Re: Interlocal Agreement – Electric Vehicle Chargers

Enclosed for your review and signature is an interlocal agreement between Whatcom County and the City of Bellingham for the installation of City owned and operated electric vehicle chargers.

Background and Purpose

The City of Bellingham and Whatcom County have agreements in place for the shared use of both City and County property for parking purposes. The City of Bellingham is preparing to commence a public works project known as the Electrification of Transportation Project which includes the installation of electric vehicle chargers on County owned property located at 401 Grand Avenue. Through this agreement two parking spaces will be dedicated as electric vehicle charging locations for use by the City, the County, and the general public.

Funding Amount and Source

There is no compensation related to this agreement. All costs associated with the agreement are the responsibility of the City of Bellingham.

Please contact me at extension 5365 if you have any questions regarding this agreement.
