EXHIBIT "A" – Amendment #2
(SCOPE OF WORK)

I. Background

Whatcom County’s Plan to End Homelessness identifies youth, aged up to 24, as a population impacted by homelessness and lists the provision of safe, affordable housing with supportive services as a way to reduce and end youth homelessness. Provision of services at shelters and other interim housing options is also a component of the service continuum that increases success in reaching housing stability. Northwest Youth Services (NWYS) is the only non-tribal agency serving youth in Whatcom County by offering housing services for homeless youth. NWYS has had a significant backlog of young people awaiting housing and services due to limited operating capacity.

Through this contract, NWYS will serve as one of the Whatcom Homeless Service Center (WHSC) partner agencies providing housing case management and will serve as a specialized portal of entry into WHSC housing services for youth. The purpose of this contract is to provide housing case management for youth waiting for housing services in order to achieve housing stability and reduce youth homelessness in Whatcom County.

II. Definitions

Housing Pool (HP)	Quasi wait list that serves clients waiting for housing services based on their needs and available resources instead of a first come, first served basis.

 3. Youth Housing Pool (YHP) – Youth housing pool case management includes services designed to educate youth who are homeless or almost homeless, about available programs, provide them with a point of access to housing services by working collaboratively with the WHSC, and engage with them to address barriers to housing.

Individuals and households served shall have incomes at or below 50% Area Median Income (AMI). Income eligibility will be determined by the funding sources used for case management.
