SUBJECT: Recommendation to the NWSSB

Currently, there are three openings on the Northwest Senior Services Board (NWSSB) for Whatcom County. Recently we heard from an interested community member, Marshall Gartenlaub, who would like to serve on the board. Dr. Gartenlaub has extensive experience in engineering and adult education during his career. Since moving to Whatcom County, he has also volunteered for organizations and actively participated in the local community.

On Wednesday, the Interview Committee met with Dr. Gartenlaub and unanimously decided to recommend him for appointment to the NWSSB. Prior to the interview, he submitted the Boards and Commissions application to the County. Should Dr. Gartenlaub be appointed, Whatcom County would have two vacancies on the NWSSB.

If I can be of further assistance, please do not hesitate to contact me.
