## **The Way Forward:**

Adopt Child and Family Action Plan as a guiding document for county action

Formally commit to the 4 Proposed Next Steps

- Request Office of the County Executive assess infrastructure and budget needs required to realize commitment
- 2. Ordinance to create a county task force, or other official county committee
- 3 Support and actively participate in fiscal analysis in early 2020 to identify existing and potential funding streams
- 4. Fulfill prior commitments to resource and fund two critical efforts
  - All County services are trauma informed and culturally and linguistically appropriate
  - Health Navigation System

Your action in adopting these recommendations will support kids and families today and the generations of tomorrow!
