Contractor is a member of the Washington Counties Risk Pool (the "Pool"), as authorized by RCW 48.62.031, and the is covered by the Pool's Joint Self-Insurance Liability Program. The Pool's Joint Self-Insurance Liability Program was created by interlocal cooperative agreement amongst the Pool's member counties to share risks by "jointly, self-insuring" certain third-party liabilities. The Pool is not an insurance company. Claims that are covered under a Memorandum of Liability Coverage ("MLS") from the Pool and were submitted under Chapter 4.96 RCW ("Actions against political subdivisions, municipal and quasi-municipal corporations") against Whatcom County, its employees, officers, volunteers and agents and/or actions in connection with or incidental to the performance of an agreement/contract which the County and/or its officers, employees or volunteers are found to be liable for will be paid by the Pool and/or the County.

Section N. Hold Harmless/Indemnification

Contractor's obligation to indemnify and hold harmless the Indemnified Parties shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to the Indemnified Parties, and such obligation is in addition to and not in lieu of common law indemnification to which any Indemnified Parties are entitled. In case of damages caused by the concurrent negligence of the Contractor, its successors or assigns, or its agents, servants, or employees, and Akin, its employees or their agents, then this indemnification provision is enforceable only to the extent of the negligence of the Contractor, its agents, or its employees. Notwithstanding any provision to the contrary, Akin and its subsidiaries agree that it will not seek indemnity or hold harmless the Contractor for any claims or damages arising solely out of Akin's own negligence or intentional misconduct.

Contractor's obligation to indemnify and hold the Indemnified Parties harmless under this Section N shall survive the expiration or earlier termination of this Agreement, and shall apply and pertain until it is determined by final judgment that an action against all of the Indemnified Parties for any Claim is fully and finally barred by the applicable statute of limitations.

In addition, in order to render the parties' intent and the indemnification granted under this Section N fully enforceable, Contractor hereby expressly and without reservation waives any defense or immunity it may have under any applicable Worker's

Compensation Laws or any other statute or judicial decision disallowing or limiting such indemnification and consents to a cause of action for indemnity, in the event of a Claim made by an employee of Contractor or as otherwise applicable. Such waiver and consent to indemnification is made by Contractor irrespective of and specifically waiving any defense or immunity under any statute or judicial decision disallowing or limiting such indemnification.

If any word, clause or provision of Section N is determined not to be in compliance with applicable law or is otherwise not enforceable, it shall be stricken and the remaining words, clauses and provisions shall remain in full force and effect. It is the intent of the parties that this Section N be construed in a manner as necessary to comply with applicable law, in all respects.

Section O. Federal Programs

Contractor represents and warrants that Contractor has not been excluded from federal programs. Contractor will immediately notify Akin if Contractor becomes excluded from any federal program or is subject to proceedings that may lead to exclusion. Exclusions from any federal program are a basis for immediate termination of this Agreement.

Section P. Governing Law

This Agreement and the right and obligations of the parties shall be governed by the laws of the State of Washington. Venue shall be King County, Washington, and each party hereby submits to jurisdiction of the state courts in King County and agrees that it will not commence any action or proceeding in any other forum.

Section Q. Agreement Modifications

This Agreement contains all the terms and conditions agreed upon by the parties. No other understanding, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the parties hereto.

This Agreement shall be subject to the written approval of the SVP of Finance at Akin and the approved delegate of the Contractor. Only the SVP of Finance or their delegate shall have the expressed, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Agreement. Section R. Notification of Significant Changes

The Contractor will notify Akin in writing of changes in key personnel, including for the P4P Coordinator, or other issue or development that has or is expected to have a significant impact on Contractor activities.

If any part, term, or provision of this Agreement is held by a court to be illegal, the validity of the remaining portions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the invalid portion. If it should appear that any part, term, or provision conflicts with statutes, then that part, term, or provision shall be deemed inoperative, and this Agreement shall be modified to such statutory provision.

Section T. Corrective Action

The Contractor is required to meet the terms and conditions of this Agreement. If Akin identifies a violation or a performance deficiency that does not rise to the level of termination of this Agreement, Akin will provide written notice and a request for corrective action by the Contractor. The Contractor must submit a corrective action plan within thirty (30) days from the written notice from Akin, unless a shorter notice period is requested by Akin. In the case of a significant breach, however, Akin is not required to request corrective action and may immediately terminate this Agreement.

