The Local shall provide the Employer with a list of Local officers along with their current personal phone numbers for contacting them. Should the list of names or their phone numbers change, then a revised list shall be provided to the Employer Human Resources Department within five (5) working days of the change.

1.2 Employees Covered. The Employer agrees to advise and negotiate with the Union in advance of the elimination of any classifications or the creation of new classifications within the bargaining unit. The Employer agrees to negotiate the impacts of any such actions with the Union. In cases of dispute the parties agree to follow the Public Employment Relations Commission (PERC) procedures for a Unit Clarification.

1.5 Labor Management Meetings. The Union/Local and the Employer shall conduct labor/management conferences (herein **“LMC”**) to discuss ongoing business between the parties to address issues that may arise during the term of the agreement and as an attempt to resolve disagreements that may occur. Such meetings should occur at least quarterly or as requested by the Local or Union.

1.5.2 Technology. Technology will be a standing topic for discussion at LMC meetings.

1.5.3 Performance Evaluations. Evaluation procedure and implementation will be a standing topic for discussion at LMC meetings.

1.6 Negotiations. Up to 2 members of the Local along with the Union representative shall be allowed to attend all negotiations sessions during working hours and with pay, providing such time off will not unnecessarily disrupt the operations of the Employer.

1.7 Attendance at Workshops. Uncompensated time off for Union activity may be requested. Such time off will be allowed so long as it does not unnecessarily disrupt the operation of the County and is subject to the approval of the Supervisor.

When Employees on layoff are recalled within the time limits provided in this Article, they will commence to accrue vacation at the same level (per Article 10.2) from the day of the layoff. Employees reinstated within 12 months of layoff shall have any remaining sick leave balance after cash-out reinstated.

ARTICLE 8 – LEAVES

The Employer agrees to provide leave to any eligible Employee covered by this Agreement, consistent with the Washington State Family Leave Laws and the Federal Family and Medical Leave Act (FMLA). Sick leave hours accrued to a maximum of forty-eight (48) hours, minus hours used, multiplied by 25%, multiplied by the hourly rate at year-end, equals the 457 contribution. Employees eligible for a contribution must be enrolled in a 457 deferred compensation plan prior to February 1 of the following year (or at termination, if earlier) to receive the contribution, or the 457 contribution will be forfeited.

9.6 Separation Cashout. Employees with three (3) or more years of current, continuous employment with the Employer shall be entitled to sick leave cash out upon voluntary separation, layoff or death in the amount of twenty-five (25%) percent of accrued hours up to a maximum of 960 hours. 10.5 Annual Cashout by Mutual Agreement. If funds exist in the department’s current budget, by mutual agreement between the Employee and Employer, up to forty (40) hours of vacation anticipated to be above the 240 hours carryover maximum can be cashed out each calendar year.

forward and must be used in the following year. Unused compensatory time earned under this provision will be cashed out upon separation of employment.

ARTICLE 12 – SALARY

12.1 Salary Schedules. Employees shall be classified pursuant to Addendum A (Salary Matrix), which are a part of this Agreement by reference. The monthly salaries shall be established within the ranges and steps provided for each group and shall be effective on the date listed on the applicable salary matrix in Addendum A and shall remain in place until changed. Pay differences between the 2020 Salary Matrix and the adopted Salary Matrix as calculated from the date of the Christie agreement shall retroactively be distributed in a lump sum to Employees after the ratification of this contract.

Monthly salary amounts indicated are for one (1.0) FTE (full-time equivalent). On an annual basis, full-time equivalency is considered to be 2,080 hours, calculated as eight hours a day times five work days per week. Monthly amounts may be converted to an hourly rate by dividing the monthly amount by 173.33.

Effective the first full pay period following ratification, each active employee on payroll will receive a one-time lump sum payment in the amount of one thousand dollars (\$1,000).

12.2 Future Changes. The County and Union agree that it would be mutually beneficial to minimize the bargaining process in the future. As such, the parties have agreed that with regard to the major economic terms of wages and deferred compensation during the period of this contract, the mutual expectation of the parties is that Employees will receive the same wages for a given rank and step as received by the unrepresented attorneys in the Prosecuting Attorney's Office. For wages, this means that the timing and amount of the annual percentage increase will be the same for the two groups and any increases in wages will be shared by both groups. If there is a change in the deferred compensation employer match contribution for the prosecuting attorneys, it will also be applicable to the represented Employees.

12.2.1 Deferred Compensation. The Employer provides the opportunity for voluntary Employee participation in deferred compensation (457 plans) and 401(a) programs. The Employer matches these contributions fifty cents on the dollar, up to a maximum of 2% of base salary, with County contributions placed in a 401(a) Plan. New employees may, within thirty (30) calendar days of hire, elect to contribute directly to the 401(a) Plan.

It is understood by both parties that the County's deferred compensation match is generally only offered to unrepresented employees. Should Employees choose in the future to bargain wage amounts other than parity with the unrepresented prosecuting attorneys, it is understood that the deferred compensation match will likely be discontinued.

12.3 Specialty Assignment Pay. Employees assigned to a **“Specialty Assignment”** will receive an additional 2.5% of their current base pay while so assigned and shall have their caseloads adjusted, to the extent possible, to account for the extra duty. Specialty Assignments may include Training, Felony, or any other assignments established by the Employer. Employees assigned to a Specialty Assignment do not have a property right in such assignment and may be transferred in and out of such assignments at the sole discretion of the Employer. Nothing herein shall require the Employer to fill Specialty Assignments.

12.4 Step Movement. Step movement will occur on the first day of the month of hire or the appropriate adjusted month. All step increases shall be awarded on the basis of successful job performance as measured by not receiving a ‘needs improvement’ or ‘fails to meet expectations’ for the Employee’s overall annual performance evaluation.

12.5 Performance Evaluation. Prior to each Employee’s next step increase date, the department supervisor will conduct an Employee performance evaluation. These evaluations shall be done on an annual basis. Employees shall have an opportunity to review their job duties and content with their supervisor as part of the annual performance review.

12.6 Position Pay Ranges. The pay range established for the positions listed in Addendum A shall only be revised as provided for in this agreement.

12.7 Promotion and Reclassification Salary. Employees who are promoted into a higher position or reclassified because of the addition of significantly higher-level duties, shall move to the step in the new range as provided below. Employees are placed in a step providing at least a 5% wage increase. The ‘top wage step’ is defined as the highest step in a given range which includes an annual increase in the wage rate over the preceding step.

If a 5% increase would place the Employee below the top wage step in the new range, the Employee is placed in the new range in the step providing at least a 5% increase. The reclassification or promotion date becomes the next step date.

For Employees currently below the top wage step if a 5% increase would place the Employee at or above the top wage step in the new range, the Employee is placed in the top wage step. The reclassification or promotion date becomes the next step date.

For Employees currently at or above the top wage step if a 5% increase would place the Employee at or above the top wage step in the new range, the Employee is placed in the new range at their current step and maintains their current next step date.

12.8 Employee After-Hours Weekly Rotations.
