Shoreline Jurisdiction:
The purpose of the official shoreline environment designations map is to depict graphically those areas of Whatcom County falling under the jurisdiction of this program, and the shoreline environment designations of those areas. The map does not necessarily identify or depict the lateral extent of shoreline jurisdiction nor does it identify all associated wetlands. The lateral extent of the shoreline jurisdiction shall be determined on a case-by-case basis based on the location of the ordinary high water mark (OHWM), floodway, floodplain, and presence of associated wetlands.
