Subject: Point Roberts District Measure

Barbara,

Here is the Statement, Description & Question information for a ballot proposal, based on the information I received from the County as to form.

(1) A statement of the subject of the measure :

*** Establishing a recycling and disposal district in Point Roberts**

(2) A concise description of the measure:

*** Establishing a recycling and disposal district acknowledges the unique remoteness of Point Roberts and offers a way for the community to become a leader in waste reduction.**

(3) A question:

- **"Shall this be enacted into law?"**