Akin will approve or disapprove the Contractor's corrective action plan in writing within fourteen (14) days of receipt of the plan. If approved, the Contractor will be required to implement the plan and ensure correction of the deficiency. If the Contractor does not correct the deficiency, submit a corrective action plan within thirty (30) days, or Akin deems the plan unsatisfactory, Akin will take the necessary action. Such action may include, but is not limited to, reduction in Contractor payment or termination in whole or in part of the Agreement. All corrective action correspondence shall be delivered by certified mail, return receipt requested.

Section U. Termination of Agreement

Akin may terminate the agreement immediately, without notice, in the event of a significant breach or violation of the terms of this Agreement, including with respect to confidentiality of information, or in the event that funding for the P4P Program is withdrawn, reduced, or limited.

Either party may terminate this Agreement for any reason, or no reason, with thirty (30) days written notification to the other party.

Akin will pay for all services rendered up to the date of termination of this Agreement, less prior interim payments, if any. Upon payment of such sums, Akin shall be discharged from all liability to the Contractor hereunder, and this Agreement shall be considered terminated unless extended in writing by mutual agreement between the parties.

Section V. Document Retention; Offboarding - Return and Destruction of Data and Documentation

During the term of this Agreement, and for the longer of seven (7) following the termination of this Agreement and the retention period required by applicable law (collectively, the “**Retention Period**”), the Contractor shall maintain and retain all books, records, documents, and other materials and evidence in any form produced or created by or on behalf of the Contractor relating to or regarding the provision of services and performance of this Agreement, including copies thereof and notes derived therefrom (the “**Retained Materials**”). If any litigation, claim or audit is started before the expiration of the Retention Period, the Contractor shall retain the Retained Materials until all litigation, claims or audit findings involving the records have been resolved. All Retained Materials will remain subject to the obligations described in Section H for so long as the Retained Materials are retained. Any person authorized by Akin shall have full access to and the right to inspect excerpts, audit or examine any of these records at all reasonable times during the Retention Period. The Contractor shall ensure that any subcontractors or other personnel providing services under this Agreement comply with these requirements.

At any time during the Retention Period, but no later than immediately following the expiration of the Retention Period, the Contractor shall, at Akin’s election and direction, return the Retained Materials to Akin or securely dispose of the Retained Materials.

Without limiting its retention obligations, and by no later than the date that is thirty (30) days after the termination of the Agreement, the Contractor shall promptly deliver to Akin (either electronically and/or through the delivery of hard copies) originals or copies of any and all data and documentation collected and gathered by the Contractor through the course of its services under the Agreement including, without limitation, all Personal Information and any other data collected by the Contractor pursuant to Section E of the Agreement and Section 15 of Exhibit A to the Agreement..

Parents for Parents (P4P) is a court-based, early engagement, peer mentoring, education and professional development program that promotes the safe and timely reunification of children with their parents, as well as supports family preservation through in-home dependency services, or an alternative permanency outcome when reunification is not a viable goal. The program serves families who are in the dependency system, and services are initiated when a child has been removed from a home by Child Protective Services. Parents receive information and support to navigate the dependency system and, whenever possible, to safely reunify with their child(ren), support in-home placement, as well as to understand and provide their child(ren) with resources to promote their optimal development.

P4P program components are delivered by Parent Allies, who are parents who have successfully navigated the child welfare system. Components include:

- Outreach and support to parents at all dependency-related hearings, beginning with the shelter care hearing;
- Maintaining and distributing updated information about community resources and services that can assist families in the dependency system;
- A Dependency 101 class and curriculum that educates parents about the dependency system they must navigate in order to have their children returned, empowers them with tools and resources they need to be successful with their case plan, and provides information that helps them understand and support the needs of their children,
- Classes and curriculum that provide ongoing support to parents throughout their dependency case.
- Individual peer support to help parents involved with the child welfare system, including telephone/electronic support.

Local child welfare and court representatives meet regularly with the P4P Coordinator in P4P Advisory Committee meetings to discuss the local program, trouble shoot problems, identify ways to optimize its success within their local community, identify resources to share with parents, and otherwise collaborate.
