Committee Discussion and Recommendation to Council

1. [AB2023-181](#) Request approval to send a letter in support of Ejidos Community Farm's 2023 Local Community Projects Capital Budget request

Sean Hopps, Institute for Washington's Future Executive Director, briefed the Councilmembers and gave an overview of the project.

Donovan moved that the Request for Motion be RECOMMENDED FOR APPROVAL.

Hopps answered what the timeline is for this is, whether the funding is for a property acquisition, where the property is, and who it is being acquired from.

Elenbaas discussed his position on the motion and stated he would abstain. He has never really heard of this farm but he would probably be in favor of anything that helps increase infrastructure in the agricultural lands that would help farmers get their product to market.

Satpal Sidhu, County Executive, stated it would be helpful if some of the history of the farm since 2018 were included in the letter or in a follow-up.

Hopps spoke about some of the benefits to the public.

Donovan's motion that the Request for Motion be RECOMMENDED FOR APPROVAL OF REQUEST carried by the following vote:

Aye: 2 - Donovan, and Galloway

Nay: 0

Abstain: 1 - Elenbaas
