MEMORANDUM

TO: Satpal Sidhu, County Executive

FROM: Bill Elfo, Sheriff 

DATE: March 21, 2022

RE: Axon Enterprise, Inc.
Master Services and Purchasing Agreement
Whatcom County Contract #202012030
Amendment #1

Enclosed for your review and signature are (2) original Amendment #1 documents for Axon Enterprises, Inc. Master Services and Purchasing Agreement, W.C. Contract No. 202012030.

Background and Purpose

The Sheriff's Office entered into a Five (5) Year Master Services and Purchasing Agreement with Axon Enterprises, Inc. to implement a BWC Program in 2020.

This amendment is for 18 more body worn cameras to outfit additional commissioned members of the Sheriff's Office and for 2 detective interview room cameras.

The existing interview room cameras were installed by a different vendor and are not always reliable. It is essential for the Sheriff's Office to have reliable equipment and it would be beneficial to have the interview room cameras be part of the same system as the body worn cameras.

All services associated with this amendment will expire on 01/14/2026 with the original contract.

Funding Amount and Source

Total amendment is \$102,457.76 with payments due 2022 through 2025. Supplemental Budget #3581 for \$45,000 was approved for the initial payment due May 2022. Future payments will be included in Sheriff's Office biennial budgets.

Differences from Previous Agreement
