GENERAL CONDITIONS

Series 00-09: Provisions Related to Scope and Nature of Services

0.1 Scope of Services:

The Consultant agrees to provide to the County services and any materials as set forth in the project narrative identified as Exhibit "A", during the agreement period. No material, labor, or facilities will be furnished by the County, unless otherwise provided for in the Agreement.

Series 10-19: Provisions Related to Term and Termination

10.1 Term:

Services provided by Consultant prior to or after the term of this contract shall be performed at the expense of Consultant and are not compensable under this contract unless both parties hereto agree to such provision in writing. The term of this Agreement may be extended by mutual agreement of the parties; provided, however, that the Agreement is in writing and signed by both parties.

11.1 Termination for Default:

If the Consultant defaults by failing to perform any of the obligations of the contract or becomes insolvent or is declared bankrupt or commits any act of bankruptcy or insolvency or makes an assignment for the benefit of creditors, the County may, by depositing written notice to the Consultant in the U.S. mail, first class postage prepaid, terminate the contract, and at the County's option, obtain performance of the work elsewhere. Termination shall be effective upon Consultant's receipt of the written notice, or within three (3) days of the mailing of the notice, whichever occurs first. If the contract is terminated for default, the Consultant shall not be entitled to receive any further payments under the contract until all work called for has been fully performed. Any extra cost or damage to the County resulting from such default(s) shall be deducted from any money due or coming due to the Consultant. The Consultant shall bear any extra expenses incurred by the County in completing the work, including all increased costs for completing the work, and all damage sustained, or which may be sustained by the County by reason of such default.

11.2 Termination for Reduction in Funding: Not Applicable

11.3 Termination for Public Convenience:

The County may terminate the Agreement in whole or in part whenever the County determines, in its sole discretion, that such termination is in the interests of the County. Whenever the Agreement is terminated in accordance with this paragraph, the Consultant shall be entitled to payment for actual work performed at unit contract prices for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this Agreement by the County at any time during the term, whether for default or convenience, shall not constitute breach of contract by the County.

Series 20-29: Provisions Related to Consideration and Payments

20.1 Accounting and Payment for Consultant Services:

Payment to the Consultant for services rendered under this Agreement shall be as set forth in Exhibit "B." Where Exhibit "B" requires payments by the County, payment shall be based upon written claims supported, unless otherwise provided in Exhibit "B," by documentation of units of work actually performed and amounts earned, including, where appropriate, the actual number of days worked each month, total number of hours for the month, and the total dollar payment requested, so as to comply with municipal auditing requirements.

Unless specifically stated in Exhibit "B" or approved in writing in advance by the official executing this Agreement for the County or his designee (hereinafter referred to as the "Administrative Officer") the County will not reimburse the Consultant for any costs or expenses incurred by the Consultant in the performance of this contract. Where required, the County shall, upon receipt of appropriate documentation, compensate the Consultant, no more often than monthly, in accordance with the County's customary procedures, pursuant to the fee schedule set forth in Exhibit "B."

21.1 Taxes:

The Consultant understands and acknowledges that the County will not withhold Federal or State income taxes. Where required by State or Federal law, the Consultant authorizes the County to withhold for any taxes other than income taxes (i.e., Medicare). All compensation received by the Consultant will be reported to the Internal Revenue Service at the end of the calendar year in accordance with the applicable IRS regulations. It is the responsibility of the Consultant to make the necessary estimated tax payments

throughout the year, if any, and the Consultant is solely liable for any tax obligation arising from the Consultant's performance of this Agreement. The Consultant hereby agrees to indemnify the County against any demand to pay taxes arising from the Consultant's failure to pay taxes on compensation earned pursuant to this Agreement.

The County will pay sales and use taxes imposed on goods or services acquired hereunder as required by law. The Consultant must pay all other taxes, including, but not limited to, Business and Occupation Tax, taxes based on the Consultant's gross or net income, or personal property to which the County does not hold title. The County is exempt from Federal Excise Tax.

