available information about the LIO, including notice of meetings, agendas, summary notes, and/or opportunities for content review. Maintain up to date LIO information on a public website.
- Subtask 1.07 Participate in regional meetings, including:
 - Monthly Action Agenda and Coordinator Caucus meetings (1-2 hrs). These meetings will all be held virtually.
 - Quarterly LIO coordinator meetings (3 virtual, 1 in-person). (*Partnership may adjust the following dates to better align with Ecosystem Coordination Board (ECB) dates. Meetings will fall on a Tuesday.*)

- [Ecosystem Coordination Board \(ECB\)](#): The Puget Sound Partnership's Ecosystem Coordination Board (ECB) meets quarterly. At two (Fall and Spring) of the four scheduled meetings, the ECB will co-host a 2-hour local forum with the local integrating organization (LIO) leadership and may invite local leadership from within the LIO geography or other LIO geographies to participate. *It is likely that the ECB meeting will be held virtually.*
- Subtask 1.11 Develop an annual work plan for the LIO.
Work with committees to tee up specific topics of high priority for the LIO to address (and how) for the subsequent year (2022-2023) or later in the 2021-2022 FFY year. This should be a small subset of LIO Plan elements.

Task 2: Advance Implementation of the 2018-2022 Action Agenda and Contribute to Development of the 2022-2026 Action Agenda

LIOs serve an important role in coordinating the identification and implementation of local priorities identified in the Puget Sound Action Agenda. Work under this task is related to advancing Puget Sound recovery through local implementation of Regional Priorities and near-term actions (NTAs) that exist in the approved LIO Plan and the 2018 – 2022 Action Agenda. Work under this task is also related to contributing local knowledge, priorities, and needs to inform the 2022 Action Agenda update, and working directly with Strategic Initiative Leads on multi-year implementation planning.

Required for FFY 2021/2022 funding:

- Subtask 2.01 Coordinate and catalyze implementation of the 2018-2022 Action Agenda
All the following activities are required:
- Coordinate presentations/status updates from NTA owners on NTA progress to full LIO membership
 - Share progress on NTAs relevant to the LIO using [Puget Sound Info Action Agenda Tracker](#).
 - *Purpose: LIO committee(s) discuss how to support NTAs that are off-track or experiencing a barrier. LIOs may also choose to discuss the successes of certain NTAs.*

- Offer support to local NTA owners by sharing funding opportunities with NTA owners and assist NTA owners in identification of funding opportunities, as requested and as time allows.
 - Offer support to local NTA owners by coordinating Partnership letters of support for NTAs for non-NEP funding sources. Offer support to coordinate requests for a Whatcom LIO letter of support including assistance in understanding LIO requirements for obtaining letters of support. If regional NTA owners request an LIO letter of support, discuss and determine LIOs support of the regional NTA.
 - Offer local support to implementation of local NTAs by identifying PS Info Action Agenda Tracker funded NTAs, initiating dialogue between the LIO and NTA owner and communicating and coordinating on elements of interest to the LIO.
 - Offer local support to implementation of regional NTAs. Coordinate with SILs to determine how and what activities will support local/regional project implementation. (See subtask 2.02)
- Subtask 2.02 Engage with SILs, Partnership, and EPA in discussions to outline and plan collaborative planning and implementation processes for the next 5 years
- Examples may include collaborative direct funding contracting, outlining desired collaborative AA implementation tasks between SILs and LIOs, and developing pilot projects, among many others.
- Subtask 2.03 Prior to each Ecosystem Coordination Board meeting, engage the LIO ECB representative regarding issues and preferences of the LIO. Encourage ECB representative engagement in Action Agenda discussions held at ECB meetings. Please review [ECB-LIO Expectations document](#) for details.
- Subtask 2.04 Coordinate local contributions and content for the 2022-2026 Action Agenda. Engage with the Partnership and Strategic Initiative Lead baseline conversations around the development and execution of the 2022 Action Agenda.
- Lead or assist in drafting local area content for the 2022-2026 Action Agenda and review of draft content (intended for late 2021)
 - Encourage LIO committee participation and/or participate as coordinator in LIO committee conversations with the Partnership and the SILs to identify local priorities, programs, actions, and commitments for inclusion in the 2022-2026 Action Agenda.¹
 - Coordinate LIO comments and/or provide LIO coordinator comments on draft products related to the 2022 Action Agenda update. These may include:
 - Action Agenda strategies (beginning in Summer 2021)
 - Action Agenda actions including example actions, commitments from partners, and policy recommendations (~fall-winter 2021)
 - Public review draft of the full Action Agenda (~early spring 2022)

