RE: High Intensity Drug Trafficking Area (HIDTA) Funding

Attached is a contract between Whatcom County and the Executive Office of the President for your review and signature:

- **Background and Purpose:**

NW HIDTA sent the 2024/2025 HIDTA approved grant award. The HIDTA grant funds pertain to reimbursement for salaries and benefits for two employees in my office, which is a Deputy II Prosecutor and a Legal Assistant. This grant will support initiatives designed to implement the Strategy proposed by the Executive Board of the NW HIDTA and approved by the Office of National Drug Control Policy.

- **Funding Amount and Source:**

The 2024/2025 HIDTA grant amount of federal funding is \$170,590. The two positions that are assigned to the HIDTA initiative, also work on cases that are not HIDTA related; therefore, the grant only reimburses for 80% of the salaries and benefits. The grant agreement and conditions are enclosed.

- **Differences Between Previous Contract:**

The Prosecutor's office has received this same grant in previous years with only a few changes to the 2024/2025 award. The award is slightly higher this year which reflects the 3% wage increase for County Employees. This award is solely for the Prosecutor's Office.

Please contact Laura Singletary, Administrative Manager at 360-778-5716 (lsinglet@co.whatcom.wa.us) if you have any questions or concerns regarding this request.

For more information on the § 200 Uniform Requirements, see <https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200>. For specific, award-related questions, recipients should contact ONDCP promptly for clarification.
2. This award is subject to the following additional regulations and requirements:
 - 28 C.F.R. § 69 – “New Restrictions on Lobbying”
 - 2 C.F.R. § 25 – “Universal Identifier and System of Award Management”
 - Conflict of Interest and Mandatory Disclosure Requirements
 - Non-profit Certifications (when applicable)
3. Audits conducted pursuant to 2 C.F.R. § 200, Subpart F, “Audit Requirements” must be submitted no later than 9 months after the close of the grantee’s audited fiscal year to the Federal Audit Clearinghouse (fac.gov)
4. Grantees are required to submit Federal Financial Reports (FFR) to the Department of Health and Human Services, Payment Management System (HHS-PMS). The Federal Financial Report is required to be submitted quarterly and within 90 days after the grant is closed out.
5. The recipient gives the awarding agency or the Government Accountability Office, through any authorized representative, access to, and the right to examine, all paper or electronic records related to the grant.
6. Recipients of HIDTA funds are not agents of ONDCP. Accordingly, the grantee, its fiscal agent(s), employees, contractors, as well as state, local, and Federal participants, either on a collective basis or on a personal level, shall not hold themselves out as being part of, or representing, the Executive Office of the President or ONDCP.
7. These general terms and conditions, as well as archives of previous versions of these general terms and conditions, are available online at <https://www.whitehouse.gov/ondcp/grant-programs/>.

ONDCP may also terminate the award if it no longer effectuates program goals or agency priorities. See 2 CFR 200.340.
9. Conflict of Interest and Mandatory Disclosures

A. Conflict of Interest Requirements

As a non-federal entity, you must follow ONDCP's conflict of interest policies for federal awards. Recipients must disclose in writing any potential conflict of interest to an ONDCP Program Officer; recipients that are pass-through entities must require disclosure from sub-recipients or contractors. This disclosure must take place immediately whether you are an applicant or have an active ONDCP award.

The ONDCP conflict of interest policies apply to sub-awards as well as contracts, and are as follows:

- i. As a non-federal entity, you must maintain written standards of conduct covering conflicts of interest and governing the performance of your employees engaged in the selection, award, and administration of sub-awards and contracts.
- ii. None of your employees may participate in the selection, award, or administration of a sub-award or contract supported by a federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from an organization considered for a sub-award or contract. The officers, employees, and agents of the non-federal entity must neither solicit nor accept gratuities, favors, or anything of monetary value from sub-recipients or contractors or parties to sub-awards or contracts.
- iii. If you have a parent, affiliate, or subsidiary organization that is not a state, local government, or Indian tribe, you must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of relationships with a parent company, affiliate, or subsidiary organization, you are unable or appear to be unable to be impartial in conducting a sub-award or procurement action involving a related organization.