22.1 Withholding Payment:

In the event the County's Administrative Officer determines that the Consultant has failed to perform any obligation under this Agreement within the times set forth in this Agreement, then the County may withhold from amounts otherwise due and payable to Consultant the amount determined by the County as necessary to cure the default, until the Administrative Officer determines that such failure to perform has been cured. Withholding under this clause shall not be deemed a breach entitling Consultant to termination or damages, provided that the County promptly gives notice in writing to the Consultant of the nature of the default or failure to perform, and in no case more than 10 days after it determines to withhold amounts otherwise due. A determination of the Administrative Officer set forth in a notice to the Consultant of the action required and/or the amount required to cure any alleged failure to perform shall be deemed conclusive, except to the extent that the Consultant acts within the times and in strict accord with the provisions of the Disputes clause of this Agreement. The County may act in accordance with any determination of the Administrative Officer which has become conclusive under this clause, without prejudice to any other remedy under the Agreement, to take all or any of the following actions: (1) cure any failure or default, (2) to pay any amount so required to be paid and to charge the same to the account of the Consultant, (3) to set off any amount so paid or incurred from amounts due or to become due the Consultant. In the event the Consultant obtains relief upon a claim under the Disputes clause, no penalty or damages shall accrue to Consultant by reason of good faith withholding by the County under this clause.

23.1 Labor Standards:

The Consultant agrees to comply with all applicable state and federal requirements, including but not limited to those pertaining to payment of wages and working conditions, in accordance with RCW 39.12.040, the Prevailing Wage Act; the Americans with Disabilities Act of 1990; the Davis-Bacon Act; and the Contract Work Hours and Safety Standards Act providing for weekly payment of prevailing wages, minimum overtime pay, and providing that no laborer or mechanic shall be required to work in surroundings or under conditions which are unsanitary, hazardous, or dangerous to health and safety as determined by regulations promulgated by the Federal Secretary of Labor and the State of Washington.

Series 30-39: Provisions Related to Administration of Agreement

30.1 Independent Consultant:

The Consultant's services shall be furnished by the Consultant as an independent Consultant, and nothing herein contained shall be construed to create a relationship of employer-employee or master-servant, but all payments made hereunder and all services performed shall be made and performed pursuant to this Agreement by the Consultant as an independent Consultant.

The Consultant acknowledges that the entire compensation for this Agreement is specified in Exhibit "B" and the Consultant is not entitled to any benefits including, but not limited to: vacation pay, holiday pay, sick leave pay, medical, dental, or other insurance benefits, or any other rights or privileges afforded to employees of the County. The Consultant represents that he/she/it maintains a separate place of business, serves clients other than the County, will report all income and expense accrued under this contract to the Internal Revenue Service, and has a tax account with the State of Washington Department of Revenue for payment of all sales and use and Business and Occupation taxes collected by the State of Washington.

Consultant will defend, indemnify and hold harmless the County, its officers, agents or employees from any loss or expense, including, but not limited to, settlements, judgments, setoffs, attorneys' fees or costs incurred by reason of claims or demands because of breach of the provisions of this paragraph.

30.2 Assignment and Subcontracting:

The performance of all activities contemplated by this agreement shall be accomplished by the Consultant. No portion of this contract may be assigned or subcontracted to any other individual, firm or entity without the express and prior written approval of the County.

30.3 No Guarantee of Employment:

The performance of all or part of this contract by the Consultant shall not operate to vest any employment rights whatsoever and shall not be deemed to guarantee any employment of the Consultant or any employee of the Consultant or any subconsultant or any employee of any subcontractor by the County at the present time or in the future.

31.1 Ownership of Items Produced:

When the Consultant creates any copyrightable materials or invents any patentable property, the Consultant may copyright or patent the same, but the County retains a royalty-free, nonexclusive and irrevocable license to reproduce, publish, recover, or otherwise use the materials or property and to authorize other governments to use the same for state or local governmental purposes. Consultant further agrees to make research, notes, and other work products produced in the performance of this Agreement available to the County upon request.

31.2 Patent/Copyright Infringement:

Consultant will defend and indemnify the County from any claimed action, cause or demand brought against the County, to the extent such action is based on the claim that information supplied by the Consultant infringes any patent or copyright. The Consultant will pay those costs and damages attributable to any such claims that are finally awarded against the County in any action. Such defense and payments are conditioned upon the following:

- A. The Consultant shall be notified promptly in writing by the County of any notice of such claim.
- B. Consultant shall have the right, hereunder, at its option and expense, to obtain for the County the right to continue using the information, in the event such claim of infringement, is made, provided no reduction in performance or loss results to the County.