¹ The details of how the collaboration for strategies and actions are still evolving. Please stay engaged in these conversations in summer 2021 and adjust the budget as necessary.

- Board review draft (~late spring 2022).
- Begin work with LIO committees to implement and/or support draft strategies (phase 3) and actions and commitments (phase 4), as appropriate and as content is identified and approved.

Task 3: Performance Management

The LIO shall report on progress toward sub-tasks and deliverables through a quarterly progress report provided to the Partnership by the following dates: **January 17 (Mon); April 15 (Friday); July 15 (Friday); Sept 30 (Friday)**. The LIO fiscal agent shall provide **monthly** invoices with brief explanations of activities two weeks after the end of each month (final invoice and progress report due on September 30, 2021). These reports (progress reports and invoices) will be used by the Partnership for the Financial Ecosystem Assessment Tracking system (FEATs), NEPORT, NEP Atlas, other reporting needs, and to show how LIOs are advancing their plan locally and regionally.

Required for FFY 2021/2022 funding:

- Subtask 3.01 Send contract progress reports by Task (1-5) on a **quarterly** basis (**January 17 (Mon); April 15 (Fri); July 15 (Fri); Sept 30 (Fri)**) to the Partnership using the Partnership-provided reporting formats (*i.e. progress report template*).
- Subtask 3.02 Send billing summary by Task (1-5) and proof of expenditure for grant activities on a **monthly** basis (on or before the 15th of each month) to the Partnership using the Partnership-provided reporting formats (*i.e. the "Paypack" document*).
- Subtask 3.03 Support local NTA owners to track implementation status on a 6-month basis and financial data (funding needed, secured and expended) using PS Info.
Note: NTA owner is responsible for providing this information. If an NTA owner is not responsive, and if needed, assist Partnership in outreach to NTA owner. LIO coordinators may reach out to the Partnership to be assigned as Local Stewards for a selection of NTAs from their LIO. This assignment will allow LIO coordinators to more easily track local NTAs and provides the ability for coordinators themselves to provide NTA status and funding updates directly in the Action Agenda Tracker.

Task 4: Support Adaptive Management and Communication of LIO Ecosystem Recovery Plans

The LIO shall manage revisions and communicate LIO Plan content in coordination with local and regional partners. Adaptively managing and strategically communicating the LIO Plan engenders confidence in local and regional decision makers that there are well defined problems in Puget Sound at the LIO scale; that LIOs know what to do to address them; the LIO knows which partners to engage and for what purpose; and that LIO work is well integrated into an overall strategy for Puget Sound Recovery. The Plan serves as a longer-term strategic framework from which the Partnership and other partners can produce a variety of products associated with planning and communicating Puget Sound recovery goals, strategies, outcomes, barriers and solutions. Examples of these products include Implementation Strategies and a variety of LIO Plan synthesis products.

Required for FFY 2021/2022 funding:

- Subtask 4.01 Update and adaptively manage LIO Plan.
 - Update the LIO plan using Miradi in response to conversations and

workshops held as part of 2022 Action Agenda Development

- Work with relevant committees or boards for approval of LIO Plan updates.
 - In response to needs and requests of LIO committees, update and/or further develop LIO Plan, or create a plan to do so in future FFY years. This should work in coordination with subtask 3.04. (ex. build dialogue and update strategies and actions related to diversity, equity and inclusion; reducing the magnitude and effect of climate change)
- Keep LIO Plan Miradi files up to date (e.g., goals, objectives, results chains, barriers and gaps).

