experience,
qualifications, &
interest in response to
the following questions

9. Please describe your
occupation (or former
occupation if retired),
qualifications,
professional and/or
community activities,
and education

Directional Drill foreman for Bruland Drilling specializing in
trenchless installation of utilities (water, power, sewer, comms)
Local farmer/beef cattle production/Hay production
Lynden High School graduate 2004

10. Please describe
why you're interested
in serving on this board
or commission

Growing up on a family farm in Lynden with property along the
Nooksack has given me first hand knowledge of what that river is
capable of. I have witnessed first hand many of these record
floods over the past as I was there on the river sand bagging
dikes and levees to keep them from breaching, then cleaning up
the aftermath once the waters had receded. I also know the
pleasures our local waterways bring, from their scenic views,
recreation, and the wildlife they support. I'm looking to serve on
this committee because I want to be apart of improving the
Nooksack River and other Whatcom County watersheds, the
flood management, and repairs there of.
