• **BACKGROUND**

The purpose of this bid is to establish prices and identify firms that are interested in providing maintenance and construction equipment for rent to the County on an on-call basis.

Public Works and other departments will select equipment for rent from the list. The selection will be based on equipment availability and suitability, with preference to the low bidder. The following companies submitted bids on Tuesday March 12, 2019. A list of available equipment and labor rates is attached.

- SE Rents LLC
- United Rentals
- PacWest Machinery
- NW Heavy Equipment Repair
- Birch Equipment

Rentals will be made on an as-needed basis. Administrative Services is requesting approval to award to all bidders. The award for each vendor will not exceed \$100,000.00.