Examples:

- Incorporate Vital Sign Updates into LIO Plan
- Crosswalk with new and updated Implementation Strategies and determine linkages and geographic tailoring
- Incorporate content from adaptively managed or updated salmon recovery chapters into LIO Plan.
- Continue integration of human wellbeing and climate change framework into the LIO Plan.

Subtask 4.02 Develop and distribute a LIO Plan progress report to the LIO committees and the Partnership 1x a year.

Purpose: The LIO Plan progress report is intended to keep LIO committees accountable to the LIO Plan, aware of areas in the Plan that are in need of updates, and in dialogue of what barriers exist, persist, and how the LIO can support the work of LIO committee members and the organizations and/or jurisdictions that they represent. LIO coordinators may choose to make the progress of their LIO Plan an agenda item at one or more meetings.

Subtask 4.03 Review materials and provide feedback and/or input on needed materials for Puget Sound Info platform.

- PS Info will have both a local area page and a LIO organization page. The Partnership will work closely with LIO coordinator to ensure that these pages are accurate and up to date.

Task 5: Tailor LIO coordination to Support Unique Vision and Goals of LIO

Subtask 5.03 **Reactivate or support Local Education and Outreach Network or similar groups**

Support or reactivate the local ecosystem recovery outreach network. This task is intended to target the Education, Communication, and Outreach Network (ECO Net) within the LIO area or the pre-existing equivalent and to advance and catalyze implementation of LIO Plan priority public engagement, awareness raising, incentive, and/or compliance projects and programs within the LIO (including NTAs).

- Fund capacity for LIO coordinator (or subcontract funds to a separate ECO Net coordinator or equivalent, approximately \$6,000, not to exceed \$10,000) to:

- Continue collaborating and coordinating on outreach of strategies and topics associated with the LIO Plan, WRIA 1 Watershed Management Board work plan and other WRIA 1 efforts with the local outreach network (Whatcom Watersheds Information Network-WWIN) through:
 - regular updates to Management Team,
 - participation of LIO members on the WWIN Steering Committee,
 - and input to the WWIN annual work plan.

Capacity will be used to update and upgrade the WWIN website, support and expand community participation in Whatcom Water Week (third week of September), and other tasks identified in the WWIN Work Plan or as requested by WRIA 1 Management Team.

Subtask 5.05 Pursue Funding Strategy for 2018-2022 Action Agenda Implementation

Support priority NTAs and actions in the Action Agenda, LIO Plan, WRIA 1 Watershed Management Board work plan, and other priority programs by building LIO capacity to efficiently and effectively compete for project funding.

- Develop an integrated funding strategy that will complement and/or build on other local or regional funding strategies. Develop communications materials to target potential funders. Funding for staff and/or consultant to carry out activities including:
 - developing a sequenced list of projects for funding
 - cost-benefit-analysis of the projects to demonstrate the value to funders/the community
 - leveraging opportunities analysis to identify and target funding gaps
 - increase overall capacity to support partners with strategically targeted grant applications.

. Subtask 5.07 Justice, Equity, Diversity and Inclusion (JEDI)

Discuss and Integrate principles of Justice, Equity, Diversity, and Inclusion into LIO governance, structure, and/or planning.

- Understand and articulate JEDI in the LIO context along with barriers and proposed solutions to access and participate in decision making within LIO.
- Outreach, inform, educate, and recruit representatives from marginalized or underrepresented community organizations or coalitions within the LIOs geography. Provide stipends, when needed, to representatives from marginalized or underrepresented community organizations or coalitions within the LIOs geography

A DUNS® number provides a method to verify data about your organization. If you do not already have one, you may receive a DUNS® number free of charge by contacting Dun and Bradstreet at www.dnb.com.
- c. Any sub-recipient that meets each of the below criteria must also report compensation for its five top executives, using AGENCY's Federal Funding Accountability and Transparency Act (FFATA) Data Collection Form if the sub-recipient meets the following criteria:

11. LEP (Limited English Proficiency) Title VI

As a recipient of EPA financial assistance, you are required by Title VI of the Civil Rights Act to provide meaningful access to LEP individuals. In implementing that requirement, the Sub-recipient agrees to use as a guide the Office of Civil Rights (OCR) document entitled "*Guidance to Environmental Protection Agency Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons.*" The guidance can be found at http://frwebgate.access.gpo.gov/cgi-bin/getdoc.cgi?dbname=2004_register&docid=fr25jn04-79.pdf.