B. Mandatory Disclosure Requirement

As a non-federal entity, you must disclose, in a timely manner, in writing to ONDCP all violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Non-federal entities that have received a federal award including the terms and conditions outlined in appendix XII of this part are required to report certain civil, criminal, or administrative proceedings to the System for Award Management (SAM), currently the Federal Awardee Performance and Integrity Information System. Failure to make required disclosures can result in any of the remedies described in § 200.339. (See also 2 C.F.R. §180, 31 U.S.C. § 3321, and 41 U.S.C. § 2313.)

None of the funds appropriated or otherwise made available by this grant or any other Act may be used to fund a contract, grant, or cooperative agreement with an entity that requires employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contractors from lawfully reporting such waste, fraud, or abuse to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information. This limitation shall not contravene requirements applicable to Standard Form 312, Form 4414, or any other form issued by a Federal department or agency governing the nondisclosure of classified information.

10. Federal Funding Accountability and Transparency (FFATA) / Digital Accountability and Transparency Act (DATA Act). Each applicant is required to (i) be registered in SAM before submitting its application; (ii) provide a valid Unique Entity Identifier number in its application; (iii) continue to maintain an active SAM registration with current information at all times during which it has an active federal award; and (iv) provide all relevant grantee information required for ONDCP to collect for reporting related to FFATA and DATA Act requirements.
11. Subawards are authorized under this grant award. Subawards must be monitored by the award recipient as outlined in 2 C.F.R. § 200.331.
12. Recipients must comply with the Government-wide Suspension and Debarment provision set forth at 2 C.F.R. §180, dealing with all sub-awards and contracts issued under the grant.
13. As specified in 2 CFR 200.303 Internal Controls, recipient must:

- a) Establish and maintain effective internal controls over the federal award that provides reasonable assurance that federal award funds are managed in compliance with federal statutes, regulations and award terms and conditions. These internal controls should be in compliance with the guidance in “Standards for Internal Control in the federal Government,” issued by the Comptroller General of the United States and the “Internal Control Integrated Framework,” issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
 - b) Comply with federal statutes, regulations, and the terms and conditions of the Federal awards.
 - c) Evaluate and monitor the non-federal entity’s compliance with statute, regulations, and the terms and conditions of the federal award.
 - d) Take prompt action when instances of noncompliance are identified, including noncompliance identified in audit findings.
 - e) Take reasonable measures to safeguard protected personally identified information (PII) and other information ONDCP or pass-through entity designates as sensitive or the non-federal entity considers sensitive consistent with applicable federal, state, and local laws regarding privacy and obligations of confidentiality.
14. Recipients are prohibited from using federal grant funds to purchase certain telecommunication and video surveillance services or equipment in alignment with § 889 of the National Defense Authorization Act of 2019, Pub. L. No. 115-232. See 2 C.F.R. § 200.216. See also, HIDTA PPBG, § 7.20, Prohibited Uses of HIDTA Funds.
15. Grantees should provide a preference, to the extent permitted by law, to maximize use of goods, products, and materials produced in the United States. See 2 C.F.R. § 200.322.
16. When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all grantees receiving Federal funds included in this Act, shall clearly state—
- a) the percentage of the total costs of the program or project which will be financed with federal money;
 - b) the dollar amount of Federal funds for the project or program; and
 - c) percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

B. Recipient Integrity and Performance Matters

Reporting of Matters Related to Recipient Integrity and Performance

1. *General Reporting Requirement*

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this federal award, then you as the recipient during that period of time must maintain the currency of information reported to SAM that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under § 872 of Public Law 110-417, as amended (41 U.S.C. § 2313). As required by § 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for federal procurement contracts, will be publicly available. See 2 C.F.R. Part 200, Appendix XII.

2. *Proceedings About Which You Must Report*

Submit the information required about each proceeding that:

- a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;

 - (4) Any other criminal, civil, or administrative proceeding if:
 - (i) It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;
 - (ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and

(iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. *Reporting Procedures*

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under federal procurement contracts that you were awarded.

4. *Reporting Frequency*

During any period of time when you are subject to the requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent 5-year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report.
