MEMO

To: Whom it may concern

From: Robert Greene
Whatcom County Sheriff's Office Public Safety Communications Manager

Subject: Whatcom County Public Safety Radio System

Date: July 17, 2024

The City of Bellingham has dissolved its emergency worker program. With that, this leaves a void for emergency communication from the City to the EOC in the event of a disaster. The County's Auxiliary Communication Service (ACS) has the ability to fill this gap and this ILA firms up the parameters for that. This is a no cost ILA as the ACS is a volunteer organization under the Division of Emergency Management.