32.1 Confidentiality:

The Consultant, its employees, subconsultants and/or subcontractors, and their employees shall maintain the confidentiality of all information provided by the County or acquired by the Consultant in performance of this Agreement, except upon the prior written consent of the County or an order entered by a court after having acquired jurisdiction over the County. Consultant shall immediately give to the County notice of any judicial proceeding seeking disclosure of such information. Consultant shall indemnify and hold harmless the County, its officials, agents or employees from all loss or expense, including, but not limited to, settlements, judgments, setoffs, attorneys' fees and costs resulting from Consultant's breach of this provision.

33.1 Right to Review:

This contract is subject to review by any Federal, State or County auditor. The County or its designee shall have the right to review and monitor the financial and service components of this program by whatever means are deemed expedient by the Administrative Officer or by the County Auditor's Office. Such review may occur with or without notice and may include, but is not limited to, on-site inspection by County agents or employees, inspection of all records or other materials which the County deems pertinent to the Agreement and its performance, and any and all communications with or evaluations by service recipients under this Agreement. The Consultant shall preserve and maintain all financial records and records relating to the performance of work under this Agreement for three (3) years after contract termination, and shall make them available for such review, within Whatcom County, State of Washington, upon request. Consultant also agrees to notify the Administrative Officer in advance of any inspections, audits, or program review by any individual, agency, or governmental unit whose purpose is to review the services provided within the terms of this Agreement. If no advance notice is given to the Consultant, then the Consultant agrees to notify the Administrative Officer as soon as it is practical.

34.1 Proof of Insurance:

For the duration of this agreement, the **Consultant** shall carry the following insurance coverages and minimums:

- a. Worker's compensation and employer's liability insurance as required by the STATE.

- d. Professional Liability - \$1,000,000 per occurrence:

If the professional liability insurance is a claims made policy, and should the Consultant discontinue coverage either during the term of this contract or within three years of completion, the Consultant agrees to purchase tail coverage for a minimum of three years from the completion date of this contract or any amendment to this contract.

Excepting the Worker's Compensation Insurance and any Professional Liability Insurance, the **County**, their officers, employees, and agents will be named on all policies of the **Consultant** and any sub-consultant and/or subcontractor as an additional insured (the "AIs"), with no restrictions or limitations concerning products and completed operations coverage. The **Consultant** and the sub-consultant's and/or subcontractor's insurer shall waive any and all rights of subrogation against the AIs. The **Consultant** shall furnish the **County** with a Certificate of Liability Insurance and endorsements required by this agreement. The **County** reserves the right to require complete, certified copies of all required insurance policies at any time.

All insurance shall be obtained from an insurance company authorized to do business in the State of Washington. The **Consultant** shall submit a verification of insurance as outlined above within fourteen (14) days of the execution of this agreement. 34.2 Industrial Insurance Waiver:

This waiver is mutually negotiated by the parties to this agreement.

34.3 Defense & Indemnity Agreement:

The Consultant agrees to defend, indemnify and save harmless the County, its appointed and elective officers and employees, from and against all loss or expense, including, but not limited to, judgments, settlements, attorneys' fees and costs by reason of any and all claims and demands upon the County, its elected or appointed officials or employees for damages because of personal or bodily injury, including death at any time resulting therefrom, sustained by any person or persons and on account of damage to property, including loss of use thereof, whether such injury to persons or damage to property is due to the negligence of the Consultant, its subconsultants, its successor or assigns, or its agents, servants, or employees, the County, its appointed or elected officers, employees or their agents, except only such injury or damage as shall have been occasioned by the sole negligence of the County or its appointed or elected officials or employees. In case of damages caused by the concurrent negligence of Consultant, its subconsultants / subcontractors, its successors or assigns, or its agents, servants, or employees, and the County, its appointed or elected officers, employees or their agents, then this indemnification provision is enforceable only to the extent of the negligence of the Consultant, its agents, or its employees.

It is further provided that no liability shall attach to the County by reason of entering into this contract, except as expressly provided herein. The parties specifically agree that this agreement is for the benefit of the parties only and this agreement shall create no rights in any third party.

