#### A. Service Programs

##### CDBG Whatcom Narrative:

In Whatcom County, CDBG funds will support services and activities in East Whatcom County, a region of Whatcom County that includes many low-income residents in a geographically remote and underserved rural community. Services will be provided and coordinated by Opportunity Council information and referral specialist at the East Whatcom Regional Resource Center. The primary activities will be connecting low to moderate income community members with services including early childhood education, food resources, and energy assistance programs.

##### CDBG Island County Narrative:

In Island County, CDBG funds will increase capacity to serve low-income households including housing support services. This funding supports current homeless housing and prevention screening, qualifying and enrolling clients in services such as Basic Food and other supportive programs. This service center, located in Oak Harbor, will also engage and refer to other local service providers to serve people who are homeless, Veterans and people with mental health and chemical dependency issues.

##### CDBG San Juan Narrative:

CDBG Public Services grant will provide support to the three Community Resource Centers on San Juan, Orcas and Lopez Islands in San Juan County. The geography and limited transportation systems in San Juan County create a significant challenge in providing services to low-income households. The Community Resource Centers are the conduit that connects people to services on each of the islands and the mainland as well. Opportunity Council will contract for information and referral services with each Community Resource Center so residents can access housing, food, energy assistance, and employment opportunities.
