RE: Contract- Security Electronics and DVMS System Support & Maintenance Agreement

DATE: February 10, 2023

Attached for your review and consideration is the original Contract for the Agreement between Whatcom County and Status Automation for the purpose of Maintaining and providing support for the Security Electronics and DVMS (digital video monitoring system) Systems at the Whatcom County Main Jail, Jail Work Center (Division Street), and the Juvenile Facilities (6th floor Courthouse).

▪ **Background and Purpose**

This contract is to provide Technical support, on-site maintenance, phone support, and proprietary programming for the Security Electronics and DVMS at these three facilities.

The Jail, Jail Work center, and Juvenile detention facilities include the Intercom systems, PLC's (programable logic controller), and PC for our sophisticated electronic Door and Lock controls, Plus the Genetec Camera systems that are interfaced with the main Security Controls that include Servers, Network switches, KVM (video switches) and audio servers.

▪ **Funding Amount and Source**

This project is approved by three regular budgets. The Main Jail and Jail Work Center will be funded from the Jail Fund. Juvenile Detention will be funded by the Facilities Budget. Status Automation has been approved Sole Source for the Jail/Work Center and Juvenile Detention based on the proprietary software written to interface the security system, the locking controls and the video surveillance.

Funding needed for this contract is \$52,136.96, including any applicable tax.

- **Differences from Previous Contract**

This contract is for the ongoing agreement to provide support for the Security Electronics.

Please contact Rob Ney at extension 5365, if you have any questions or concerns regarding the terms of this agreement.
