To Whom it May Concern - Whatcom County,

My husband and I would like to request a name change our road. We have never liked the negative, somewhat violent connotation of our street name, Bear "Trap" Rd. and we have received numerous negative comments over the years about it. Other roads around us have animal names that end in positive words such as Deer "Road", Weasel "Run", Moose "Trail", etc.

Please proceed with our request for a name change from Bear "Trap" Rd. to **Bear "Trail" Rd.**

The statements above and all information contained in this packet is true to the best of my knowledge. The list of property owners and the prepared labels is complete and current to the best of my knowledge.

Thank you very much,

Shauna Boyd
