RESOLUTION NO. 2022-030

**A RESOLUTION OF THE WHATCOM COUNTY COUNCIL UPDATING THE APPENDIX OF THE 2022 COMPREHENSIVE ECONOMIC DEVELOPMENT STRATEGY (CEDS)**

**WHEREAS**, the Economic Development Reform Act of 1998 identifies a Comprehensive Economic Development Strategy (CEDS) as a requirement to apply for assistance under the Economic Development Administration's (EDA) economic adjustment and public works program; and

**WHEREAS**, Public Law 105-393, implemented in 1999, amends the Public Works and Economic Development Act of 1965 and re-authorizes Economic Development Administration Programs for five years; and

**WHEREAS**, in 2021, the Port of Bellingham, through an interlocal agreement with the county, completed the work to update the document which Council approved through Resolution 2021-046; and

**WHEREAS**, County Administration had initially considered utilizing ARPA funds to stimulate the economy by funding countywide infrastructure projects. In coordination with the City Mayors and the Port of Bellingham it was determined that local jurisdictions could instead apply for a 50% match for their infrastructure projects utilizing the EDI Fund; and

**WHEREAS**, the jurisdictions have since submitted EDI funding requests for eligible infrastructure projects and those projects have all been included in the updated CEDS 2022 Project List; and

**WHEREAS**, those both projects are listed and highlighted in Attachment "A", titled Updated CEDS 2022 Project List; and

**WHEREAS**, RCW 82.14.370 requires that projects utilizing rural sales tax revenue must be contained in the County's overall economic development plan; and

**NOW, THEREFORE, BE IT RESOLVED** that the Whatcom County Council hereby accepts the updated appendix as submitted by the Port of Bellingham.

**BE IT FURTHER RESOLVED** that the Whatcom County Council officially adopts the 2022 update to the 2022 Whatcom County Economic Development Strategy Appendix.
