Project Overview

Issues – Historical Context

- 1983 - Current jail opened
- 1990s - Questions about adequacy and safety of current jail arise
- 1997 - Sales tax measure for juvenile detention facilities and jail fails
- 2000 - Law & Justice Council recommends construction of new jail
- 2004 - Voters approve sales tax measure
- Contract awarded for 150-bed minimum security work center
- 2014 -County purchases LaBounty property near Ferndale
- 2015, 2017 - Sales Tax measures to fund construction of large jail facility at LaBounty property fail

Project Overview

Issues – Recent Developments

- 2015 – County Council creates the Incarceration Prevention and Reduction Task Force (IPRTF)
- 2018 – Listening series conducted across Whatcom County to share information, input and ideas for improving Whatcom County’s criminal justice system
- 2019 – More than \$9 million required for repair and maintenance on life and safety issues in existing jail (“Good money after bad!” – Executive Sidhu)
- 2019 – IPRTF will also serve as the Law and Justice Council

Project Overview

Issues – Recent Developments (cont'd)

- 2019 – County Council adopts Statement of Public Health, Safety and Justice Facility Planning Principles
- 2019-2020 – County Council establishes and appoints Stakeholder Advisory Committee (SAC) to solicit and collect community input during a needs assessment process; convening of SAC postponed due to COVID
- 2020-2022 – Pandemic exacerbates existing limitations and safety issues at current jail (Lacks adequate medical space, negative pressure, ventilation, etc.)
- 2021 – Crisis Stabilization Center opens to increases mental health and chemical dependency capacity by 32 beds

Project Overview

Incarceration needs have changed in Whatcom County:

- We continue to hold dangerous and repeat offenders
- Law and policy changes:
 - The Blake Decision
 - DWLS 3rd
 - COVID – Trial shut downs, Booking Restrictions = Backlog
- New Emphasis on Treatment Programs (some old, some new)
 - Drug Court
 - Residential Drug Offender Sentencing Alternatives (DOSA)
 - Ground-Level Response and Coordinated Engagement (GRACE)
 - Law Enforcement Assisted Diversion (LEAD)
 - More Treatment programs are needed

Project Overview

Factors Affecting Jail Population

- Booking Restrictions: most property crime, failure to appear warrants
- Public Health Issues (COVID, no medical segregation for contagious airborne disease, lack of distancing).
- Judicial bail release / sentencing policies due to COVID and lack of jail space.
- Suspension of trials by courts (back up in jails)
- Requirements of the law (discretion in sentencing/mandatory sentences)
- New statutes changing all drug possession from felony to simple misdemeanor
- Mental Health Deputies / Coordination with LEAD
- MAT program

Guiding Principles

Government Alliance on Race and Equity (GARE)

Resolution 2019 – 036 (8/7/2019, Reaffirmed 9/28/2021)

- Adopting a statement of Public Health, Safety, and Justice Facility Planning Principles for Whatcom County
1. Shared public safety (jail) facility with integrated behavioral health services
 2. Linked: stewardship of funds, public safety, and behavioral health services
 3. IPRTF annual reports provide specific recommendations
 4. Commit funding towards community-based preventative services, post-release support
 5. Continue to look towards behavioral health facilities as alternatives to jail

Guiding Principles

Resolution 2019 – 036 - *continued....*

6. Data to decision-makers and the public, enhanced data collection through INDEX Committee of the IPRTF
7. Size of jail facilities based on diversion programs and justice policies
8. Jail location where it works best for all partners, reanalyze downtown Bellingham location
9. Irongate minimum security facility is a valuable part of justice continuum
10. Apportion construction and operating costs separately among jail users based on actual use or estimates of future use

Guiding Principles

Resolution 2019 – 036 - *continued....*

11. Continue to reduce current use of bail and probation procedures that affect the jail population
12. Hire a Behavioral Health/Criminal Justice Planner to evaluate additional aspect of our justice system and needs
13. Funding proposal on the ballot to fund justice system improvements
14. Commitment to a transparent planning process, with opportunities for community input

Sequential Intercept Model

Phase One Goals

Continue employing analytical tools and resources

- Evidence-based and best/promising practices
- Sequential Intercept Model (SIM)
- Racial Equity Toolkit (Government Alliance on Race and Equity – GARE)