35.1 Non-Discrimination in Employment:

The County's policy is to provide equal opportunity in all terms, conditions and privileges of employment for all qualified applicants and employees without regard to race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or veteran status. (SCOPE OF WORK)

Pacific CM LLC – 2019 / 2020 Material Testing, Material Inspection and Construction Inspection Services Contract

The contract will cover on-site construction field inspection, material sample collection, on-site material inspection, and lab testing of concrete, hot mix asphalt (HMA), aggregates and other construction materials for Whatcom County Public Works Projects. **Consultant must have a lab meeting the AASHTO Materials Reference Laboratory's (AMRL) accreditation of "AASHTO R 18" through the life of the Contract.**

Material Testing (with associated material sample collection as required):

1. All test procedures shall be in accordance with applicable ASTM, IBC, WSDOT, AASHTO or other procedures as required in projects adhering to the current Washington State Department of Transportation's (WSDOT's) Standard Specifications for Road, Bridge and Municipal Construction, as well as the WSDOT Construction Manual and Whatcom County Road Standards. County will supply or indicate target material specifications to Consultant for each test, and Consultant shall show the target specification on the test result.
2. Initial test results for aggregate gradations, sand equivalents (SE), and fracture shall be available within 48 hours from receipt of materials, unless the County is notified and agrees to a different schedule. Notification shall be primarily via email and telephone call, and secondarily via fax if email is down.
3. HMA oil content initial results shall be available within 8 business operation hours from receipt of material at the testing lab. This test result is critical to verify the quality of material used in the paving operation; therefore, the County requests notification as soon as test is complete via a telephone call. Formal Notification shall follow primarily via email and secondarily via fax if email is down.
4. HMA Rice Density initial results shall be available within 3 hours after Consultant procures hot sample. This test result is critical to verify the quality of material used in the paving operation; therefore, the County requests notification as soon as test is complete via a telephone call. Formal Notification shall follow primarily via email and secondarily via fax if email is down.
5. For 7-Day compressive strength concrete cylinder breaks, County requests early notification (via telephone call) by Consultant if lab technicians or professionals see potential problem with predicted strength of material meeting specifications. Formal Notification shall follow primarily via email and secondarily via fax if email is down.
6. Testing will be performed by qualified technicians and professionals, having certifications to perform the range of tests required by road, bridge and municipal construction projects per testing procedures in the WSDOT Construction Manual.

Material Inspection: On a specific project, Consultant may be requested to provide material inspection of field installed materials at the project site. Consultant will provide personnel with appropriate qualifications and expertise in the material(s) being inspected and shall be compensated per the contract's fee schedule for the specific tests and classification of personnel involved.

Administration:

1. Consultant shall utilize a project management system that will:
 - a) Allow simultaneous distribution to all project team members of any testing requests and will distribute test results immediately following their completion to all project team members. Testing results shall be available in PDF format through the project management system (i.e. "e-Builder"). For each Project, the County will supply email addresses and telephone numbers of all project team members. Consultant will maintain this data, segregated by Project and identifying project number (i.e. CRP No, if applicable) for the life of the contract.
 - b) Segregate test results by project, display all tests conducted per project and indicate clearly which tests meet or fail project specifications. Each test result or report shall have an identifying number that is distinct from other test results/reports on the same project.
2. Consultant will provide the County with a monthly Statement on the contract dollar amount expended to date during periods of contract activity. The Statement shall summarize, by Project name, Project number (i.e. CRP No, if applicable), each invoice number,

date and amount. This information shall be emailed to the County's administration officer(s) listed in the contract. Consultant shall reference the Whatcom County Contract No. (WCC#) on all correspondence related to this contract.

3. All initial test results and final test reports shall have the Project name and identifying Project number (i.e. CRP No, if applicable) on them. The Consultant will insure this information is obtained when samples are delivered or picked-up at the project site.
4. Tasks, tests and personnel listed on invoices shall use the exact description as they appear on the Consultant's Fee Schedule for the services involved. All mileage distances claimed for reimbursement shall include some backup; mileage reimbursement rate shall match the current federal reimbursement rate (\$/mile).
5. Invoices shall be segregated by Project Name and identifying Project number (i.e. CRP No, if applicable) and all tests being billed for on the invoice should indicate the identifying test report number.

Construction Inspection Services:

On a specific project, Consultant may be requested to provide construction inspection services associated with Whatcom County's Public Works Contracts. Consultant will provide personnel with appropriate qualifications and expertise and shall be compensated per the contract's fee schedule for the classification of personnel involved.

Consultant Field Inspector will report to a specific Whatcom County Public Works' Project Engineer on each assigned project. The duties of both Engineer and Inspector shall conform to responsibilities detailed in the current edition of the WSDOT Standard Specifications and WSDOT Construction Manual.

