---

This lease amendment with Lookout Mountain Holdings will allow for the addition of two (2) three-foot (3') microwave dishes to the tower permitting the current radios at the site to connect to Whatcom County Microwave System and give redundancy to the site that currently does not exist. By doing so, public and deputy safety will be greatly increased. This base rent will increase by \$6,000 through July 2026. This funding for this will come from the radio budget 13511014.6870.