In accepting this contract, the recipient acknowledges it has an affirmative obligation to implement effective Title VI compliance programs and ensure that its actions do not involve discriminatory treatment and do not have discriminatory effects even when facially neutral. The recipient must be prepared to demonstrate to EPA/PSP that such compliance programs exist and are being implemented or to otherwise demonstrate how it is meeting its Title VI obligations. For example, if CONTRACTOR's responsibilities under this contract include gathering public input on an environmental issue, CONTRACTOR's communication with the public should attempt to minimize barriers that interfere with the ability of LEP persons to meaningfully participate.

12. MANAGEMENT FEES

Management fees or similar charges in excess of the direct costs and approved indirect rates are not allowable. The term "management fees or similar charges" refers to expenses added to the direct costs in order to accumulate and reserve funds for ongoing business expenses, unforeseen liabilities, or for other similar costs which are not allowable under this CONTRACT. Management fees or similar charges may not be used to improve or expand the project funded under this Agreement, except to the extent authorized as a direct cost of carrying out the scope of work.

13. PEER REVIEW

The results of this project may affect management decisions relating to Puget Sound. Prior to finalizing any significant technical products the Principal Investigator (PI) of this project must solicit advice, review, and feedback from a technical review or advisory group consisting of relevant subject matter specialists. A record of comments and a brief description of how

respective comments are addressed by the PI will be provided to the Project Monitor prior to releasing any final reports or products resulting from the funded study.

14. REIMBURSEMENT LIMITATION

If CONTRACTOR expends more than the amount of the Environmental Protection Agency (EPA) funding in this agreement in anticipation of receiving additional funds from EPA, it does so at its own risk. EPA is not legally obligated to reimburse PSP, nor its sub-recipients, for costs incurred in excess of the EPA approved budget.

15. SEMI-ANNUAL AND ANNUAL PERFORMANCE REPORTS

The Sub-recipient shall submit performance reports during the life of the project, as specified in the statement of work or work plan developed under this contract.

In addition to the periodic performance reports, the recipient shall submit a final performance report, which is due 90 calendar days after the expiration or termination of the award, or as specified in the work plan or statement of work. The report shall be submitted to the PSP Project Officer and may be provided electronically. The report shall generally contain the same information as in the periodic reports, but should cover the entire project period. After completion of the project, the PSP Project Officer may waive the requirement for a final performance report if the PSP Project Officer deems such a report is inappropriate or unnecessary.

16. SIX GOOD FAITH EFFORTS, 40 CFR, PART 33, SUBPART C

Pursuant to 40 CFR, Section 33.301, the recipient agrees to make the following good faith efforts whenever procuring construction, equipment, service and supplies under an EPA financial assistance agreement, and to require that subrecipients, loan recipients, and prime contractors also comply. Records documenting compliance with the six good faith efforts shall be retained:

- a) Ensure DBEs are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For Indian Tribal, State and Local Government recipients, this will include placing DBEs on solicitation lists and soliciting whenever they are potential sources.
- b) Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
- c) Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and local Government recipients, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
- d) Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.
- e) Use the services and assistance of the SBA and the Minority Business Development Agency of the Department of Commerce.
- f) If the prime contractor awards subcontracts, require the prime contractor to take the steps in paragraph (a) through (e) of this section.

17. SUB-AWARDS

If CONTRACTOR (Sub-Recipient) makes sub-awards under this contract, CONTRACTOR is responsible for selecting its sub-awardees and, if applicable, for conducting sub-award competitions. CONTRACTOR agrees to:

- a. Establish all sub-award agreements in writing;
- b. Maintain primary responsibility for ensuring successful completion of the approved project (Sub-Recipient cannot delegate or transfer this responsibility to a sub-awardee);
- c. Ensure that any sub-awards comply with the standards in Section 210(a)-(d) of OMB Circular A-133, and are not used to acquire commercial goods or services for the sub-awardee;
- d. Ensure that any sub-awards to 501(c)(4) organizations do not involve lobbying activities;
- e. Monitor the performance of sub-awardees, and ensure sub-awardees comply with all applicable regulations, statutes, and terms and conditions which flow down in the sub-award;
- f. Obtain AGENCY's consent before making a sub-award to a foreign or international organization, or a sub-award to be performed in a foreign country; and
- g. Obtain approval from AGENCY for any new sub-award work that is not outlined in the approved work plan in accordance with 40 CFR Parts 30.25 and 31.30, as applicable.

18. TRAFFICKING IN PERSONS AND TRAFFICKING VICTIM PROTECTION ACT OF 2000 (TVPA) AS AMENDED IN 22 U.S.C. 7104(g)

This provision applies only to a Sub-Recipient, and all sub-awardees of Sub-Recipient, if any. See page one (1) of this contract for determination of whether CONTRACTOR is a sub-recipient. Sub-Recipient shall include the following statement in all sub-awards made to any private entity under this Agreement.

"You as the Sub-Recipient, your employees, sub-awardees under this award, and sub-awardees' employees may not engage in severe forms of trafficking in persons during the period of time that the award is in effect; procure a commercial sex act during the period of time that the award is in effect; or use forced labor in the performance of the award or sub-awards under this Award."

Sub-Recipient, and all sub-awardees of Sub-Recipient must inform AGENCY immediately of any information you receive from any source alleging a violation of this prohibition during the award term.

Federal agency funding this agreement may unilaterally terminate, without penalty, the funding award if this prohibition is violated, Section 106 of the Trafficking Victims Protection Act of 2000, as amended.

19. UNLIQUIDATED OBLIGATIONS (ULO)

Sub-recipients, and all sub-awardees of Sub-Recipients, if any, should manage their agreement and subaward funding in ways that reduce the length of time that federal funds obligated and committed to subaward projects are unspent (not yet drawn down through disbursements to sub-recipients and sub-awardees).

RE: Interagency Agreement #2022-21: Whatcom County LIO – FFY2022 Funding

Please find enclosed for your review and signature two (2) originals of Interagency Agreement # 2022-21: Whatcom County LIO – FFY2022 Funding between the State of Washington Puget Sound Partnership (PSP) and the Whatcom County Flood Control Zone District to coordinate the Whatcom County Local Integrating Organization (LIO).

Requested Action

Public Works respectfully requests that the County Executive for the Whatcom County Flood Control Zone District Board of Supervisors approve and sign the attached grant agreement as the fiscal agent for the Whatcom County LIO.

Background and Purpose

The WRIA 1 Watershed Management Board acts as Local Integrating Organization (LIO) for water resources programs in the Whatcom County region. The WRIA 1 Management Team met on August 11, 2021 and approved the draft FFY 2022 LIO Coordination Scope of Work for the Whatcom County Flood Control Zone District as fiscal agent, acting on behalf of the WRIA 1 Watershed Management Board, for negotiating a contract with the Puget Sound Partnership. This agreement provides funds for tasks related to 1) organize, support, administer, facilitate, and coordinate a Local Integrating Organization, 2) advance implementation of the 2018-2022 action agenda and development of the 2022-2026 action agenda 3) performance management, 4) support adaptive management of LIO Ecosystem Recovery Plans, and 5) tailor LIO Coordination to support unique vision and goals of LIO.

Tasks 1-4 are very similar to the past three LIO coordination grants. Funding in Task 5 provides capacity for the LIO to support local outreach networking, develop an integrated funding strategy to support priority Near Team Actions (NTAs), and to integrate principles of Justice, Equity, Diversity, and Inclusion into LIO governance, structure and/or planning.

Funding Amount and Source

This grant agreement with the Puget Sound Partnership provides \$125,000 to complete tasks as outlined in the scope of work. Please contact Gary Stoyka at extension 6218 or Austin Rose at 6286 if you have any questions or concerns regarding the terms of this agreement.
