**Whatcom County Sheriff's Office
Program Abstract**

Abstract

Enhanced officer safety and ballistic protection for first responders – In response to continued violent critical incidents at schools and public venues, the Whatcom County Sheriff's Office has developed enhanced training for Active Shooter scenarios. In an effort to prepare for and provide an enhanced response to critical violent incidents, the Whatcom County Sheriff's Office conducts ongoing training to deal with these threats and unusual situations that require an expedited response in order to save lives.

In addition to training, law enforcement must be prepared and equipped to deal with armed suspects in order to effectively mitigate the threat posed to the public. It is essential that all members of the Sheriff's Office have sufficient ballistic resistant vests to protect them from gunfire. The Sheriff's Office objective is to utilize allocated funds to purchase and replace current ballistic vests and improve officer safety.

Program Narrative

Narrative

The continued trend of violent attacks nationwide and abroad has reaffirmed why it is imperative that responders be trained and prepared to respond to incidents of active violence in a safe, efficient, and effective manner. The Sheriff's Office is uniquely positioned on the international border between the US and Canada, and is subject to both domestic and international threats. This includes not only schools and public venues, but multiple federal facilities and critical infrastructure that may be the targets of violent attacks and/or terrorism. The Sheriff's Office continues to train all deputies to deal with critical incidents, to include terrorist attacks, active shooter scenarios, and high-risk operations.

In addition to training, law enforcement officers must be provided necessary equipment that enhances their officer safety and increases the likelihood that they will be able to carry out their duties without serious injury or loss of life. In order to provide enhanced ballistic protection and increase officer safety, the Whatcom County Sheriff's Office intends to purchase ballistic vests. Ballistic vests are essential personal protective equipment that utilized by members of the Whatcom County Sheriff's Office. The use by deputies allows them to carry out their duties while protecting them from sudden violent attacks from gunfire.

The Sheriff's Office intends to utilize JAG funding to purchase ballistic vests, to improve officer safety/wellness and operational performance.
