

On February 11, 2020 the proposed Resolution (Green strike through to show how it would be amended from the previous 2019 resolution) was discussed in Special Committee of the Whole and they recommended amendments.

A substitute version was then created from those amendments (Blue strike through) and went before the full Council that evening. The Council amended and subsequently approved the amended substitute Resolution (Red Strike through).

Green in the strike through is the changes in the proposed Resolution in SCOTW.

Blue reflects the amendments made and recommended for approval in SCOTW.

Red reflects the amendments made and approved in Council.