Phase One Goals

Incorporate learnings from prior efforts:

- Jail ballot initiatives
- Community listening sessions
- IPRTF
 - VERA Institute Final Report
 - Crisis Stabilization Center
 - GRACE program
 - LEAD program
 - Pretrial processes in Superior Court

Phase One Goals

Consider confounding factors:

- Data systems, compilation, accessibility
- Continuum of services and interventions
- Legislative enactments and judicial decisions
- Capacity of programs
- Workforce limitations
- Funding mechanisms and adequacy of resources

Phase One Goals

Survey criminal-legal system:

- What programs do we have
- Who is “in” the system and what are their characteristics
- Who must be in the system, and who can be redirected
- Are individual, community, and institutional needs being met and, if not, what programs do we need

Phase One Goals

Survey basic needs/support/treatment (shorthand: “behavioral health”) systems:

- What programs do we have
- Who is “in” the system and what are their characteristics
- Who must be in the system, and who can be redirected
- Are individual, community, and institutional needs being met and, if not, what programs do we need

Synthesize resource surveys and gap analyses to form recommendations

Financial Questions,

How much has the County spent on the past new jail planning efforts?

- The Public Health, Safety and Justice Facility fund has spent \$8,338,587 to date
- Including property acquisition (Ferndale), planning and design for the past new facility proposal

How much has the County spent on Jail Improvements since?

- Since 2011 the Jail Improvement fund has spent \$8,783,323 since 2011
- Including jail controls and fire alarm project (2011-2015), detention doors (2019-2020) and the Design2Last report

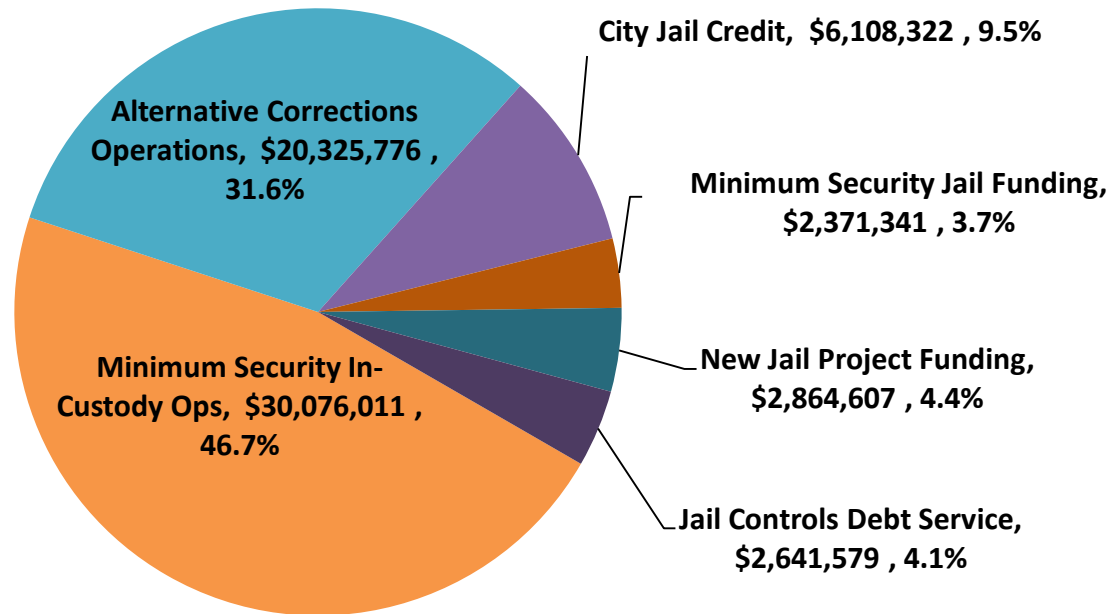

How much has the County invested into the Crisis Stabilization Facility?

- Whatcom County has leveraged \$4,000,000 of local dollars to construct an approximately \$13,400,000 project
- This facility has been a IPRTF priority and is located on the division street property where the Minimum Security Facility and Alternative Correction center is located

Financial Question, Cont.

How has the County spent the existing 1/10th sales tax?

Between 2005-2021, the County Admin. and Council has used those dollars as follows:
