SUBJ: Appointments of Susan David and Quentin Dills to the Forestry Advisory Committee (AB2022-546)

Two members of the Forestry Advisory Committee are appointed to commercial forest landowner positions 1 and 2, and are requesting to transfer their representative positions.

- Susan David is asking to transfer to the vacant forest products manufacturer position. The Council appointed Susan David as a commercial forest landowner representative in January 2022. She is serving her first term, ending January 31, 2026.
- Quentin Dills is asking to transfer to the vacant harvester position. The County Council appointed Quentin Dills to the Forestry Advisory Committee as a commercial forest landowner representative in April 2022. He is serving his first term, ending January 31, 2026.

If granted, commercial forest landowner positions 1 and 2 will become vacant, and non-County residents are eligible to fill these positions. The Council Office has received applications from two non-County residents to fill the commercial forest landowner positions (see AB2022-547, appointment tentatively scheduled for October 25, 2022).

Requested Action: Council is asked appoint Susan David to the forest products manufacturer position and Quentin Dills to the harvester position for the remainder of their current, first terms: January 31, 2026. They will then be able to reapply for their second term per the regular County appointment process.
