SUBJ: Address and Road Name Citizen Appeals Committee Membership History

The County Council adopted Ordinance 1996-049 in November 1996 to create a Road Naming System for Whatcom County. Newly-adopted Code section 12.60.040 included the creation of the Address and Road Name Appeals Committee. Council made its first appointments to that committee in February 1997.

The Council Office maintains appointment information for the Address and Road Name Citizen Appeals Committee. For information about the work of the Committee, please contact the Public Works Department.

The committee has not had at least three of the five positions (a quorum) filled since 2005. The Council Office included vacancies on the committee on all vacancy lists through 2011. In August 2011 Public Works staff indicated that the committee is not active, and that there was no need to solicit new applicants, but it may become active again at some point in the future.