The Project Engineer (County) and Consultant Field Inspector will formalize the extent of duties required for each assigned project, which would typically include some or all of the following:

1. Reports & Documentation generation & acquisition:
 - a) Generate: Inspectors Daily Report & Weekly Statement of Working Days, required Interviews using forms supplied by the County.
 - b) Receive: Traffic Control Reports from Consultant, Material Quantity Tickets (gravel, HMA, concrete, scalesmans daily reports & misc. materials invoices, etc.).
2. Materials Acceptance & documentation & tracking (ROM & RAM'S):
 - a) Coordinate with Project Engineer to validate & track required materials documentation. Ensure ongoing compliance with required construction documentation during the entire life of the project, with the ROM being the primary guiding document. Whatcom County Project Engineer will modify and make all changes to the ROM. Field Inspectors will be need to be knowledgeable of the ROM, and with direction from the Project Engineer, ensure compliance with needed material tests and documentation.
 - b) Prior to installation required documentation may include: Manufacturer's Certificate of Compliance (MCC), Qualified Products List Cover Sheet (QPL), Catalog Cut, Certificate of Materials Origin (CMO), Satisfactory Test Reports, Lot or Roll Numbers, "WSDOT Inspected" Stamp if required.

**LIMITED AI – PRIMARY NON-CONTRIBUTORY –
WAIVER OF SUBROGATION**

This endorsement modifies insurance provided under the following

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Blanket Additional Insureds - As Required By Contract

- A. Subject to the Primary and Non-Contributory provision set forth in this endorsement, **SECTION II - WHO IS AN INSURED** is amended to include as an additional insured any person or organization whom you have agreed in a written contract, written agreement or written permit that such person or organization be added as an additional insured on your policy. Such person or organization is an additional insured only with respect to liability for "bodily injury" or "property damage" or, to the extent applicable under the Coverage Part to which this endorsement applies, "personal and advertising injury" caused, in whole or in part, by:

1. Your ongoing operations, "your product", or premises owned or used by you;

With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to "bodily injury", "property damage" or, to the extent applicable under the Coverage Part to which this endorsement applies, "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services by or for you, including:

- a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
- b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrong-doing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or, to the extent applicable under the Coverage Part to which this endorsement applies, the offense which caused the "personal and advertising injury", involved the rendering of, or failure to render, any professional architectural, engineering or surveying services.

2. Your maintenance, operation or use of equipment, other than aircraft, "auto" or watercraft, rented or leased to you by such person or organization. A person or organization's status as an additional insured under this endorsement ends when their contract, or agreement with you for such rented or leased equipment ends. With respect to the insurance afforded to these additional insureds, this insurance does not apply to any "occurrence" which takes place after the rental agreement or equipment lease expires.

The provisions of this coverage extension do not apply unless the written contract or written agreement has been executed (executed means signed by the named insured) or written permit issued prior to the "bodily injury" or "property damage" or, to the extent applicable under the Coverage Part to which this endorsement applies, "personal and advertising injury".

Primary and Non-Contributory Provision

The following is added to Paragraph **4. Other Insurance, b. Excess Insurance** under **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS**.

This insurance shall be excess with respect to any person or organization included as an additional insured under this policy, any other insurance that person or organization has shall be primary with respect to this insurance, unless:

- 1) The additional insured is a Named Insured under such other insurance;
- 2) You have agreed in a written contract, written agreement or written permit to include that additional insured on your General Liability policy on a primary and/or non-contributory basis;
- 3) The written contract or written agreement has been executed (executed means signed by the named insured) or written permit issued prior to the "bodily injury" or "property damage" or, to the extent applicable under the Coverage Part to which this endorsement applies, "personal and advertising injury"; and
- 4) With respect to indemnity, you have been adjudicated liable in full for the "bodily injury" or "property damage" or, to the extent applicable under the Coverage Part to which this endorsement applies, "personal and advertising injury".

Waiver Of Transfer Of Rights Of Recovery

The following is added to Paragraph **8. Transfer of Rights Of Recovery Against Others To Us** under **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS**.

We will waive any right of recovery we may have against a person or organization because of payments we make for "bodily injury" or "property damage" arising out of your ongoing operations or "your work" done under a written contract or written agreement and included in the "products-completed operations hazard", if:

1. You have agreed to waive any right of recovery against that person or organization in a written contract or written agreement;
2. Such person or organization is an additional insured on your policy; or
3. You have assumed the liability of that person or organization in that same contract, and it is an "insured contract".

The section above only applies to that person or organization identified above, and only if the "bodily injury" or "property damage" occurs subsequent to the execution of the written contract or written agreement.

All other terms and conditions of this policy remain unchanged.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.
